Hello Adam, (cc Emily),

Thank you for your EADM058 Peterborough City Council declaration form dated 23rd April 2024.

I can confirm that the update to your cameras and locations (total is now 8 cameras at any of 9 possible locations), for your Videalert Rapidly Deployable Server (RDS) enforcement system at Peterborough City Council is accepted as a "Minor Change" as is described in "The Certification of Approved Devices" (CoAD) Section 2.2.3. Therefore, your acknowledgement of use for the enforcement of specified moving contraventions under Videalert manufacturers Certification remains valid.

This confirmation should be retained safely as it is part of your Certification record.

Regards
