HOW TO APPEAL (also known as Challenge or Representation)

The council will only accept appeals in writing. Verbal appeals will **NOT** be accepted due to the possibility of misinterpretation during the appeal process.

All appeals will be considered on their individual circumstances and merits.

Appeals received later than 28 days after the issuing of a Notice to Owner (NtO) may not be considered by the council.

If you believe you have not committed the parking contravention or if you want to put forward mitigating circumstances, you must submit a challenge to the council. Challenges can be submitted online through www.eastriding.gov.uk/pcnchallenge or posted to the address below.

ERYC CPE, PO Box 294, Beverley, HU17 6FB

Challenges that are posted must include your PCN number, name and address and must be signed and dated.

If you challenge this PCN within 14 days and the challenge is rejected the council

will generally extend the period within which the reduced penalty charge may be paid.

If the Penalty Charge is not paid or challenged

If the penalty charge is not paid on or before the end of the 28 day period from the date this PCN was served or successfully challenged the council may serve an NtO on the owner of the vehicle requiring payment of the penalty charge.

The owner can make representation to the council and may appeal to an independent adjudicator if their representations are rejected. The NtO will contain instructions for doing this.

If you challenge this PCN but the council issues an NtO anyway, the owner must follow the instructions on the NtO.

If you pay the charge before the appeals process is completed, you will bring the matter to a close, as payment of the charge is deemed to be acceptance of the penalty.
