PART II - RESTRICTIONS AND PARKING PLACES

Section 1 – Provisions of the Order

Restricted waiting areas and restricted loading areas within the Controlled Parking Zones (CPZs)

3. (1) Subject to the provisions of this Order, any street or part of a street specified in column 1, 2 and 3 of either Schedule 1, 2, 3, 4, 5, 6 7, 8, 9, 10 or 11 is a restricted waiting area.

(2) Subject to the provisions of this Order, any street or part of a street specified in column 1, 2 and 3 of Schedule 12 is a restricted loading area.

(3) Subject to paragraph (5) below, no person shall cause or permit any vehicle to wait during the restricted waiting hours in the same place in any restricted waiting area except for so long as may be necessary for the purpose of delivering or collecting goods or loading or unloading the vehicle at premises adjacent to the area.

(4) No person shall cause or permit any vehicle to wait, load or unload during the restricted loading hours in any restricted loading area.

(5) A disabled person's vehicle which displays in the relevant position a disabled person's badge issued by any Local Authority may be left in a restricted waiting area:

Provided that, where the restricted waiting hours are longer than three hours duration, that vehicle may wait for a period of not more than three hours (being a period not separated by an interval of less than one hour from a previous period of waiting by the same vehicle in the same restricted waiting area on the same day.

(6) A restricted waiting area or a restricted loading area shall be delineated on the highway and also where appropriate specified by a sign but the obscuring or obliteration of such a line, or sign, or any part thereof, shall not render the restrictions referred to in paragraphs (3) and (4) above ineffective.

Prohibition of stopping outside schools

4. No person shall, except under the direction or with the permission of the Council or a civil enforcement officer, cause or permit any vehicle to stop or remain at rest between the hours of 8 a.m. and 5 p.m. on Monday to Friday in any length of road specified in column 1, 2 and 3 of Schedule 38, unless authorised by the subsequent provisions of this Order.

Persons boarding or alighting from vehicles

5. Nothing in Article 3 shall render it unlawful to cause or permit a vehicle to wait in any restricted waiting area for so long as may be necessary for the purpose of enabling any person to board or alight from the vehicle or to load thereon or unload therefrom their personal luggage.

Excepted vehicles

6. The restrictions imposed by Article 3 shall not apply in relation to the following vehicles, that is to say:

(a) any bus or public service vehicles operated by a transport company and any vehicle providing a bus service, whilst waiting at an authorised stopping place or at a terminal or turning point; or

(b) vehicles when used for fire brigade, ambulance or police purposes; or

(c) vehicles when used in the service of a local authority in pursuance of statutory powers or duties provided that in all the circumstances it is reasonably necessary in the exercise of such powers in the performance of such duties for the vehicle to wait in the place in which it is waiting; or

(d) taxis whilst waiting upon any duly authorised taxi rank; or

(e) vehicles whilst waiting in any restricted waiting area for so long as may be necessary in connection with the taking in of petrol, oil, water or air, if such taking in cannot be affected unless the vehicle waits in the place where it is waiting;

(f) to anything done with the permission or at the direction of a police constable in uniform or a civil enforcement officer;

(g) where notice is given to the Council, their consent is obtained in writing and any such conditions as they may impose are complied with.

Furniture removals and other exceptional loading or unloading

7. (1) Nothing in Article 3 shall apply so as to restrict the loading or unloading of any vehicle while the vehicle is in actual use in any restricted waiting area in connection with the commercial removal of furniture to or from an office, dwelling-house or depository:

Provided that seventy-two hours' notice is given in advance to the Council, their consent is obtained and such reasonable conditions as they may impose are compiled with.

(2) Without prejudice to the provisions of the last foregoing paragraph, nothing in Article 3 of this Order shall apply so as to restrict the loading or unloading of any vehicle while the vehicle is in actual use in any restricted waiting area in connection with the collection or delivery of goods from or to premises in or adjacent to that area if those goods cannot reasonably be loaded or unloaded outside the restricted waiting hours or within the time (if any) allowed in relation to that area, as the case may be, if notice is given seventy-two hours in advance to the Council, their consent is obtained, and such reasonable conditions as they may impose are compiled with.

Miscellaneous exemptions

8. (1) Nothing in Article 3 shall render it unlawful to cause or permit a vehicle to wait in any restricted waiting area:

(a) while postal packets addressed to premises adjacent to any such area in which the vehicle is waiting are, by a universal service provider providing a universal postal service, being unloaded from the vehicle or, having been unloaded therefrom, are being delivered; or

(b) while postal packets are, by that universal service provider, being collected for loading on the vehicle from premises or posting boxes in or adjacent to any such area in which the vehicle is waiting or, having been so collected, are being loaded thereon; or

(c) while the vehicle is being used in connection with the removal of any obstruction to traffic in any street, the maintenance, improvement, reconstruction, cleansing or lighting of any street, the laying, erection, alteration or repair in or adjacent to any street of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity, or of any electronic communications network, or the placing, maintenance or removal of any traffic sign, if the vehicle cannot conveniently and lawfully be used for that purpose in any other street or a restricted waiting area outside the restricted waiting hours; or

(d) while any gate or other barrier at the entrance to premises, to which the vehicle requires access or from which it has emerged in being opened or closed, if it is not reasonably practicable for the vehicle to wait in any other place while such gate or barrier is being opened or closed.

(2) Nothing in Part II of this Order shall apply to anything done with the permission or at the direction of a police constable in uniform, or where the person in control of the vehicle is required by law to stop or wait or remain at rest or is obliged to do so in order to avoid an accident.

Restrictions on methods of loading and unloading vehicles

9. (1) No person shall cause any goods to be loaded on to or unloaded from any vehicle in any street in the Borough of Dacorum otherwise than in accordance with the following conditions, that is to say:

(a) no such goods shall be deposited on any carriageway or footway except on the carriageway immediately at the rear of the vehicle and no goods shall remain on any carriageway before the arrival of or after the departure of the vehicle;

(b) no part of any rope, chain, wire, apparatus or machinery used in connection with such loading or unloading, and no load suspended therefrom, shall be less than 4.88 metres above a carriageway, except when over any vehicle being loaded or unloaded, or less than 2.74 metres above the footway;

(c) no such goods shall be passed from hand to hand across any part of any carriageway or footway:

Provided that nothing in this Article shall apply in relation to:

(i) any vehicle specified in Article 6(b) or (c) or any vehicle while it is being used as mentioned in Article 8(1)(c) of this Order; or

(ii) anything done with the permission or at the direction of a civil enforcement officer or a police constable in uniform.

(2) Nothing in sub-paragraph (b) of paragraph (1) of this Article shall apply to any pipe, apparatus or machinery being used in connection with the loading or unloading of any petrol, water, oil or liquid fuel on to or from any vehicle in any street or from any premises adjacent to any street provided that all necessary means are taken to give adequate warning of any possible obstruction.

Vehicles waiting upon the direction or with the permission of the Council

10. Nothing in Articles 3 or 4 shall render it unlawful for a person to cause or permit any vehicle to wait on any street or part of street referred to therein if it shall be upon the direction or with the permission of the Council.

Designation of parking places

11. Each area on a highway comprising the length of carriageway of a street specified in columns 1, 2 and 3 of Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 31, 32, 33, 34, 35 or 36 and unless otherwise so specified, bounded on one side of that length by the edge of the carriageway and having a width throughout of 1.8 metres, is hereby designated as a parking place.

Designation of permit parking areas

12. Each area on a highway comprising the length of carriageway of a street specified in columns 1, 2 and 3 of Schedule 23, 24, 25, 26, 27 or 28 is hereby designated as a permit parking area.

Authorisation of use of parking places and permit parking areas

13. No person shall cause or permit any vehicle to wait in any part of a parking place or permit parking area unless authorised by the provisions of this Order.

Vehicles for which parking places and permit parking areas are designated

14. (1) Subject to the provisions of this Order, a parking place or permit parking area may be used for the leaving during the permitted hours of vehicles of the following class, that is to say, passenger vehicles, goods carrying vehicles (the overall height of which does not exceed 2.3 metres and the overall length of which does not exceed 5.25 metres), and motor-cycles, unless prohibited by virtue of the Borough of Dacorum (Hemel Hempstead Westside Residential Areas) (Prohibition of Commercial Vehicles of Over 7.5 tonnes) Order 1989[k].

(d) as either: display in the manner specified in Article 41 a valid business permit issued in respect of that vehicle, or in respect of which vehicle there is an indication by hand-held device that a valid business permit has been granted in respect of that vehicle; or

(e) as either: display in the manner specified in Article 56 a valid special parking permit issued in respect of that vehicle and that parking place, or in respect of which vehicle there is an indication by hand-held device that a valid special parking permit has been granted in respect of that vehicle and that parking place; or

(f) in accordance with Article 64, in respect of which vehicle there is an indication by hand-held device that a valid doctor/health visitor permit has been granted in respect of that vehicle.

(4) Parking places referred to in Schedule 32 may be used for the leaving during the permitted hours of such vehicles of the class specified in paragraph (1) above -

(a) in respect of which vehicle there is an indication by hand-held device that the parking charge has been paid in respect of that vehicle using the electronic payment system, subject to the maximum stay period specified in relation to that parking place; or

(b) as either: display in the manner specified in Article 32 a valid resident's permit issued in respect of that vehicle, or in respect of which vehicle there is an indication by hand-held device that a valid resident's permit has been granted in respect of that vehicle; or

(c) as either: display in the manner specified in Article 48(1) a valid resident's visitors permit, or in respect of which vehicle there is an indication by hand-held device that a valid resident's visitor's permit has been granted in respect of that vehicle; or

(d) as either: display in the manner specified in Article 40 a valid business permit issued in respect of that vehicle, or in respect of which vehicle there is an indication by hand-held device that a valid business permit has been granted in respect of that vehicle; or

(e) as either: display in the manner specified in Article 56 a valid special parking permit issued in respect of that vehicle and that parking place, or in respect of which vehicle there is an indication by hand-held device that a valid special parking permit has been granted in respect of that vehicle and that parking place; or

(f) in accordance with Article 64, in respect of which vehicle there is an indication by hand-held device that a valid doctor/health visitor permit has been granted in respect of that vehicle.

(5) Parking places referred to in Schedule 33, 34 or 35 may be used for the leaving during the permitted hours of such vehicles of the class specified in paragraph (1) above, either:—

(a) for a limited stay free of charge, provided the vehicle is left for no longer than the maximum stay period specified in relation to that parking place; or

(b) without time limit, as either: display in the manner specified in Article 32 a valid resident's permit issued in respect of that vehicle, or in respect of which vehicle there is an indication by hand-held device that a valid resident's permit has been granted in respect of that vehicle; or

(c) without time limit, as either: display in the manner specified in Article 48(1) a valid resident's visitors permit, or in respect of which vehicle there is an indication by hand-held device that a valid resident's visitor's permit has been granted in respect of that vehicle; or

(d) without time limit, as either: display in the manner specified in Article 40 a valid business permit issued in respect of that vehicle, or in respect of which vehicle there is an indication by hand-held device that a valid business permit has been granted in respect of that vehicle; or

(e) without time limit, as either: display in the manner specified in Article 56 a valid special parking permit issued in respect of that vehicle and that parking place, or in respect of which vehicle there is an indication by hand-held device that a valid special parking permit has been granted in respect of that vehicle and that parking place; or

(f) in accordance with Article 64, in respect of which vehicle there is an indication by hand-held device that a valid doctor/health visitor permit has been granted in respect of that vehicle.

(6) Parking places referred to in Schedule 36 may be used for the leaving during the permitted hours of such vehicles of the class specified in paragraph (1) above for a limited stay free of charge, provided the vehicle is left for no longer than the maximum stay period specified in relation to that parking place.

(7) Parking places referred to in Schedule 37 may be used for the leaving during the permitted hours of such vehicles as display a valid disabled person's badge in the relevant position.

Alteration of position of a vehicle in a parking place

15. Where any vehicle is standing in a parking place in contravention of the provisions of Article 19 or of the provisions of Article 23, a civil enforcement officer may alter or cause to be altered the position of the vehicle in order that its position shall comply with those provisions.

Movement of a vehicle in a parking place or permit parking area in an emergency

16. A civil enforcement officer or police constable in uniform may move or cause to be moved, in case of emergency, to any place they think fit any vehicle left in a parking place, or restricted waiting area.

Exemptions for vehicles displaying a disabled person's badge

17. (1) A vehicle displaying a disabled person's badge in the relevant position may be left in any part of a parking place referred to in Schedule 29, 30, 31, 32, 33, 34, 35 or 36 without charge or time limit, provided that the use of that part of the parking place in which the vehicle is left has not been suspended.

(2) Without prejudice to the generality of this Article, and notwithstanding the provisions of this Order, a vehicle to which this Article applies shall stand in a parking place in accordance with the provisions of Article 19 and wholly within the limits of that parking place.

Orders and provision of Orders revoked within a Controlled Parking Zone

18. Without prejudice to the validity of anything done or to any liability incurred in respect of any act or omission before the coming into operation of this Order, any existing Orders or provisions of Orders listed in Schedule 43 are hereby revoked and replaced by the restrictions imposed by this Order.

PART III - SUPPLEMENTARY PROVISIONS

Section 1 - General

Manner of standing in a parking place or permit parking area

19. (1) Every vehicle left in a parking place in accordance with the foregoing provisions of this Order shall so stand:

(a) in the case of a parking place in relation to which special provisions as to the manner of standing of a vehicle in that parking place are specified in column 4 of Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 or 36, or in column 5 of Schedule 29, 30, 31, 32, 33, 34 or 35, as to be in accordance with those provisions;

(b) in the case of any other parking place or a permit parking area -

(i) if the parking place is not in a one-way street, that the left or near side of the vehicle is adjacent to the left-hand edge of the carriageway;

(ii) that the distance between the edge of the carriageway and the nearest wheel of the vehicle is not more than 300 millimetres; and

(iii) that every part of a vehicle is within the limits of a parking place or permit parking area.

(2) Without prejudice to the provisions of paragraph (1) of this Article, every vehicle left in a parking place in respect of which payment of the parking charge has been made using the electronic payment system shall stand wholly within the limits of a parking place (or part thereof), which shall be the appropriate parking place (or part thereof) in relation to the location identification number used for payment of the parking charge.

Power to suspend the use of a parking place or permit parking area

20. (1) Any person duly authorised by the Council may suspend the use of a parking place or permit parking area or any part thereof whenever they consider such suspension reasonably necessary:

(a) for the purpose of facilitating the movement of traffic or promoting its safety;

(b) for the purpose of any building operation, demolition or excavation adjacent to the parking place or permit parking area, the maintenance, improvement or reconstruction of the highway or the cleansing of gullies in or adjacent to the parking place or permit parking area, the laying, erection, alteration or repair in or adjacent to the parking place or permit parking area of any sewer or of any main, pipe, or apparatus for the supply of gas, water or electricity or of any electronic communications network or the placing, maintenance or removal of any traffic sign;

(c) for the convenience of occupiers of premises adjacent to the parking place or permit parking area on any occasion of the removal of

furniture to or from one office or dwelling-house adjacent to the parking place from or to a depository, another office or dwelling-house;

(d) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or

(e) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions.

(2) Any person suspending the use of a parking place or permit parking area or any part thereof in accordance with the provisions of paragraph (1) of this Article shall thereupon place or cause to be placed in or adjacent to that parking place or permit parking area or part thereof a traffic sign indicating that waiting by vehicles is prohibited.

(3) No person shall cause or permit a vehicle to be waiting in a parking place or permit parking area or any part thereof during which such period as there is in or adjacent to that parking place or permit parking area or part thereof a traffic sign placed in pursuance of paragraph (2) above provided that nothing in this paragraph shall apply -

(a) in respect to any vehicle being used for fire brigade, ambulance or police purposes or any vehicle which is waiting for any reason specified in paragraph (1)(b), (d) or (e) above; or

(b) to anything done with permission of the person suspending the use of the parking place or part thereof in pursuance of paragraph (1) of this Article.

Restriction on the use of a parking place or permit parking area

21. During the permitted hours no person shall use any parking place or permit parking area or any vehicle while it is in a parking place or permit parking area in connection with the sale or offering or exposing for sale of any goods to any person in or near the parking place or permit parking area or in connection with the selling or offering for sale of their skill in handicraft or their services in any other capacity:

Provided that nothing in this Article shall prevent the sale of goods from a vehicle -

(a) if the vehicle is a passenger vehicle, a goods carrying vehicle or a motor-cycle and the goods are immediately delivered at or taken into premises adjacent to the vehicle from which the sale is effected; or

(b) if the vehicle is one to which the provisions of Article 22(1)(h) apply.

Restriction on waiting by a vehicle in a parking place or permit parking area

22. (1) Notwithstanding the foregoing provisions of this Order any vehicle may wait during the permitted hours in any part of a parking place or permit parking area if the use of that part has not been suspended and if:

(a) the vehicle is waiting for so long as may be necessary for the purpose of enabling any person to board or alight from the vehicle or load thereon or unload therefrom their personal luggage;

(b) the vehicle is waiting owing to the driver being prevented from proceeding by circumstances beyond their control or to such waiting being necessary in order to avoid an accident;

(c) the vehicle is being used for fire brigade, ambulance or police purposes or, not being a passenger vehicle, is being used in the service of a local authority in pursuance of statutory powers or duties provided that in all the circumstances it is reasonably necessary in the exercise of such powers or in the performance of such duties for the vehicle to wait in the place in which it is waiting;

(d) the vehicle is waiting for so long as may be necessary to enable it to be used in connection with the removal of any obstruction to traffic;

(e) the vehicle is waiting -

(i) while postal packets addressed to premises adjacent to the parking place in which the vehicle is waiting are being unloaded from the vehicle or, having been unloaded therefrom, are being delivered; or

(ii) while postal packets are being collected for the loading on the vehicle from premises or posting boxes adjacent to the parking place or permit parking area in which the vehicle is waiting or, having been so collected, are being unloaded thereon;

(f) the vehicle not being a passenger vehicle is waiting only for as long as may be reasonably necessary to enable it to be used for the purpose specified in Article 20(1)(b);

(g) the vehicle is in actual use in connection with the removal of furniture to or from one office to a dwelling-house adjacent to the parking place or permit parking area from or to a depository, another office or dwelling-house;

(h) in any other case the vehicle is waiting for the purpose of delivering or collecting goods or loading or unloading the vehicle at premises adjacent to the parking place or permit parking area in which the vehicle is waiting and the vehicle does not wait for a period exceeding forty minutes or such longer period as may be approved by a civil enforcement officer.

(2) No parking charge specified in the provisions of this Order shall be payable in respect of any vehicle waiting in a parking place or permit parking area in accordance with the foregoing provisions of this Article.

(3) Except as provided by this Order, the driver or person in charge of a vehicle shall not cause or permit a vehicle to wait in a parking place or permit parking area during the permitted hours.

(4) Nothing in the provisions of this Order shall be taken as authorising anything which would be a contravention of any regulations made or having effect as if made under section 25 of the Road Traffic Regulation Act 1984.

Manner of waiting in a parking place or permit parking area

23. No person shall cause or permit a vehicle to wait in a parking place or permit parking area by virtue of the provisions of paragraph (1)(e), (f), (g), or (h) of the last preceding Article otherwise than:

(a) in the case of a parking place in relation to which special provisions as to the manner of standing of a vehicle in that parking place are specified in column 4 of Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 or 36, or in column 5 of Schedule 29, 30, 31, 32, 33, 34 or 35, so that the vehicle shall stand:

(i) unless the length of the vehicle precludes compliance with this sub-paragraph, in accordance with those provisions and so that every part of the vehicle is within the limits of the parking place; or

(ii) if the length of the vehicle does preclude compliance with the last preceding sub-paragraph, so that the longitudinal axis of the vehicle is parallel to the edge of the carriageway nearest to the vehicle and the distance between the said edge and the nearest wheel of the vehicle is not more than 300 millimetres; and

(b) in the case of any other parking place or a permit parking area, so that the longitudinal axis of the vehicle is parallel to the edge of the carriageway nearest to the vehicle and the distance between the said edge and the nearest wheel of the vehicle is not more than 300 millimetres; and

(c) so that no part of the vehicle obstructs any vehicular means of ingress to or egress from premises adjacent to the side of the road on which the vehicle is waiting.

For the purposes of the last preceding sub-paragraph, the expression "premises" shall not include any premises to or from which any furniture is being removed by virtue of the provisions of paragraph (1)(g) of the last preceding Article or to or from which goods are being delivered or collected by virtue of the provision of paragraph (1)(h) of that Article.

Placing of traffic signs, etc.

24. (1) The Council shall:

(a) place and maintain traffic signs indicating the limits of each parking place and permit parking area;

(b) place and maintain in or in the vicinity of each parking place and permit parking area traffic signs indicating that such parking places or permit parking areas may be used during the permitted hours for the leaving only of the vehicles specified in Article 14(1); and

(c) carry out such other work as it reasonably required for the purposes of the satisfactory operation of a parking place or permit parking area.

(2) The council shall place and maintain traffic signs in or in the vicinity of each parking place referred to in Schedule 29, 30, 31 and 32 indicating:-

(a) that such parking place may be used by vehicles making payment of the parking charge via the electronic payment system; and

(b) the location identification number of such parking place or part thereof.

Section 2 - Parking Charges, Pay and Park Machines and the Electronic Payment System

Indication of payment of parking charge

25. Subject to Articles 33, 41, 49, 56 or 64, payment of the parking charge in respect of a vehicle left in a parking place shall be indicated as follows:-

    (a) in respect of a parking place referred to in Schedule 29, 30 or 31:-

        (i) where such payment is made in accordance with Article 28(1)(a), by either indication by Pay and Park Machine that the parking charge has been paid in respect of that vehicle by Pay and Park Machine and an indication of the date and time of expiry of the parking period for which that parking charge has been paid, or the appearance on a hand-held device of an indication that the parking charge has been paid in respect of that vehicle by Pay and Park Machine and an indication of the date and time of expiry of the parking period for which that parking charge has been paid; or

        (ii) where such payment is made in accordance with Article 28(1)(b), by the appearance on a hand-held device of an indication that the parking charge has been paid in respect of that vehicle by the electronic payment system and an indication of the date and time of expiry of the parking period for which that parking charge has been paid; or

    (b) in respect of a parking place referred to in Schedule 32, by the appearance on a hand-held device of an indication that the parking charge has been paid in respect of that vehicle by the electronic payment system and an indication of the date and time of expiry of the parking period for which that parking charge has been paid.

Pay and Park Machine and hand-held device indications as evidence

26. Subject to Articles 33, 41, 49 or 56 or 64, if at any time while a vehicle is left in a parking place referred to in Schedule 29, 30, 31 or 32 during the permitted hours and either: no indication appears on a hand-held device that payment of the parking charge has been made in accordance with the provisions of Article 28(1)(a), or no indication appears on a hand-held device that payment of the parking charge has been made in accordance with the provisions of Article 28(1)(b), or an indication appears on a Pay and Park Machine or hand-held device showing that the parking charge has been paid but that the parking period has expired, it shall be presumed that the vehicle has been left in that parking place without payment of the parking charge.

Amount of the parking charge at parking places

27. The parking charge for a vehicle (other than a vehicle otherwise exempted by this Order) left in a parking place referred to in Schedule 29, 30, 31 or 32 during the permitted hours, shall be as set out in column 2 of Schedule 42 and the maximum parking period for which a vehicle may wait and the period during which that vehicle may return to the same parking place after the parking charge has been paid in respect thereof shall be as set out in column 4 of either Schedule 29, 30, 31 or 32 as the case may be, in relation to that parking place.

Payment of the parking charge

28. (1) Subject to the provisions of Articles 17, 21 or 22, the parking charge shall be payable not later than on the first leaving of a vehicle (other than a vehicle otherwise exempted by this Order) in a parking place during the permitted hours, by either:-

(a) payment of the parking charge by the insertion in a Pay and Park Machine relating to that parking place of any coin or combination of coins of such denomination as shall be indicated on the ticket machine as being accepted by that Pay and Park Machine, together making up the amount of the parking charge for the parking period for which payment is being made and shall be indicated by either the Pay and Park Machine or by hand-held device, showing the indication that a parking charge has been paid in accordance with the provisions of Article 25; or

(b) where the electronic payment system is available for use by the driver of the vehicle, or some person authorised by the driver to act on their behalf, instructing the service provider to accept payment of the parking charge for a specified parking period by the electronic payment system and by the service provider accepting such payment.

(2) No refund shall be payable by the Council in respect of any parking charge paid using a Pay and Park Machine unless a refund is given at the discretion of the Council.

(3) No person shall leave any vehicle (other than a vehicle exempted by this Order) in a parking place during the permitted hours for longer than the parking period for which payment was made by the parking charge.

Contraventions

29. (1) If a vehicle (other than a vehicle otherwise exempted by this Order) is left within a Controlled Parking Zone during the permitted hours in contravention of any provision of this Order then a parking contravention within Part 1 of Schedule 7 to the Traffic Management Act 2004 shall be deemed to have occurred.

(2) If a vehicle (other than a vehicle otherwise exempted by this Order or the CPZ Order where relevant) is left within a Controlled Parking Zone during the restricted waiting hours or restricted loading hours, or both, in contravention of any no waiting restriction or no loading restriction, or both, then a parking contravention within Part 1 of Schedule 7 to the Traffic Management Act 2004 shall be deemed to have occurred.

Interval before a vehicle may again be left in a parking place

30. Without prejudice to the provisions of this Order, no vehicle which has been taken away from a parking place during the permitted hours, after the parking charge has been incurred, shall until the expiration of the no return period referred to in column 3 of Schedule 29, 30, 31 or 32 in relation to the type of parking place referred to in column 1 of that Schedule in relation thereto, shall again be left in that parking place during the permitted hours.

No additional payments to be made at Pay and Park and Pay by Phone parking places

31. (1) Where on the leaving of a vehicle in a parking place payment of the parking charge has been made at a Pay and Park Machine, no additional coin or coins shall be inserted in that Pay and Park Machine or any other Pay and Park Machine by way of paying a further parking charge in respect of that vehicle, so as to extend the parking period beyond that originally purchased.

(2). Where on the leaving of a vehicle in a parking place payment of the parking charge has been made at a Pay and Park Machine by debit or credit card payment, no additional payment can be made by way of paying a further parking charge in respect of that vehicle, so as to extend the parking period beyond that originally purchased

(3). Where on the leaving of a vehicle in a parking place payment of the parking charge has been made by the electronic payment system, no additional payment can be made by way of paying a further parking charge in respect of that vehicle, so as to extend the parking period beyond that originally purchased.

Section 3 – Resident's permits

Resident's permits to be displayed on or indications by hand-held device in respect of vehicles left in parking places

32. Subject to Articles 14(5)(a), 25, 40, 48, 56 or 64, at all times during which a vehicle (other than a vehicle otherwise exempted by this Order) is left in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or in a permit parking area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours in accordance with the provisions of Article 14(2)(a), either: the driver thereof shall cause to be displayed on the front or near side of the vehicle a valid resident's permit relating to the controlled parking zone within which that vehicle is left issued in respect of that vehicle, so that all the particulars referred to in Article 39 are readily visible from the front or near side of the vehicle, or in respect of which vehicle there is an indication via hand-held device that a valid resident's permit has been granted in respect of that vehicle.

Application for and issue or grant of resident's permits

33. (1) Any resident of a Controlled Parking Zone whose address is specified in Schedule 40 who is the owner of a vehicle of the class specified in Article 14(1) may apply to the Council for the issue or grant of a resident's permit relating to the parking zone within which they reside in respect of that vehicle and any such application shall be made on a form issued by and obtainable from or made available online by the Council and shall include the particulars and information required by such form to be supplied.

(2) The Council may at any time require an applicant for a resident's permit or a resident's permit holder to produce to an officer of the Council such evidence in respect of an application for a resident's permit made to them as they may reasonably call to verify any particulars or information given to them or in respect of any resident's permit issued by them as they may reasonably call for to verify that the resident's permit is valid.

(3) Upon receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the relevant charge specified in Schedule 42, the Council upon being satisfied that the applicant is a resident and is the owner of a vehicle of the class referred to in paragraph (1) of this Article, shall issue or grant to the applicant therefor a resident's permit for the leaving of the vehicle to which such resident's permit relates by the owner of such vehicle or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours.

Limit on the number of resident's permits to be issued or granted to a household

34. The Council shall not issue or grant a resident's permit during any period of one year to a resident in any household in respect of which 3 other resident's permits have been issued or granted and remain valid during that period, subject to the provision of Article 36.

No refund of charge paid in respect of a resident's permit

35. A resident's permit holder who surrenders a resident's permit to the Council whether before or after it becomes valid will not be entitled to a refund of any charge paid in respect of that permit unless the Council in its discretion considers that there are exceptional circumstances to justify refunding in full or in part.

Surrender, withdrawal and validity of resident's permits

36. (1) A resident's permit holder may surrender a resident's permit to the Council at any time and shall surrender a resident's permit to the Council on the occurrence of any one of the events set out in paragraph (3) of this Article or in accordance with the provisions of paragraph (5) of this Article.

(2) The Council may, by notice in writing served on the resident's permit holder by sending the same to the resident's permit holder at the address shown by that person on the application for the resident's permit or at any other address believed to be that person's place of abode, withdraw a resident's permit if it appears to the Council that any of the events set out in paragraph (3)(a), (b), (d) or (e) of this Article has occurred and the resident's permit holder shall surrender the permit to the Council or authorised agent within 48 hours of the receipt of the aforementioned notice.

(3) The events referred to in the foregoing provisions of this Article are -

(a) the resident's permit holder ceasing to be either a resident within the controlled parking zone in respect of which the resident's permit was issued or granted;

(b) the resident's permit holder ceasing to be the owner of the vehicle in respect of which the resident's permit was issued or granted;

(c) the withdrawal of such resident's permit by the Council under the provisions of paragraph (2) of this Article;

(d) the issue or grant of a duplicate resident's permit by the Council under the provisions of Article 37;

(e) the vehicle in respect of which such resident's permit was issued or granted being adapted or used in such a manner that it is not a vehicle of the class specified in Article 14(1);

(f) the resident's permit ceasing to be valid pursuant to the provisions of paragraph (4) of this Article.

(4) Without prejudice to the foregoing provisions of this Article and the provisions of the next following paragraph, a resident's permit shall cease to be valid at the expiration of the period specified thereon, or on the occurrence of any one of the events set out in paragraph (3)(a), (b), (c), (d) or (e) of this Article, whichever is the earlier.

(5) Where a resident's permit is issued or granted to any person upon receipt of a cheque or credit card and the payment is subsequently dishonoured, the resident's permit shall cease to be of any effect and the Council shall by notice in writing served on the person to whom such resident's permit was issued or granted by sending the same to the resident's permit holder at the address shown by that person on the application for the resident's permit or at any other address believed to be that person's place of abode, require that person to surrender the resident's permit to the Council within 48 hours of the receipt of the aforementioned notice.

Application for and issue or grant of duplicate resident's permits

37. (1) If a resident's permit is mutilated or accidentally defaced or the figures or particulars thereon have become illegible or the colour of the resident's permit has become altered by fading or otherwise, the resident's permit holder shall either surrender it to the Council and apply to the Council for the issue to them of a duplicate resident's permit and the Council, upon receipt of the resident's permit, shall issue or grant a duplicate resident's permit, so marked. Upon such issue or grant the resident's permit shall become invalid.

(2) If a resident's permit is lost or destroyed, the resident's permit holder may apply to the Council for the issue to them of a duplicate resident's permit and the Council, upon being satisfied as to such loss or destruction shall issue or grant a duplicate resident's permit, so marked where issued as a printed document, and upon such issue or grant the resident's permit shall become invalid.

(3) The provisions of this Order shall apply to a duplicate resident's permit and an application therefor as if it were a resident's permit or, as the case may be, an application therefor.

Restriction on the removal of resident's permits

38. Where a resident's permit has been displayed on a vehicle in accordance with the provisions of Article 32, no person, not being the driver of the vehicle shall remove the resident's permit unless authorised to do so by the driver of the vehicle.

Provided that nothing herein shall apply to a civil enforcement officer or police constable in uniform or a person removing the vehicle in pursuance of an arrangement made by the police constable or the civil enforcement officer by or under regulations in pursuance of powers contained in sections 99, 100, 101 and 102 of the Road Traffic Regulation Act 1984.

Form of resident's permits

39. Where a resident's permit has been issued as a printed document it shall include the following particulars:

(a) the registration mark of the vehicle in respect of which the resident's permit has been issued unless at the discretion of the Council the permit has been issued as an open permit;

(b) the period during which, subject to the provisions of Article 36(4), the resident's permit shall remain valid and the date on which the resident's permit shall expire;

(c) an indication that the resident's permit has been issued by the Council; and

(d) an indication of the controlled parking zone or zones within which the use of the resident's permit is valid and the parking zone in which the resident resides if this is different; and

(e) an indication that the charge for the issue of the resident's permit has been paid to the Council.

Section 4 - Business Permits

Business permits to be displayed on or indications by hand-held device in respect of vehicles left in parking places

40. Subject to Articles 14(5)(a), 25, 32, 48, 56 or 64, all times during which a vehicle (other than a vehicle otherwise exempted by this Order) is left in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours in accordance with the provisions of Article 14(2)(c), either: the driver thereof shall cause to be displayed on the front or near side of the vehicle a valid business permit as issued in respect of that vehicle, so that all the particulars referred to in Article 47 are readily visible from the front or near side of the vehicle, or in respect of which vehicle there is an indication via hand-held device that a valid business permit has been granted in respect of that vehicle.

Application for and issue or grant of business permits

41. (1) Any entitled business user who is the owner of an operational vehicle of the class specified in Article 14(1) may apply to the Council for the issue or grant of a business permit relating to the controlled parking zone within which their business premises are situated in respect of no more than two such vehicles and any such application shall be made on a form issued by and obtainable from or made available online by the Council and shall include the particulars and information required by such form to be supplied.

(2) The Council may at any time require an applicant for a business permit or a business permit holder to produce to an officer of the Council such evidence in respect of an application for a business permit made to them as they may reasonably call for to verify any particulars or information given to them or in respect of any business permit issued by them as they may reasonably call for to verify that the business permit is valid.

(3) Upon receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the relevant charge specified in Schedule 42, the Council, upon being satisfied that the applicant is an entitled business user and is the owner of a vehicle or vehicles of the class referred to in paragraph (1) of this Article, shall issue or grant to the applicant therefor one business permit for the leaving of the vehicle or either of the vehicles to which such business permit relates (but not both of them at the same time) by the owner of such vehicle or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours.

Limit on the number of business permits to be issued or granted to a business

42. The Council shall not issue or grant a business permit to any business during the period of validity of any business permit previously issued or granted in respect of the business, subject to the provisions of Article 44.

No refund of charge paid in respect of business permits

43. A business permit holder who surrenders a business permit to the Council whether before or after it becomes valid will not be entitled to a refund of any charge paid unless the Council in its discretion considers that there are exceptional circumstances to justify refunding the charge in full or in part.

Surrender, withdrawal and validity of business permits

44. (1) A business permit holder may surrender a business permit to the Council at any time and shall surrender a business permit to the Council on the occurrence of any one of the events set out in paragraph (3) of this Article or in accordance with the provisions of paragraph (5) of this Article.

(2) The Council may, by notice in writing served on the business permit holder by sending the same to the business permit holder at the address shown by that person on the application for the business permit or at any other address believed to be that person's place of business, withdraw a business permit if it appears to the Council that any of the events set out in paragraph (3)(a), (b), (d) or (e) of this Article has occurred and the business permit holder shall surrender the permit to the Council or authorised agent within 48 hours of the receipt of the aforementioned notice.

(3) The events referred to in the foregoing provisions of this Article are -

(a) the business permit holder ceasing to be an entitled business user within the controlled parking zone in respect of which the business permit was issued or granted;

(b) the business permit holder ceasing to be the owner of the vehicle or vehicles in respect of which the business permit was issued or granted;

(c) the withdrawal of such business permit by the Council under the provision of paragraph (2) of this Article;

(d) the vehicle or vehicles in respect of which such business permit was issued or granted being adapted or used in such a manner that it is not a vehicle of the class specified in Article 14(1);

(e) the issue or grant of a duplicate business permit by the Council under the provisions of paragraph Article 45.

(4) Without prejudice to the foregoing provisions of this Article, a business permit shall cease to be valid at the expiration of the period specified thereon, or on the occurrence of any one of the events set out in paragraph (3) (a), (b), (c), (d) or (e) of this Article whichever is the earlier.

(5) Where a business permit is issued or granted to any person upon receipt of a cheque or credit card and the payment is subsequently dishonoured, the business permit shall cease to be of any effect and the Council shall by notice in writing served on the person to whom such business permit was issued or granted by sending the same to the business permit holder at the address shown by that person on the application for the business permit or at any other address believed to be that person's place of abode, require that person to surrender the business permit to the Council within 48 hours of the receipt of the aforementioned notice.

Application for and issue or grant of duplicate business permits

45. (1) If a business permit is mutilated or accidentally defaced or the figure or particulars thereon have become illegible or the colour of the business permit has become altered by fading or otherwise, the business permit holder shall either surrender it to the Council and apply to the Council for the issue to them of a duplicate business permit and the Council, upon receipt of the business permit, shall issue or grant a duplicate business permit, so marked where issued as a printed document, and upon such issue or grant the business permit shall become invalid.

(2) If a business permit is lost or destroyed, the business permit holder may apply to the Council for the issue or grant to them of a duplicate business permit and the Council, upon being satisfied as to such loss or destruction, shall issue or grant a duplicate business permit, so marked where issued as a printed document, and upon such issue or grant the original business permit shall become invalid.

(3) The provisions of this Order shall apply to a duplicate business permit and an application therefor as if it were a business permit or, as the case may be, an application therefor.

Restriction on the removal of business permits

46. Where a business permit has been displayed on a vehicle in accordance with the provisions of Article 40, no person, not being the driver of the vehicle shall remove the business permit unless authorised to do so by the driver of the vehicle:

Provided that nothing herein shall apply to a civil enforcement officer or police constable in uniform or a person removing the vehicle in pursuance of an arrangement made by a police constable or a civil enforcement officer by or under regulations in pursuance of powers contained in sections 99, 100, 101 and 102 of the Road Traffic Regulation Act 1984.

Form of business permits

47. Where a business permit has been issued as a printed document it shall include the following particulars:

(a) the registration mark of the vehicle or vehicles in respect of which the business permit has been issued;

(b) the period during which, subject to the provisions of Article 44(4), the business permit shall remain valid and the date on which the business permit shall expire;

(c) an indication that the business permit has been issued by the Council;

(d) an indication of the parking zone within which the business permit is valid; and

(e) an indication that the charge for the issue of the business permit has been paid to the Council.

Section 5 - Resident's Visitor's Permits

Resident's visitor's permits to be displayed on or indications by hand-held device in respect of vehicles left in parking places

48. (1) Subject to Articles 14(5)(a), 25, 32, 40, 56 or 64, at all times during which a vehicle (other than a vehicle otherwise exempted by this Order) is left in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours in accordance with the provisions of Article 14(2)(b), either:

(a) the driver thereof shall cause to be displayed -

(i) in the case of a vehicle fitted with a front windscreen, a valid resident's visitor's permit so that the obverse face is directed outwards from immediately behind the window adjacent to the windscreen and nearest to the edge of the carriageway so that all the particulars referred to in paragraph (2) are readily visible from the front or near side of the vehicle; or

(ii) in the case of a vehicle not fitted with a front windscreen, a valid resident's visitor's permit so that the obverse face is directed outwards on the front or on the side nearest to the edge of the carriageway so that all the particulars referred to in paragraph (2) are readily visible from the front or near side of the vehicle; or

(b) in respect of which vehicle there is an indication via hand-held device that a valid resident's visitor's permit has been granted in respect of that vehicle.

(2) Where issued as a printed document, a valid resident's visitor's permit shall indicate on the obverse face, in accordance with the instructions on the reverse face -

(a) the registration mark of the vehicle in respect of which the resident's visitor's permit is being used;

(b) the time, the date in the month and the year in which the vehicle was first left in a parking place referred to in either Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28;

(c) an indication of the controlled parking zone within which the resident's visitor's permit is valid; and

(d) the date on which, subject to the provisions of Article 53, the resident's visitor's permit expires.

Application for and issue or grant of resident's visitor's permits

49. (1) Any resident may apply to the Council for the issue or grant of a resident's visitor's permit for a vehicle of the class specified in Article 14(1) and any such application shall be made on a form issued by and obtainable from or made available online by the Council and shall include particulars and information required by such form to be supplied.

(2) The Council may at any time require an applicant for a resident's visitor's permit or a resident's visitor's permit holder to produce to an officer of the Council or authorised agent such evidence in respect of an application for a resident's visitor's permit made to them as they may reasonably call for to verify any particulars or information given to them or in respect of any resident's visitor's permit issued or granted by them as they may reasonably call for to verify that the resident's visitor's permit is valid.

(3) Upon receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the relevant charge specified in Schedule 42 (including a postage handling fee, where the resident's visitor's permit are to be issued as a printed document) the Council upon being satisfied that the applicant is a resident and is the owner of a vehicle of the class referred to in paragraph (1) of this Article, shall issue or grant to the applicant therefor a resident's visitor's permit for the leaving of the vehicle to which such resident's visitor's permit relates by the owner of such vehicle or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours. Upon receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the relevant charge referred to in Schedule 39, the Council upon being satisfied that the applicant is a resident, shall issue or grant to the applicant therefor a resident's visitor's permit, of a type specified in either Article 50 or 51, for the leaving of a vehicle of the class specified in Article 14(1) in a parking place referred to in either Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28, during the permitted hours.

Short stay resident's visitor's permits

50. A short stay resident's visitor's permit shall authorise parking in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours for up to either: one hour at a time, or five hours at a time, as the case may be, the appropriate charge being specified in column 2 of Schedule 42:

Provided that the Council shall not during a period of any one year from the date of issue of a short stay resident's visitor's permit, issue or grant another such permit to a resident in any household in respect of which other short stay resident's visitor's permits have been issued or granted and which have not been surrendered or withdrawn under Article 53(2) or (3) and in respect of which the cumulative duration specified in relation to that type of resident's visitor's permit and in relation to the CPZ in which the permit is to be valid, remains in respect of those permits during that period.

Long stay resident's visitor's permits

51. A long stay resident's visitor's permit shall authorise parking in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28

during the permitted hours for up to a maximum of 7 days from the time and date indicated on the permit or via hand-held device, the appropriate charge being specified in column 2 of Schedule 39:

Provided that the Council shall not during a period of any one year issue or grant a long stay resident's visitor permit to a resident in any household in respect of which four other long stay resident's visitor's permits, or eight in the case of a resident being 60 years of age or over, have been issued or granted and which have not been surrendered or withdrawn under Article 53(2) or (3).

No refund of charge paid in respect of resident's visitor's permits

52. A resident or resident's visitor's permit holder who surrenders a resident's visitor's permit to the Council whether before or after it becomes valid will not be entitled to a refund of any charge paid unless the Council in its discretion considers that there are exceptional circumstances to justify refunding the charge in full or in part.Surrender, withdrawal and validity of resident's visitor's permits

53. (1) A resident's visitor's permit shall be valid for use as specified in Article 49 and Articles 50 or 51.

(2) A resident may surrender a resident's visitor's permit to the Council at any time and shall surrender it on the occurrence of the resident ceasing to be a resident in the controlled parking zone in respect of which the resident's visitor's permit was issued.

(3) The Council may, by notice in writing served on the resident by sending the same to the resident at the address shown by that person on the application for the resident's visitor's permit or at any other address believed to be that person's place of abode, withdraw a resident's visitor's permit if it appears to the Council that the resident has ceased to be a resident and the resident shall surrender the permit to the Council within 48 hours of the receipt of the aforementioned notice.

Restrictions on removal of resident's visitor's permits

54. Where a resident's visitor's permit has been displayed in accordance with the provisions of Article 48, no person, not being the driver of the vehicle shall remove the resident's visitor's permit unless authorised to do so by the driver of the vehicle:

Provided that nothing herein shall apply to a civil enforcement officer or police constable in uniform or a person removing the vehicle in pursuance of an arrangement made by a police constable or a civil enforcement officer by or under regulations in pursuance of powers contained in sections 99, 100, 101 and 102 of the Road Traffic Regulation Act 1984.

Form of resident's visitor's permits

55. Where a resident's visitor's permit has been issued as a printed document, it shall include the particulars referred to in Article 48(2).

Section 6 - Special Permits

Special parking permits to be displayed on or indications by hand-held device in respect of vehicles left in parking places

56. Subject to Articles 14(5)(a), 25, 32, 40, 48 or 64, at all times during which a vehicle (other than a vehicle otherwise exempted by this Order) is left in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours in accordance with the provisions of Article 14(2)(d), either: the driver thereof shall cause to be displayed on the front or near side of the vehicle a valid special parking permit issued in respect of that vehicle, so that all the particulars referred to in Article 63 are readily visible from the front or rear side of the vehicle, or in respect of which vehicle there is an indication via hand-held device that a valid special parking permit has been granted in respect of that vehicle.

Application for and issue or grant of special parking permits

57. (1) Any person (including any person acting on behalf of a resident) may apply to the Council for the issue or grant of a special parking permit in respect of a vehicle of the class specified in Article 14(1), any such application identifying the intended user of the vehicle. The decision to issue or grant a special parking permit is at the discretion of the Council. Without prejudice to the generality of the Council's discretion the following circumstances may be considered relevant to an application:

(a) the exceptional medical needs of the person in respect of which the permit is to be issued or granted;

(b) the exceptional social needs of the person in respect of which the permit is to be issued or granted; or

(c) any exceptional difficulty experienced by a carer for any resident, such carer being the person in respect of which the permit is to be issued or granted.

(2) The Council may at any time require an applicant for a special parking permit or a special parking permit holder to produce to an officer of the Council or authorised agent such evidence in respect of an application for a special parking permit made to them as they may reasonably call for to verify any particulars or information given to them or in respect of any special parking permit issued by them as they may reasonably call for to verify that the special parking permit is valid.

Terms and effect of special parking permits

58. (1) A special parking permit shall be issued or granted subject to such terms and conditions as the Council shall think fit.

(2) A special parking permit shall authorise the user of the vehicle identified by the applicant to leave the vehicle specified therein:

(a) in any parking place, or part thereof; permit parking area, or part thereof, and

(b) on any day or days, during any period and at any time during the permitted hours, and

(c) subject to such conditions or limitations as shall be indicated on the permit or via hand-held device.

(3) A special parking permit shall be valid for such a period as the Council shall think fit but in any event no longer than a period of twelve months from the date the permit first becomes valid.

(4) The Council, at its discretion, may issue or grant any special parking permit free of charge or at a level set as appears to be reasonable in the circumstances of each application. Where a charge is applicable, it shall be as set out in Schedule 42.

No refund of charge paid in respect of special parking permits

59. A special parking permit holder who surrenders a special permit to the Council for which a charge was paid, whether before or after it becomes valid, will not be entitled to a refund of any charge paid unless the Council in its discretion considers that there are exceptional circumstances to justify refunding the charge in full or part.

Withdrawal and validity of special parking permits

60. (1) The Council may, by notice in writing served on the special parking permit holder by sending the same to the special parking permit holder at the address shown by that person on the application for the special person's place of abode, withdraw a special parking permit if it appears to the Council that there are sufficient reasons to justify withdrawal of the special parking permit having regard to the circumstances of the permit holder, so far as they may be known, and the permit holder shall surrender the permit to the Council within 48 hours of receipt of the aforementioned notice.

(2) Without prejudice to the foregoing provisions of this Article, a special parking permit shall cease to be valid at the expiration of the period specified thereon, or on the occurrence of the events set out in paragraph (1) of this Article, whichever is the earlier.

(3) Where a special parking permit is issued or granted to any person upon receipt of a cheque or credit card and the payment is subsequently dishonoured, the special parking permit shall cease to be of any effect and the Council shall notice in writing served on the person to whom such permit was issued or granted by sending the same to the permit holder at the address shown by that person on the application for the special parking permit or at any other address believed to be that person's place of abode, require that person to surrender the special parking permit to the Council within 48 hours of the receipt of the aforementioned notice.

Application for and issue or grant of duplicate special parking permits

61. (1) If a special parking permit is mutilated or accidentally defaced or the figures or particulars thereon have become illegible or the colour of the special parking permit has become altered by fading or otherwise, the special parking permit holder shall surrender it to the Council and apply to the Council for the issue or grant to them of a duplicate special parking permit and the Council, upon receipt of the special parking permit, shall issue or grant a duplicate special parking permit, so marked where issued as a printed document, and upon such issue or grant the original special parking permit shall become invalid.

(2) If a special parking permit is lost or destroyed, the special parking permit holder may apply to the Council or authorised agent for the issue or grant to them of a duplicate special parking permit and the Council upon being satisfied as to such loss or destruction, shall issue or grant a duplicate special parking permit, so marked, and upon such issue or grant the original special parking permit shall become invalid.

(3) The provisions of this Order shall apply to a duplicate special parking permit and an application therefor as if it were a special parking permit or, as the case may be, an application therefor.

Restriction on the removal of special parking permits

62. Where a special parking permit has been displayed on a vehicle in accordance with the provisions of Article 56, no person, not being the driver of the vehicle, shall remove the special parking permit unless authorised to do so by the driver of the vehicle:

Provided that nothing herein shall apply to a civil enforcement officer or police constable in uniform or a person removing the vehicle in pursuance of an arrangement made by a police constable or a civil enforcement officer by or under regulations in pursuance of powers contained in sections 99, 100, 101 and 102 of the Road Traffic Regulation Act 1984.

Form of special parking permits

63. Where issued as a printed document a special parking permit shall be in writing and shall include the following particulars:

(a) the registration mark of the vehicle in respect of which the special parking permit is being issued;

(b) the period during which, subject to the provisions of Article 60, the special parking permit shall remain valid;

(c) an indication that the special parking permit has been issued by the Council; and

(d) an indication of the parking zone within which the special parking permit is valid.

Section 7 – Doctor/Health Visitor (DHV) Permits

Doctor/health visitor permits: indications by hand-held device in respect of vehicles left in parking places

64. Subject to Articles 14(5)(a), 25, 32, 40, 48 or 56, all times during which a vehicle (other than a vehicle otherwise exempted by this Order) is left in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours in accordance with the provisions of Article 14(2)(c) in respect of which vehicle there shall be an indication via hand-held device that a valid doctor/health visitor permit has been granted in respect of that vehicle.

Application for and grant of doctor/health visitor permits

65. (1) Any entitled doctor or health visitor who uses a vehicle of the class specified in Article 14(1) for the purpose of making home visits to patients or clients within a controlled parking zone may apply to the Council for the grant of a doctor/health visitor permit relating to the controlled parking zone within which their patients or clients are situated in respect of no more than one such vehicle and any such application shall be made on a form issued by and obtainable from or made available online by the Council and shall include the particulars and information required by such form to be supplied.

(2) The Council may at any time require an applicant for a doctor/health visitor permit or a doctor/health visitor permit holder to produce to an officer of the Council such evidence in respect of an application for a doctor/health visitor permit made to them as they may reasonably call for to verify any particulars or information given to them or in respect of any doctor/health visitor permit issued by them as they may reasonably call for to verify that the doctor/health visitor permit is valid.

(3) Upon receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the relevant charge specified in Schedule 42, the Council, upon being satisfied that the applicant is an entitled doctor or health visitor and is the user of a vehicle of the class referred to in paragraph (1) of this Article, shall grant to the applicant therefor one doctor or health visitor permit for the leaving of the vehicle to which such doctor or health visitor permit relates by the registered user of such vehicle or by any person using such vehicle with the consent of the registered user other than a person to whom such vehicle has been let for hire or reward in a parking place referred to in Schedule 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 29, 30, 31, 32, 33, 34 or 35 or a parking permit area referred to in Schedule 23, 24, 25, 26, 27 or 28 during the permitted hours.

Limit on the number of doctor/health visitor permits to be granted

66. The Council shall not grant a doctor/health visitor permit to any doctor or health visitor during the period of validity of any doctor/health visitor permit previously granted in respect of the doctor or health visitor.

No refund of charge paid in respect of doctor/health visitor business permits

67. A doctor/health visitor permit holder who surrenders a doctor/health visitor permit to the Council whether before or after it becomes valid will not be entitled to a refund of any charge paid unless the Council in its discretion considers that there are exceptional circumstances to justify refunding the charge in full or in part.

Surrender, withdrawal and validity of doctor/health visitor permits

68. (1) A business permit holder may surrender a doctor/health visitor permit to the Council at any time and shall surrender a doctor/health visitor permit to the Council on the occurrence of any one of the events set out in paragraph (3) of this Article or in accordance with the provisions of paragraph (5) of this Article.

(2) The Council may, by notice in writing served on the doctor/health visitor permit holder by sending the same to the doctor/health visitor permit holder at the address shown by that person on the application for the doctor/health visitor permit, withdraw a business permit if it appears to the Council that any of the events set out in paragraph (3)(a), (b), (d) or (e) of this Article has occurred and the doctor/health visitor permit holder shall surrender the permit to the Council or authorised agent within 48 hours of the receipt of the aforementioned notice.

(3) The events referred to in the foregoing provisions of this Article are -

(a) the doctor/health visitor permit holder ceasing to be an entitled doctor or health visitor making home visits within the controlled parking zone in respect of which the doctor/health visitor permit was granted;

(b) the doctor/health visitor permit holder ceasing to be the user of the vehicle in respect of which the doctor/health visitor permit was granted;

(c) the withdrawal of such doctor/health visitor permit by the Council under the provision of paragraph (2) of this Article;

(d) the vehicle in respect of which such doctor/health visitor permit was granted being adapted or used in such a manner that it is not a vehicle of the class specified in Article 14(1).

(4) Without prejudice to the foregoing provisions of this Article, a doctor/health visitor permit shall cease to be valid at the expiration of the period specified thereon, or on the occurrence of any one of the events set out in paragraph (3) (a), (b), (c) or (d) of this Article whichever is the earlier.

(5) Where a doctor/health visitor permit is issued or granted to any person upon receipt of a cheque or credit card and the payment is subsequently dishonoured, the doctor/health visitor permit shall cease to be of any effect and the Council shall by notice in writing served on the person to whom such doctor/health visitor permit was granted by sending the same to the doctor/health visitor permit holder at the address shown by that person on the application for the doctor/health visitor permit, require that person to surrender the doctor/health visitor permit to the Council within 48 hours of the receipt of the aforementioned notice.
