Hello David, (cc Roy),

I can confirm that the updates to the Liverpool City Council Technical Construction File, (now version 3A.3(C) v2), for the new Bus Gate & other changes is accepted as a "Minor change" as is described in "The Certification of Approved Devices" (CoAD) Section 2.2.3 and this requires no further recertification. Therefore, your Certification for Parking & Bus Lanes remains valid.

This confirmation should be retained safely as it is part of your Certification records.

Regards
