Dear Mr Abc 123

Visitors Parking Permit (On Medical Grounds)- DeFreville Avenue Parking Zone

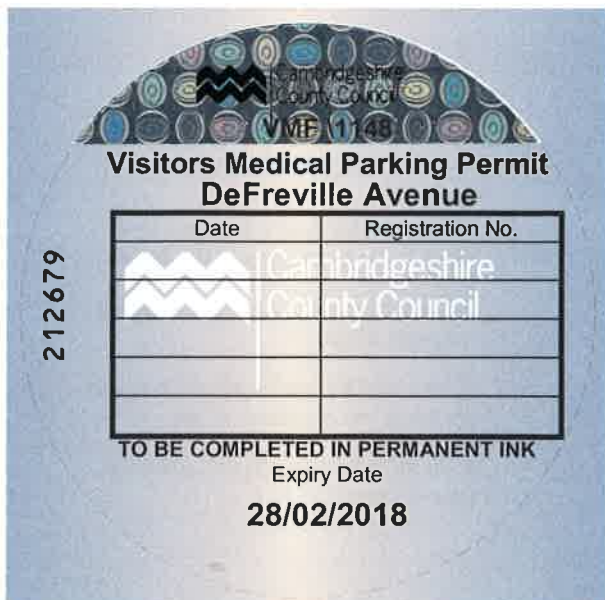

Thank you for your application for the above permit. Your permit is attached below and is valid until **28/02/2018**. Each permit is valid for five visits of up to one day's duration each.

Your visitor must complete, in ink, the date and the registration number of the vehicle for each day that your visitor's vehicle occupies a **Residents' Parking Bay** in the zone for which the permit was issued.

It is important that the correct date and vehicle registration details are entered with care as no alteration or correction is allowed. If corrections are made your visitor is likely to receive a penalty charge notice.

The permit must be clearly displayed in the lower left hand side of the windscreen when viewed from the inside. The issuing of a permit does not guarantee that a space will be available.

The permit remains the property of the Council and must be returned if you stop living at the address you supplied us.

The permit must be clearly displayed in the lower left hand side of the windscreen when viewed from the inside.

Permit is only valid in the **DeFreville Avenue Zone**.

Please remember to write in the vehicle registration number and the date of use in non-erasable ink.

Suspension of Parking Bays

In certain circumstances a parking bay(s) may be suspended by the Council to allow for building operations, domestic removals, funerals or special events. Signs indicating this are placed in advance in or adjacent to the bay or over the parking bay sign. Drivers should always check that a parking bay is in operation before parking each day if the vehicle is to be left for long periods. A vehicle parked in a suspended bay may receive a Penalty Charge Notice.
