

Disclaimer

The restrictions and information shown within the Traffweb viewer are based on confirmed Traffic Regulation Orders, although this information is updated on a regular basis some Temporary, Experimental & Confirmed Proposed Orders may not have been included at the time of viewing. It should be noted that any new on street restrictions or notices duly displayed on street may well supersede the information shown within the Traffweb viewer. **The lines and regions displayed on this viewer are only a visual aid and do not represent the full extents of the legal Order restrictions on any specific length of road.** The legal order is represented by the written text that appears within the schedules to the Order specified on screen. It is therefore recommended that the information shown on the Traffweb viewer is not used as the sole basis for an appeal against a contravention/offence.
