

## Information – Residential Parking‘E’Permits 2016-2017

### CLEETHORPES : YARRA ROAD/WARDALL STREET CAR PARKS

1. This parking scheme is in operation on Wardall Street and Yarra Road Car Parks in Cleethorpes. The scheme is in operation to assist residents in close proximity, with no on-street parking facilities.
2. Parking is allowed by any vehicle in possession of an Electronic Permit (E-Permit) in any marked bay within the car park subject to the car park regulations, *\*except the short stay bays in Wardall Street car park*. Parking within disabled bays **is not** permitted unless a valid disabled badge is displayed.

The regulations applying to the car park are enforceable by North East Lincolnshire Council Enforcement Authority.

3. E-Permits are valid for twelve months from the 1<sup>st</sup> April of the current year. (Subject to review, E Permits may be withdrawn at any time)
4. The purchase price of an E-Permit is charged to offset the administration costs of the scheme.
5. The number of full E-Permits issued to any single residential property at any time is limited to a maximum of **one**. The E-Permit will be for use in **one vehicle only**, being the vehicle with the registration number given on the application form.

Please note: The vehicle must belong to or be hired by the applicant.

6. Where a property is a house in multiple occupations, (bed-sits etc.) the maximum of one E-Permit refers to the whole of that property.
7. Where a property has been divided into self-contained units (flats etc.) the maximum of one E-Permit refers to each individual unit.
8. Only the occupier of the property may apply for the E-Permit. Landlords are not eligible to apply unless they are residing in the property. If the occupier is a tenant then a tenancy agreement must be submitted plus a utility bill (preferably the Council Tax bill). If the occupier of the property is the owner then a utility bill must be submitted (preferable the Council Tax bill).
9. The E-permit is only valid for use on the car park for which it is issued.

**If you are found to be in contravention of a parking restriction then you may receive a Penalty Charge Notice. Please Note that it is an offence to falsify information in order to obtain a permit.**
