BOGNOR REGIS ON-STREET PARKING PERMIT

Please detach your new permit and use the plastic permit holder to display it on your car windscreen at all times when the vehicle is parked on street during controlled hours. Remember the permit should be displayed in such a way that ALL permit details are visible from outside the vehicle.

The permit can be used in the 'Permit-Holders Only' spaces in the shared parking places which allow unlimited parking for permit holders and two hours free parking for non-permit holders. These spaces are found in the outer areas of the Controlled Parking Zone. Permits are also valid in a small number of spaces on the north side of The Esplanade east of Clarence Rd. Permits are not valid in the short stay town centre charged parking spaces or in the majority of long stay charged parking spaces on or near The Esplanade.

Visitors permits are valid only in the 'Permit Holders Only' spaces and in those spaces on The Esplanade where permits are valid. They are not valid in the shared parking spaces.

If you require further information about parking arrangements please contact the car parks office at Arun District Council. Remember, if in doubt, use only those spaces where the signs refer to permit holders.

Please note:-

If you no longer require your permit, it should be returned to Arun District Council who will issue a refund. On no account should a permit be given to another person.

If a permit is lost, Arun District Council will be able to issue a replacement at a cost of £5.00. Where there is a change of vehicle a replacement will be issued free of charge on production of the old permit, otherwise the £5.00 charge will apply.
