(2) Except as provided by Article 6, no person shall cause or permit any vehicle, other than a taxi, to stop or remain at rest during the prescribed hours in any length of road specified in Schedule 9.

Clearways - stopping restrictions

5. Except as provided by Article 6, no person shall cause or permit any vehicle to stop or remain at rest during the prescribed hours on any road or length of road specified in Schedule 10.

Exemptions from the waiting, loading and stopping restrictions

6. (1) Nothing in Article 3(1) or 3(3) shall apply in relation to:-

(a) any vehicle displaying in the relevant position a disabled person's badge and a parking disc, issued by any local authority, provided that:-

(i) the provisions of Article 3(2) do not apply in the length of the restricted street where the vehicle is waiting, at the time the vehicle is waiting;

(ii) the vehicle does not wait in the restricted street for a period of more than 3 hours;

(iii) the driver, or other person in charge of the vehicle, marks on the parking disc the quarter hour period during which the period of exempted waiting began; and

(iv) the period of exempted waiting does not begin less than 1 hour after a previous period of exempted waiting by the same vehicle in the same road on the same day;

(b) any local bus waiting at an authorised stopping place or at a terminal or turning point;

(c) any hackney carriage while waiting upon a duly authorised taxi rank; or

(d) any vehicle waiting while it is in actual use in connection with the removal of furniture to or from an office, dwelling-house or depository.

(2) Nothing in Article 3(1), 3(3) or 4 shall apply in relation to:-

(a) any vehicle waiting for as long as may be necessary to enable any person to board or alight from it or to load items of personal luggage upon it or unload them from it;

(b) any vehicle being used in the service of a local authority;

(c) any vehicle waiting for as long as may be necessary to enable a postal service provider to deliver or collect postal packets and to load those postal packets upon the vehicle or to unload them from it;

(d) any vehicle being used by a business in connection with any building, industrial or demolition operation in the road concerned;

(e) any vehicle being used in connection with the maintenance, improvement, reconstruction, cleansing or lighting of the road concerned, or the laying, erection, alteration or repair of any sewer, main, pipe or apparatus for the supply of gas, water or electricity or of any electronic communications network, or the placing, maintenance or removal of any traffic sign;

(f) any vehicle being used in connection with the removal of any obstruction to traffic or in connection with the enforcement of this Order; or

(g) any vehicle waiting while any gate or other barrier at the entrance to premises to which the vehicle requires access or from which it has emerged is being opened or closed.

(3) Nothing in Article 3, 4 or 5 shall apply in relation to:-

(a) anything being done at the direction of, or with the permission of, a police constable in uniform;

(b) any vehicle being used for fire brigade, ambulance or police purposes;

(c) any vehicle waiting or stopping where it is required to do so by law or in order to avoid an accident or where the vehicle is prevented from proceeding by circumstances beyond the driver's control; or

(d) any vehicle waiting or stopping in accordance with the written consent of the Council, and any conditions or requirements imposed by the Council are being complied with.

PART 3 – PERMIT HOLDERS', PAY AND DISPLAY AND SHARED-USE PARKING PLACES

Designation of parking places

7. Each area on a highway comprising the length of carriageway of a road specified in columns 2, 3 and 4 of Schedule 12, 13, 14, 15 or 16 and, unless otherwise so specified, bounded on one side of that length by the edge of the carriageway and indicated as a parking place in accordance with the Traffic Signs Regulations and General Directions 2016, is hereby designated as a parking place.

Shared-use permit holders' and time-limited parking places

8. (1) Except as provided by Article 23, each parking place specified in columns 2, 3 and 4 of Schedule 12 may only be used, subject to the provisions of this Order, for the leaving during the restricted hours of either –

(a) vehicles that display a valid permit in accordance with the provisions of paragraph (2) of this Article; or

(b) vehicles, other than buses and heavy goods vehicles, that do not display such a permit and are left in the parking place in accordance with the time limit and "no return" period specified in Article 12.

(2) Throughout the entire period of time that a vehicle is left in a parking place specified in Schedule 12 during the restricted hours in pursuance of sub-paragraph (1)(a) of this Article, the vehicle shall display a valid permit issued in respect of that vehicle (together with a parking clock in the case where that permit is a special business permit, a carer's permit or an essential user's permit), so that all the particulars on that permit, and on that parking clock as the case may be, are clearly visible from outside the vehicle and from the front or side of the vehicle.

Parking places for permit holder's only

9. (1) Except as provided by Article 23, each parking place specified in Schedule 13 or 14 may only be used, subject to the provisions of this Order, for the leaving during the restricted hours of vehicles that display a valid permit in accordance with the provisions of paragraph (2) of this Article.

(2) Throughout the time that a vehicle is left in a parking place specified in Schedule 13 or 14 during the restricted hours, the vehicle shall display a valid permit issued in respect of that vehicle (together with a parking clock in the case where that permit is a special business permit, a carer's permit or an essential user's permit), so that all the particulars on that permit, and on that parking clock as the case may be, are clearly visible from outside the vehicle and from the front or side of that vehicle.

Pay and display parking places

10. (1) Except as provided by Article 23, each parking place specified in Schedule 15 may only be used, subject to the provisions of this Order, for the leaving during the restricted hours of vehicles other than buses and heavy goods vehicles, that display a valid ticket in accordance with the provisions of paragraph (2) of this Article and comply with any time limit or "no return" period referred to in Article 12.

(2) Throughout the time that a vehicle is left in a parking place specified in Schedule 15 during the restricted hours, the vehicle shall display a valid ticket issued in respect of that vehicle, so that all the particulars on that ticket are clearly visible from outside the vehicle and from the front or side of the vehicle.

Shared-use pay and display and permit holders' parking places

11. (1) Except as provided by Article 23, each parking place specified in Schedule 16 may only be used, subject to the provisions of this Order, for the leaving during the restricted hours of:-

(a) vehicles that display a valid permit in accordance with the provisions of paragraph (2) of this Article; or

(b) vehicles, other than buses and heavy goods vehicles, that display a valid ticket in accordance with the provisions of paragraph (2) of this Article and comply with the time limit and "no return" period referred to in Article 12.

(2) Throughout the time that a vehicle is left in a parking place specified in Schedule 16 during the restricted hours, the vehicle shall display either a valid permit or a valid ticket, issued in respect of that vehicle, so that all the particulars on that permit or on that ticket as the case may be are clearly visible from outside the vehicle and from the front or side of the vehicle.

Time limits and "no return" periods

12. (1) Except as provided by Article 23, no vehicle shall be left in a parking place specified in columns 2, 3 and 4 of Schedule 15 or 17 during the restricted hours for longer than the time limit (if any) specified in column 5 of that Schedule in relation to that parking place.

(2) Except as provided by Article 23, no vehicle shall be left in a parking place specified in columns 2, 3 and 4 of Schedule 12 or 16 during the restricted hours for longer than the time limit (if any) specified in column 5 of that Schedule in relation to that parking place, unless that vehicle is displaying a valid permit.

(3) Where a vehicle has been taken away from a parking place specified in columns 2, 3 and 4 of Schedule 12, 15 or 16 during the restricted hours, it shall not be returned to that parking place during the restricted hours until the "no return" period (if any) specified in column 5 of that Schedule in relation to that parking place has expired, such period having started at the time the vehicle was taken away from the parking place.

Payment of the parking charge, display and validity of tickets

13. (1) Except as provided in paragraph (3) of this Article, the parking charge for a vehicle left in a parking place specified in Schedule 15 or 16 during the restricted hours shall be as set out in Schedule 21.

(2) Except as provided in paragraph (3) of this Article, the parking charge shall be payable on the leaving of a vehicle in a parking place specified in Schedule 15 or 16 during the restricted hours by the insertion in the ticket machine relating to that parking place of the appropriate coins or bank notes or combination of coins or bank notes accepted by that ticket machine, together making up the amount of the parking charge for the parking period for which payment is being made, and by following the instructions for payment of the parking charge as indicated on that ticket machine.

(3) A vehicle which displays in accordance with Article 11(2) a valid permit issued in respect of that vehicle may be left in a parking place specified in Schedule 16 without time limit and without payment of the parking charge, provided the use of that parking place has not been suspended.

(4) Upon payment of the parking charge in the manner specified in paragraph (2) of this Article, the driver shall display or cause to be displayed on the vehicle the ticket issued by the ticket machine following payment of the parking charge, so that all the particulars on that side of the ticket which bears the indication that the parking charge has been paid and the date and expiry of the parking period, are clearly visible from outside the vehicle and from the front or side of the vehicle.

(5) A ticket displayed on a vehicle left in a parking place specified in Schedule 15 or 16 shall only be valid if:-

(a) that ticket has been obtained from a ticket machine relating to that parking place, following payment of the parking charge in accordance with paragraph (2) of this Article;

(b) that ticket bears upon it an indication of the parking charge paid and the expiry time of the parking period in respect of which that charge was paid and it is displayed in such a manner that those particulars are clearly visible from outside the vehicle and from the front or nearside of the vehicle throughout the time during which the vehicle is left in the parking place;

(c) the expiry time shown upon that ticket has not already passed; and

(d) no ticket is displayed upon the vehicle other than the one purchased at the time the vehicle was initially left in that parking place.

(6) If any vehicle is left in a parking place specified in Schedule 15 or 16 during the restricted hours without displaying a ticket, it shall be presumed that the parking charge specified in paragraph (1) of this Article has not been duly paid in respect of that vehicle.

(7) If any ticket displayed upon a vehicle shows a day or date other than a day or date on which the vehicle has been left in a parking place or an expiry time earlier than the time shown on the machine by which that ticket was issued, it shall be presumed that the parking charge has been duly paid in respect of that vehicle and that the expiry time shown upon the ticket has elapsed.

(8) If any ticket machine relating to a parking place bears a notice placed by the Council or a police constable indicating that every ticket machine relating to that parking place is out of order, that parking place shall be deemed to be suspended for the purpose of leaving vehicles displaying tickets.

(9) When a ticket is displayed on a vehicle during the restricted hours in accordance with paragraph (4) of this Article, no other ticket or tickets shall be displayed on that vehicle at the same time.

(10) Once a ticket has been displayed on a vehicle during the restricted hours in accordance with paragraph (4) of this Article, that ticket shall not be transferred to and displayed on another vehicle under any circumstance.

No payment of the parking charge to extend the initial parking period

14. When payment of the parking charge has been made at a ticket machine relating to a parking place in which a vehicle is left and a ticket displayed on that vehicle in accordance with Article 13(4), no additional coin or coins shall be inserted in that ticket machine, or in any other ticket machine, so that payment of a further parking charge is made to extend the parking period beyond that initially paid for.

Application for, issue and validity of parking permits

15. (1) Except as provided in paragraph (10) of this Article, any resident who is the keeper of a vehicle other than a bus or a heavy goods vehicle may apply to the Council for the issue of a resident's permit in respect of that vehicle. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified for a resident's permit in Schedule 22 to this Order, the Council, upon being satisfied that the applicant is a resident who qualifies for a resident's permit shall issue to the applicant one resident's permit for the leaving during the restricted hours in a parking place specified in Schedule 12, 13, 14 or 16 of the vehicle to which such permit relates, together with a protective cover for the permit.

(2) Except as provided in paragraph (10) of this Article and subject to paragraph (11) of this Article, any resident may apply to the Council for the issue of one annual visitor's permit in respect of vehicles other than buses or heavy goods vehicles. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified for an annual visitor's permit in Schedule 22 to this Order, the Council, upon being satisfied that the applicant is a resident who qualifies for an annual visitor's permit shall issue to the applicant one annual visitor's permit for the leaving in a parking place specified in Schedule 12, 13, 14 or 16 of any vehicle other than a bus or heavy goods vehicle, together with a protective cover for the permit.

(3) Except as provided in paragraph (10) of this Article and subject to paragraph (12) of this Article, any resident may apply to the Council for the issue of five or more daily visitor's permits in respect of vehicles other than buses or heavy goods vehicles. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified for a daily visitor's permit in Schedule 22 to this Order for each permit applied for, the Council, upon being satisfied that the applicant is a resident who qualifies for daily visitor's permits shall issue to the applicant five or more daily visitor's permits for the leaving during the restricted hours in a parking place specified in Schedule 12, 13, 14 or 16 of any vehicle other than a bus or heavy goods vehicle.

(4) Except as provided in paragraph (10) of this Article, any business user who uses a vehicle other than a bus or heavy goods vehicle may apply to the Council for the issue of a business permit in respect of that vehicle. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified for a business permit in Schedule 22 to this Order, the Council, upon being satisfied that the applicant is a business user who qualifies for a business permit shall issue to the applicant one business permit for the leaving in a parking place referred to in Schedule 12, 13, 14 or 16 of the vehicle to which such permit relates, together with a protective cover for the permit.

(5) Except as provided in paragraph (10) of this Article, any special business user who uses a vehicle other than a bus or heavy goods vehicle may apply to the Council for the issue of a special business permit in respect of that vehicle. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified for a special business permit in Schedule 22 to this Order, the Council, upon being satisfied that the applicant is a special business user who qualifies for a special business permit shall issue to the applicant one special business permit for the leaving in a parking place specified in Schedule 12, 13, 14 or 16 of the vehicle to which such permit relates, together with a parking clock and a protective cover for the permit.

(6) Except as provided in paragraph (10) of this Article, any carer who uses a vehicle other than a bus or heavy goods vehicle may apply to the Council for the issue of a carer's permit in respect of that vehicle. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified for a carer's permit in Schedule 22 to this Order, the Council, upon being satisfied that the applicant is a carer who qualifies for a carer's permit shall issue to the applicant one carer's permit for the leaving in a parking place specified in Schedule 12, 13, 14 or 16 of the vehicle to which such permit relates, together with a parking clock and a protective cover for the permit.

(7) Except as provided in paragraph (10) of this Article, any essential user who uses a vehicle other than a bus or heavy goods vehicle may apply to the Council for the issue of an essential user's permit in respect of that vehicle. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified for an essential user's permit in Schedule 22 to this Order, the Council, upon being satisfied that the applicant is an essential user who qualifies for an essential user's permit shall issue to the applicant one essential user's permit for the leaving in a parking place specified in Schedule 12, 13, 14 or 16 of the vehicle to which such permit relates together with a parking clock and a protective cover for the permit.

(8) Except as provided in paragraph (10) of this Article, any member of Medway Council staff who uses a vehicle other than a bus or heavy goods vehicle may apply to the Council for the issue of a special staff permit in respect of that vehicle. Upon receipt of an application duly made under the provisions of this paragraph, together with the charge specified in relation to a special staff permit in Schedule 22 of this Order, the Council, upon being satisfied that the applicant is a member of Medway Council staff who qualifies for a special permit shall issue to the applicant one special staff permit for the leaving in any parking place specified in Schedule 12, 13, 14 or 16 of the vehicle in respect of which that permit has been issued together with a protective cover for the permit.

(9) Any application for a permit referred to in this Article shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.

(10) No permit shall be issued to any person who is a resident of any property within a housing development that is subject to a section 106 obligation.

(11) Not more than one annual visitor's permit shall be issued to a household at any one time.

(12) Not more than twenty daily visitor's permits shall be issued to a household within any one calendar month.

(13) The Council may at any time require an applicant for a permit or the holder of such a permit to produce such evidence as it may reasonably require to verify any information given by the applicant or permit holder to verify that any permit issued is valid and in particular such information shall include evidence of the applicant's or permit holder's usual place of abode or business address, as appropriate and evidence that the applicant or permit holder is the keeper or user of the vehicle in respect of which the permit would be or has been issued, as the case may.

(14) Permits shall be in writing and shall include the following particulars:-

(a) an indication that the permit is either a resident's permit, an annual visitor's permit, a daily visitor's permit, a business user's permit, a visitor's permit, a special business user's permit, a carer's permit, an essential user's permit or a special staff permit;

(b) an indication of the parking zone within which the permit is valid;

(c) the period during which, subject to the provisions of this Order, the permit shall remain valid or, in the case of a daily visitors' permit, the date on which it is valid;

(d) an indication that the permit has been issued by the Council;

(e) except in the case of an annual visitor's permit or a special business user's permit, the registration mark of the vehicle in respect of which the permit has been issued and upon which it is displayed during the time that the vehicle is left in a parking place.

(15) Before a daily visitors' permit is displayed on the vehicle in respect of which it is to be used, the resident or visitor shall validate it by marking permanently upon it the single date on which it will be valid and the registration mark of the vehicle upon which it will be displayed.

(16) A permit displayed on a vehicle left in a parking place specified in Schedule 11, 12, 13, 14 or 16 shall only be valid if:-

(a) that permit bears the same letter or number or combination of letters or numbers as the traffic sign relating to the parking place in which the vehicle is left;

(b) that permit has not been withdrawn by the Council or altered or defaced;

(c) that permit is displayed on the front or side of that vehicle and in a protective cover so that all the particulars specified in paragraph (14) of this Article are clearly visible from outside the vehicle and from the front or side of the vehicle; and

(d) except in the case of an annual visitor's permit or a special business user's permit, that the registration mark of the vehicle displaying the permit is the same as the registration mark indicated on that permit;

(e) in the case where that permit is a special business permit, so that it is displayed together with a parking clock, the driver has marked on that parking clock the time at which the vehicle was left in the parking place and the time that has elapsed since the time indicated on that parking clock does not exceed 6 hours;

(f) in the case where that permit is a carer's permit or an essential user's permit, so that it is displayed together with a parking clock, the driver has marked on that parking clock the time at which the vehicle was left in the parking place and the time that has elapsed since the time indicated on that parking clock does not exceed 2 hours.

(17) If the Council is not satisfied with the supporting evidence produced at the time of an application for a permit, it may issue a temporary permit provided that the charge specified in Schedule 21 appropriate to the type of permit has been paid.

(18) Application for the transfer of a permit from one vehicle to another shall be made in the same manner as an application for the issue of a permit except that no charge shall be payable for such a transfer.

Withdrawal and surrender of permits

16. (1) The Council may withdraw a permit if it considers that any of the following events has occurred:-

(a) the permit holder is no longer the keeper of the vehicle in the case of a resident's permit, or the user of the vehicle in the case of any other permit;

(b) the permit has been obtained by fraud or misrepresentation;

(c) the permit has been issued by mistake;

(d) any payment of the specified charge by cheque or other means has not been duly completed;

(e) the Council has issued a duplicate permit under the provisions of Article 17; or

(f) the period of validity shown upon the permit has expired.

(2) The Council shall notify the permit holder of the withdrawal of any permit by sending a notice by recorded delivery to the address shown by that person on the application for the permit or to any other address believed to be that person's place of abode or business.

(3) The permit holder shall surrender the permit to the Council within 48 hours of the receipt of a notice issued in accordance with the provisions of paragraph (2) above.

(4) Any permit may be surrendered to the Council by the permit holder at any time.

(5) Any permit holder surrendering a resident's permit, a business permit or a special business permit may apply to the Council for the refund of a part of the charge for the permit, based on the number of complete calendar months remaining before the expiry of the permit, less one tenth of the original charge in respect of the Council's administrative costs.

Duplicate permits

17. (1) If a permit is damaged, lost, stolen or destroyed, the permit holder may apply to the Council for the issue of a duplicate permit and shall surrender any damaged permit:

Provided that nothing in this Article shall apply in relation to an annual visitor's permit or a daily visitor's permit that is damaged, lost or destroyed.

(2) Subject to the proviso to paragraph (1) above, the Council shall, upon receiving an application for a duplicate permit and being satisfied as to the nature and circumstances of the damage, loss, theft or destruction of the original permit, issue a duplicate permit, so marked.

(3) The provisions of this Order shall apply to a duplicate permit as if it were the original permit.

PART 4 – TIME LIMITED AND POLICE PARKING PLACES AND PARKING PLACES USED AS LOADING PLACES

Authorisation of parking places

18. Each area on a road comprising the length of carriageway of a road specified in columns 2, 3 and 4 of Schedule 17, 18, 19 or 20 and, unless otherwise so specified, bounded on one side of that length by the edge of the carriageway and indicated as a parking place in accordance with the Traffic Signs Regulations and General Directions 2016, is hereby authorised for use as a parking place and designated as a parking place.

Time-limited parking places

19. (1) Except as provided by Article 23, each parking place specified in columns 2, 3 and 4 of Schedule 17 or 18 may only be used during the restricted hours for the waiting of vehicles other than buses and heavy goods vehicles.

(3) No vehicle waiting in a parking place specified in Schedule 17 or 18 during the restricted hours shall remain in the parking place for longer than the time limit (if any) specified in column 5 of that Schedule in relation to that parking place.

(4) Where a vehicle has been taken away from a parking place specified in Schedule 17 or 18 during the restricted hours, it shall not be returned to that parking place during the restricted hours until the "no return" period (if any) specified in column 5 of that Schedule in relation to that parking place has expired, such time limit having started at the time the vehicle was taken away from the parking place.

Police parking places

20. Except as provided by Article 23, each parking place specified in columns 2, 3 and 4 of Schedule 19 may only be used during the restricted hours for the waiting of vehicles that are being used for police purposes.

Parking places which are used as loading places

21. (1) Each parking place specified in columns 2, 3 and 4 of Schedule 20 shall be used during the restricted hours as a loading place.

(2) Except as provided by Article 23, each parking place specified in columns 2, 3 and 4 of Schedule 20 may only be used during the restricted hours by vehicles waiting for the purpose of loading goods on to the vehicle or unloading them from it, including the delivering or collecting of those goods.

(3) Where a vehicle has been taken away from a parking place specified in Schedule 20 during the restricted hours, it shall not be returned to that parking place during the restricted hours until the "no return" period (if any) specified in column 5 of that Schedule in relation to that parking place has expired, such period having started at the time the vehicle was taken away from the parking place.

PART 5 – ADDITIONAL PROVISIONS RELATING TO PARKING PLACES

Use of the parking places described in Parts 2 and 3

22. (1) Throughout the time that a vehicle is left in a parking place specified in Schedule 12 to 20 inclusive during the restricted hours that vehicle shall be positioned:-

(a) in accordance with any special provisions as to the manner of standing specified for that parking place in those Schedules;

(b) if no such provisions are specified, so that the longitudinal axis of the vehicle is parallel to the edge of the carriageway nearest to the vehicle; and

(c) in all cases, in accordance with the provisions of this Order and so that every part of the vehicle is within the limits of the parking place.

(2) Except as provided by Article 23, during the restricted hours no person shall cause or permit any bus or heavy goods vehicle or any vehicle drawing a trailer to be left in a parking place.

(3) No person shall use a vehicle left in or waiting in a parking place during the restricted hours for or in connection with the selling or offering for sale of goods or services unless that person has obtained the prior written consent of the Council to do so.

Exemptions relating to the parking places described in Parts 2 and 3

23. (1) Nothing in Article 8, 9, 10, 11, 12 or 19 shall apply in relation to a vehicle displaying in the relevant position a disabled person's badge.

(2) Nothing in Article 8, 9, 10, 11, 19 or 20 shall apply in relation to any vehicle waiting for the purpose of delivering or collecting goods or loading or unloading that vehicle.

(3) Nothing in Article 8, 9, 10, 11, 19, 20, 21 or 22(2) shall apply in relation to:-

(a) any vehicle waiting for as long as may be necessary to enable any person to board or alight from it or to load items of personal luggage upon it or unload them from it;

(b) anything being done at the direction of, or with the permission of, a police constable in uniform;

(c) any vehicle being used for fire brigade, ambulance or police purposes;

(d) any vehicle being used in the service of a local authority;

(e) any vehicle waiting while it is in actual use in connection with the removal of furniture to or from an office, dwelling-house or depository;

(f) any vehicle waiting for as long as may be necessary to enable a postal service provider to deliver or collect postal packets and to load those postal packets upon the vehicle or to unload them from it;

(g) any vehicle being used by a business in connection with any building, industrial or demolition operation in the road concerned;

(h) any vehicle being used in connection with the maintenance, improvement, reconstruction, cleansing or lighting of the road concerned, or the laying, erection, alteration or repair of any sewer, main, pipe or apparatus for the supply of gas, water or electricity or of any electronic communications network, or the placing, maintenance or removal of any traffic sign;

(i) any vehicle being used in connection with the removal of any obstruction to traffic or in connection with the enforcement of this Order;

(j) any vehicle waiting where it is required to do so by law or in order to avoid an accident or where the vehicle is prevented from proceeding by circumstances beyond the driver's control; or

(k) any vehicle waiting in accordance with the written consent of the Council, and any conditions or requirements imposed by the Council are being complied with.

(3) None of the exemptions specified in paragraph (1), (2) or 3(d) to (i) inclusive of this Article shall apply if the parking place has been suspended in accordance with the provisions of Article 24(6).

Suspension of the use of parking places

24. (1) Any police officer above the rank of Chief Inspector may suspend the use of a parking place for a period not exceeding twenty-eight days whenever that officer considers such suspension necessary for maintaining the security of premises in the vicinity of that parking place.

(2) Any continuation beyond a period of 28 days of any action taken under the provisions of paragraph (1) above shall be subject to a review of the need for that action by the police officer who first authorised it and any such continuation shall be notified to the Council and shall not exceed a further period of twenty-eight days without similar review.

(3) The Council may suspend the use of a parking place whenever it considers such action reasonably necessary:-

(a) for the purpose of facilitating the movement of traffic or promoting its safety;

(b) on any occasion on which a street is likely to be thronged or obstructed by reason of some special attraction or occurrence;

(c) for the purpose of any building operation, demolition or excavation adjacent to the parking place, the maintenance, improvement or reconstruction of the highway or the cleansing of gullies in or adjacent to the parking place, the laying, erection alteration or repair in or adjacent to the parking place of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any electronic communications network or the placing, maintenance or removal of any traffic sign;

(d) for the convenience of occupiers of premises adjacent to the parking place on any occasion of the removal of furniture to or from one office or dwelling house adjacent to the parking place from or to a depository, or another office or dwelling-house; or

(e) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions.

(4) A police constable in uniform may suspend for not longer than seven days the use of a parking place whenever he considers such action reasonably necessary;

(a) for the purpose of facilitating the movement of traffic or promoting its safety;

(b) on any occasion on which a street is likely to be thronged or obstructed by reason of some special attraction or occurrence.

(5) Any person suspending the use of a parking place under the provisions of this Article shall place or cause to be placed in or adjacent to that parking place a traffic sign indicating that waiting by vehicles is prohibited.

(6) No vehicle shall wait (including waiting for the purpose of loading or unloading) in a parking place, or any part of a parking place, the use of which has been suspended in pursuance of this Article, at any time during which there is displayed in or adjacent to that parking place or that part thereof, as the case may be, a traffic sign indicating that such waiting by vehicles is prohibited in the parking place:

Provided that nothing in this paragraph shall apply:-

(a) in respect of any vehicle being used for ambulance, fire brigade or police purposes in an emergency; or

(b) to anything done with the permission of the Council or any person authorised by the Council to suspend the use of the parking place or part thereof in pursuance of paragraph (3) of this Article, or a police constable in uniform.

Restriction on the removal of permits and tickets

25. Where a permit or ticket has been displayed upon a vehicle in accordance with the provisions of this Order, that permit or ticket shall not be removed or interfered with except by or upon the authority of the driver of the vehicle, a police constable in uniform, a civil enforcement officer or any other person duly authorised by the Council.

Movement of a vehicle in a parking place in an emergency

26. A civil enforcement officer, a police constable in uniform or a traffic warden may move or cause to be moved, in case of emergency, to any place they think fit, any vehicle left in a parking place.

PART 6 - MISCELLANEOUS

Removal of vehicles

27. If a vehicle is left in any road or length of road to which this Order applies, including a parking place, without complying with the provisions of this Order, the vehicle may be removed or caused to be removed from that road or length of road as provided for by Regulations made under section 99 or 101 of the Road Traffic Regulation Act 1984.

Contraventions

28. If a vehicle is left in road or length of road, including a parking place, without complying with the provisions of this Order, then a contravention of this Order and a parking contravention within Part 1 of Schedule 7 to the Traffic Management Act 2004, shall have occurred.

Revocations

29. Without prejudice to the validity of anything done or to any liability incurred in respect of any act or omission before the coming into force of this Order, the Orders specified in Schedule 23 to this Order are hereby revoked.

Given under the Common Seal of the Council this 11th day of August 2016.
