Hello Sarah, (cc Jamie),

This is just a short informal email to let you know that after a review of the information provided in your signed declaration of compliance form, (BLADM056, dated 28th December 2020). We acknowledge that the Videalert Rapidly Deployable Server (RDS) Enforcement system for fixed cameras, (used under the manufacturers Certification) is suitable for the operation of Bus Lane Enforcement in the Worcestershire County Council area.

You will receive a more formal letter confirming this soon, (effective from 26<sup>th</sup> March 2020).

This confirmation should be retained safely as it is part of your Certification records

Regards
