

CONDITIONS OF USE

1. Residents' visitor permits are available for use only by bona fide visitors to residents of the Swale Borough Controlled Parking Zone.
2. A permit must be displayed if your visitor parks in a designated parking bay during the controlled hours (displayed on street signs).
3. A permit is only valid if fully completed and clearly displayed as described overleaf. It is valid only for the date for which it is validated. Each permit can be used only once and is valid until the date shown on front of this permit.
4. The issue of a visitor permit does not guarantee the availability of a parking space nor does it render the Council subject to any liability in respect of loss or damage to any vehicle in a parking space or the contents or fittings of any such vehicle.
5. Parking bays may be suspended by Police Officers or duly authorised Council Officers at any time and users should check that the bay is in operation before parking.
6. Valid for One Day only.
