Terms and Conditions of Use.

- It is the driver's responsibility to ensure that their vehicle is parked safely at all times and does not increase or pose risks to others, and **must** be moved on the instructions of a Police Officer, Civil Enforcement Officer, a Council Officer or a Utility Company Contractor in the course of their contracted works.
- The Dispensation Notice **must** be displayed in the front windscreen of the vehicle which it is issued for and clearly showing the relevant details above. It should be easily read by a Civil Enforcement Officer or Police Officer. This Notice will be deemed invalid if it is changed or altered in any way.
- A Dispensation Notice does not guarantee a parking space at a specific location or on a specific part of the public highway. The vehicle is only permitted to park at or near to the Notice address stated.
- The vehicle should not cause an obstruction to other road users or pedestrians and should not be parked (wholly or partly) on the verge or footway. Materials or goods must not be deposited on the footway or carriageway except when loading or unloading is occurring.
- A Dispensation Notice will be invalid if used in any other vehicle other than that originally stated and a Penalty Charge Notice will be issued. If there is a change of vehicle details due to a vehicle breakdown, the Council must be informed by telephone immediately to discuss appropriate alternative actions.
- A Penalty Charge Notice will always be issued where the terms of the Dispensation Notice are not complied with.
- All vehicles issued with a Dispensation Notice must have a valid MOT certificate, current road fund licence and hold the relevant insurance certificate.
- Devon County Council reserves the right not to issue any Dispensation Notice where the vehicle involved has outstanding Penalty Charge Notices issued to it.
- Dispensation notices are issued solely at the discretion of the Council and remain the property of the Council and may be withdrawn at any time by the Council with notice given to the applicant.
- All data collected from the issuing of Dispensation Notices may be shared and used in conjunction with any Council reporting functions or part of a Police investigation. All processing of this data will be in accordance with the UK Data Protection Act 1998.
