Dear Mrs Indigo Testing

Residents Parking Permit for Zone C

Please find your new parking permit attached below. This should be carefully detached and displayed in your windscreen, using the enclosed licence holder.

The conditions of issue state that you must surrender your permit if :-

you cease to be a resident of zone **C**
you no longer own or have authorised use of a company vehicle (including change of vehicle).

Please note that you may only park within the Zone **C** for which your permit is issued in permit spaces and shared use spaces. If you park on double yellow lines you stand the risk of getting a parking ticket. Please see enclosed leaflet for full details of the time when your permit is valid.

Please ensure that you park your car with a thought for others by leaving as small a gap as is practical and note that if you park across driveways you will risk having your permit cancelled.

You are advised that having a permit does not guarantee you a parking space.

Please telephone us if you have any queries relating to the scheme.

Yours sincerely,
For VINCI Park Services UK Ltd
