Dear Occupier

North Lincolnshire Borough Council (Various Streets) (Prohibition and Restriction of Waiting and Street Parking Places) (Civil Enforcement and Consolidation) Order 2010

As you are no doubt aware, a traffic order is currently in operation on Brant Road restricting parking to one hour return prohibited within two hours Monday to Saturday. The permits previously issued are now due to be replaced and these will operate as previously, as explained below:-

The Order is defined by a series of white lined boxes, containing an exemption for those vehicles displaying a valid permit issued by the Council.

The issue of a permit should not be construed as if the parking spaces are reserved solely for the use of the permit holders.

Only one permit is issued per household – this is a condition of the traffic order, but the same permit is for use by yourself, members of your household and bona fide visitors to your premises.

A permit is valid provided you remain a resident of Brant Road.

The Council will require the applicant to produce such evidence as they may reasonably require to clarify any particulars of information in respect of the application (eg. If the applicants name does not appear on the current register of electors then proof of residence must be supplied, for instance by showing a recent utility bill or tenancy agreement).

An admission fee of £50 is payable for the permit; the fee will also be levied in the event of the permit requiring replacement.

The permit will remain valid from 1<sup>st</sup> April 2015 until 31<sup>st</sup> March 2016.

Please find enclosed a permit application form which should be completed and returned with the appropriate remittance.

Yours faithfully  
Parking Services
