The Permit must be clearly displayed at all times when in use.

Please do not alter the Permit as this will make it invalid.

If you change your vehicle a quick phone call to the Parking Office on 01732 876034 can usually result in the changes you require being carried out without the need to issue a replacement permit.

Your Permit may have time restrictions attached to it, please comply with these as you may receive a Penalty Charge Notice if you are parked outside of your allowance.

Please comply with the local parking regulations and on site notices unless specific permissions have been granted prior to parking. If you are unsure contact the Senior Civil Enforcement Officer on 01732 876386 who will be happy to answer your questions.

We are happy to replace damaged or worn Permits if they are returned to the Parking Office, however if the Permit is mislaid there is a £10 replacement fee.
