

A: INSTRUCTIONS FOR USE

1. Make sure you are parked in a Voucher Parking Bay, by checking street signs.
2. Decide how long you wish to stay - each voucher is valid for one hour and the maximum stay is 2 hours.
3. Scratch off the date and time of your ARRIVAL - Day, Date, Hour and Minute (to next 5 minutes). If using two vouchers scratch off both identically.
4. Display the voucher(s) by placing face up on dashboard so that scratched off area can clearly be seen from outside the vehicle.
5. Only one panel in each set of boxes should be scratched off. More than one panel revealed in any set of boxes renders the Permit **VOID**.
Where two vouchers are used ensure that all the scratched off areas can clearly be seen from both.

B: CONDITIONS FOR USE
