If the penalty charge is not paid or challenged

If the penalty charge is not paid on or before the end of the 28 day period as specified on the front of this notice or successfully challenged the council may serve a Notice to Owner (NtO) on the owner of the vehicle requiring payment of the penalty charge. The owner can then make representations to the council and may appeal to an independent adjudicator if those representations are rejected. The NtO will contain instructions for doing this. If you challenge this PCN but the Council issues a NtO anyway, the owner must follow the instructions on the NtO.

Further information about Civil Parking Enforcement (including PCNs and NtOs) is available online at www.patrol-uk.info or in a leaflet available from the council.
