It is believed that you were the owner / keeper / hirer of the vehicle at the date and time of the parking contravention.

The Notice has been served by post because the Civil Enforcement Officer (CEO) «Notice_PA_ID» who had reason to believe that the above parking contravention had occurred and

(b) Had begun to prepare a penalty Charge Notice for service but the vehicle was driven away from the place in which it was stationary before the Civil Enforcement Officer had finished preparing the Penalty Charge Notice and was unable to serve it by affixing it to the vehicle or giving it to the person in charge of the vehicle.

The full amount of the penalty charge is «Notice_Original_Penalty»

The penalty charge must be paid not later than the last day of the period of 28 days beginning with the date on which this penalty charge notice was served (the date it was delivered).

The Penalty Charge is reduced by 50% to «Notice_Discount_Penalty_1» if it is paid not later than the last day of the period of 14 days beginning with the date on which this notice was served.

You may make representations to Stockport Metropolitan Borough Council as to why this penalty charge should not be paid. These representations should be made not later than the last day of the period of 28 days beginning with the date on which this Notice is served and any representations which are made outside that period may be disregarded.
