Subject: RE: Supplier Equivalent Change

Hello Philip, (cc Samantha),

I can confirm that the replacement Flexi camera unit, (FLX-4), in Cambridgeshire County Councils SEA RoadFlow System is accepted as a "Supplier Equivalent" change as is described in "The Certification of Approved Devices" (CoAD) Section 2.2.4. Therefore, your Parking & Bus Lane acknowledgements of use under SEA manufacturers certification remain valid.

This confirmation should be retained safely as it is part of your Certification record.

Regards
