 - (ii) the valid pay and display ticket is displayed in the relevant position on the vehicle in respect of which it was issued at all times the vehicle is parked.

No pay and display ticket displayed

34. If at any time while a vehicle is parked in a parking place, no pay and display ticket is displayed on that vehicle in the relevant position and in accordance with the provisions of this Order, it shall be deemed that the charge has not been paid save as where a virtual parking permit has been issued and remains valid or where there has been payment by some alternative approved method of payment such that any requirement under this Order for the pay and display ticket to be displayed on the vehicle to which it relates shall not apply.
35. If at the time when a vehicle is parked during the charging hours in a parking place and the nearest ticket machine in that parking place is out of order, then a ticket shall be obtained from another ticket machine within the same parking place (where provided) or as directed in the parking place.

39. The driver shall abide by the terms stipulated by the Council for the use of the permit.

Display of permit

40. A permit shall be displayed in the relevant position on the vehicle in respect of which it was issued at all times during which the vehicle is parked in the parking place. Where

Replacement permits

41. Damaged or lost permits will be replaced on application to the Council and on payment of an administration fee in accordance with Council procedure. The damaged or lost permit will then become immediately invalid.
