

SEASON TICKET CONDITIONS OF USE

- Purchase of a season ticket does not guarantee a parking place.
- One season ticket may be shared between two vehicles. Both registrations have to be displayed on the season ticket. Ticket valid for use in one vehicle at anytime.
- If the ticket is lost Car Parks Administration must be informed immediately in order to avoid the issue of fixed penalties. The lost ticket will be classified as null and void and a replacement will be issued. Administration fee of £5 applies.
- Changes made to the season ticket (vehicle registration change etc.) may only be carried out by Car Parks Administration. Unauthorised alterations will result in the season ticket becoming void. Administration fee of £5 applies.
- Season tickets may only be used in those car parks detailed on the ticket. Use of the ticket in any other car park will result in the issue of fixed penalties.
- Season tickets are not to be renewed more than one week in advance of the expiry date of the present ticket.
- Refunds are available on season tickets at any time and they should be returned to Car Parks Administration for processing.
