Hello Ms Patel, (cc Michael),  
I can confirm that your replacement Hawk Plus IR 2i Camera, (on Flexi System Flx-01 – details below), for your SEA RoadFlow system at Sandwell Metropolitan Borough Council is accepted as a "Supplier Equivalent" Change as is described in "The Certification of Approved Devices" (CoAD) Section 2.2.4. Therefore, your Parking & Bus Lane acknowledgements of use under manufacturers certification remain valid.

This confirmation should be retained safely as it is part of your Certification record.
