

WEEKLY VISITOR PERMIT

Misuse of the permit or incorrect validation will render it invalid and the vehicle will be liable for a Penalty Charge Notice.

For 2 or more permits place side by side NOT overlapping and ensure that the dates(s) are consecutive.

Attach the clearly validated permit(s) inside your vehicle windscreen or dashboard face up so the permit can be clearly read from outside your vehicle.

On arrival ensure DAY, DATE, MONTH and YEAR are scratched off to indicate the time and day your permit is valid for. If a mistake is made a new permit must be used as amendments will render it invalid.

For use in Permit holders only or shared use bays (charged/permit bays)

Hours of operation
