July 2016

Dear Resident,

**Re: Fixtures for 2016/2017 Football Season**

As you will be aware, Watford Borough Council conducts match day parking enforcement on the dates that first team matches of Watford Football Club are played at the Vicarage Road Stadium. These additional match day restrictions specifically apply within zones F, J, K, L, M/N, S and T, whereby the hours of control are outlined on signage located at the entry points to the zone and repeated on signs situated alongside all parking bays.

The dates of the next fixtures to be played will also continue to be displayed on all Controlled Parking Zone entry signs, which all motorists entering the zone are obliged to consult.

Please find to the rear of this letter fixture lists for first team matches for the **2016/2017 season**. The first home game of the new season will take place on **Saturday 20<sup>th</sup> August 2016**.

**However, it is important to note that neither the Council nor the Club has any control over these fixtures and that they may be subject to change, particularly as the Club remain in the Premiership. Equally, cup and play-off matches will be dependent upon the progress of the Club and will not appear in the fixture list supplied.**

For this reason, residents are strongly advised not to place sole reliance upon the enclosed fixture list and can obtain further up to date information by:-

- Checking the Controlled Parking Zone entry signs located at all entrances to the zone
- Calling the Parking Service Match Day Free Phone Hotline on **0800 012 1753** (charges apply for mobile users)
- Checking up to date information in the Parking Shop window (address above)
- Checking the Council's website at [www.watford.gov.uk/parking](http://www.watford.gov.uk/parking) and following the links to 'Match Day Enforcement'.

As always, and at the request of the Police for safety reasons, the shared use bays in front of the Stadium will be suspended 4 hours before each kick off and residents of Zone K are asked to move their vehicles in plenty of time in order to avoid the service of a Penalty Charge Notice.

Yours sincerely,

Justin Bloomfield
