35. Where no valid pay and display ticket can be obtained from a ticket machine within a parking place, vehicles may be parked in a parking place but may not be parked for longer than the maximum period of parking in that parking place as specified in Schedules 1, 2 or 3.

Parking permits

36. Parking permits may be available from the Council or its agents at the appropriate fee, if any, for a vehicle of a specific class and for a specific parking place subject to conditions determined by the Council.
