The manufacturer's serial numbers for the significant items of equipment supplied to the authority			<i>See Equipment Details Form</i>	
The versions of software that are used on this system			<i>See Software Details Form</i>	

The data on this sheet is subject to the copyright restrictions on the title page of this document

Name of Traffic Authority	Bedford Borough Council
----------------------------------	-------------------------

This traffic authority understands that the above system will be covered by the manufacturer's certification for as long as it is used by this authority as supplied by the manufacturer and in accordance with the manufacturer's recommendations.

If the certified system is used as part of a hybrid or bespoke system, it will cease to be covered by the manufacturer's certification alone and a further application must be made by, or on behalf of, this traffic authority.

This traffic authority undertakes to comply with Chapter 2 of the latest version of the Civil Traffic Enforcement Certification of Approved Devices guidance document if any changes to the certified system are contemplated.

You are asked to note that, once a declaration has been made, that fact (but not the detail of the declaration) may be disclosed by the Department of Transport if it is asked about applications that have been made. Once an acknowledgement has been given, the Department for Transport may record that fact on its web site or in response to requests for information.

 (Signature of Principal Contact)

Date: 16-3-2012

On behalf of the manufacturer; Equipment supplied and recommendations given are as specified in the Technical Construction File associated with the certification number referred to above.

Name & title:

 Tim Lovell, Senior Consultant

15/03/12

Notes

- A traffic authority wishing to use an "approved device" certified in the name of a manufacturer should make a declaration containing the required information and send it to: The Vehicle Certification Agency, 1 The Eastgate Office Centre, Eastgate Road, Bristol BS5 6XX or civil-enforcement@vca.gov.uk
- The manufacturer of the "approved device" may provide a customised version of the declaration, showing the required information, for signature by the principal contact in a traffic authority.
- Where an authority wishes to use a system certified for both bus lane enforcement under the Transport Act 2000 and parking enforcement under the Traffic Management Act 2004, separate declarations for each must be made.
- Once receipt of the declaration has been acknowledged on behalf of the Secretary of State, the authority may use the equipment in accordance with the certification and declaration.

ROADflow EQUIPMENT DETAILS FORM
