PART H

Conduct of Parking Places

SUSPENSION OF PARKING PLACES

50 (1) The Council may, by Notice or by Order, suspend the use of any parking place or any part thereof

(a) if it is satisfied that use of that parking place should be restricted or prohibited by reason that works are being or are proposed to be executed on or near the road, or by reason of the likelihood of danger to the public or of serious damage to the highway, or

(b) for the purpose of facilitating the movement of traffic or promoting its safety; or

(c) for preventing obstruction of the streets on the occasion of any public procession, rejoicing or illumination or when the streets are thronged or liable to be obstructed.

subject to such conditions or exceptions as they consider necessary.

(2) A constable, or a person acting under the instructions (whether general or specific) of the chief officer of police, may suspend for no longer than seven days the use of a parking place or any part thereof whenever he considers such suspension reasonably necessary -

(a) for the purpose of facilitating the movement of traffic or promoting its safety; or

(b) for the convenience of occupiers of premises adjacent to the parking place on any occasion of the removal of furniture from one office or dwelling-house to another or the removal of furniture from such premises to a depository or to such premises from a depository; or

(c) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or

(d) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions.

PROVIDED ALWAYS that the Council or the police constable in uniform in suspending the use of a parking place in accordance with the provisions of this Article shall place or cause to be placed in or adjacent to that parking place or the part thereof the use of which is suspended such traffic signs as are necessary to indicate that waiting by vehicles is prohibited. may suspend the use of a parking place or any part thereof for not more than seven days in order to prevent or mitigate congestion or obstruction of traffic, or danger to or from traffic, in consequence of extraordinary circumstances.

PROVIDED ALSO that any person suspending the use of a parking place in accordance with the provisions of this Article shall place or cause to be placed in or

adjacent to that parking place or the part thereof the use of which is suspended such traffic signs as are necessary to indicate that waiting by vehicles is prohibited.

MISCELLANEOUS CONDITIONS

51 A driver of a vehicle shall not use a parking place

(a) so as unreasonably to prevent access to any premises adjoining a road or the use of a road by other persons or so as to be a nuisance;

(b) when such parking place has been closed in accordance with the provisions of the preceding Article of this Order.

52 A driver of a motor vehicle using a parking place shall stop the engine as soon as the vehicle is in position in the parking place and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place.

53 No person shall

(a) sell, offer or exhibit for sale or hire any vehicle while it is in a parking place, or

(b) use a vehicle, while it is in a parking place, in connection with the sale of any article to persons in or near the parking place or in connection with the selling or offering for hire of his skills in handicraft or services in any capacity.

PROVIDED ALWAYS that this Article shall not be deemed to prohibit persons employed in connection with a licensed public service vehicle or a licensed taxi operation from plying for hire or accepting passengers for hire in accordance with any regulation or condition under which the service is required by law to operate.

54 While it is in a parking place no vehicle shall receive any work of construction, cleaning, maintenance or repair except such as may be necessary to enable the vehicle to be moved from the parking place.

MOVEMENT AND REMOVAL OF VEHICLES

55 (1) When a vehicle is left in a parking place in contravention of or non-compliance with any of the provisions of this Order a police constable or a person authorised in that behalf by the Council may remove the vehicle or arrange for it to be removed from that parking place.

(2) In case of an emergency a police constable or a person authorised in that behalf by the Council may alter the position of that vehicle in the parking place; or remove the vehicle or arrange for it to be removed from that parking place to any place he thinks fit.

56 Any person altering the position of a vehicle in, or removing a vehicle from, a parking place by virtue of the last preceding Article of this Order may do so by towing or driving the vehicle or in such other manner as he may think necessary and may take such measures in relation to the vehicle as he may think necessary to enable him to remove it or alter its position, as the case may be.

SAFE CUSTODY OF VEHICLES REMOVED FROM PARKING PLACES

57 When a police constable or a person authorised by the Council removes or makes arrangements for the removal of a vehicle from a parking place by virtue of Article 55 of this Order he shall make such arrangements as may be reasonably necessary for the safe custody of the vehicle

PART J

Parking Charges and Method of Payment

PARKING CHARGES

58 (1) The parking charge and the parking period for a vehicle left in a designated parking place referred to in the Schedule or Part of the Schedule referred to in an item in the second column of the Table shall be determined by reference to the corresponding items in the third and fourth columns of the Table.

**TABLE
(Article 58)**

1	2	3	4	5
Item	Schedule	Parking Charge	Parking Period	Chargeable hours
1	Ninth Schedule	20 pence	twenty minutes	8.30am to 6.00pm on all days between 1 st April and 30 th September
		increasing in units pro-rata to 1.0 pence for each additional minute of parking time up to a maximum of		
		£2.40	four hours	

(2) No parking period for a designated parking place referred to in an item in the second column of the Table above shall exceed the maximum length of time mentioned in the corresponding item in the fourth column.

TICKET MACHINES TO BE INSTALLED AT PARKING PLACES

59 (1) There shall be a ticket machine on or in the vicinity of each parking place referred to in the Seventh Schedule to this Order.

(2) No parking charge shall be payable in respect of any vehicle waiting in a designated parking place during the chargeable hours if

- (a) at the time the vehicle was left in that parking place there was a ticket machine relating to that parking place a notice placed by any person duly authorised by the Council indicating that the ticket machine relating to that parking place is out of order; and
- (b) there is no other ticket machine available to be used for that parking place; and
- (c) the vehicle is removed within two hours of the ticket machine being rectified.

PROVIDED ALWAYS that if any such vehicle is not removed within that period the parking charge shall be treated as having been incurred and paid at the time when the vehicle was left in the parking place and all the provisions of this Order shall apply accordingly.

PAYMENT OF PARKING CHARGE

60 (1) The parking charge shall be payable on the leaving of the vehicle in a parking place referred to in the Ninth Schedule by the insertion in the ticket machine relating to the parking place in which the vehicle is left of coins to the value of the parking charge.

(2) Payment of the parking charge for any vehicle left during the chargeable hours in a parking place referred to in the Ninth Schedule shall be by the issue by the ticket machine relating to that parking place of a numbered parking ticket indicating the amount of parking charge which has been paid, and by the exhibition of that parking ticket on that vehicle in the relevant position.

(3) No parking charge shall be payable in respect of any vehicle waiting in a designated parking place during the chargeable hours in accordance with the provisions of Part G of this Order.

INDICATION OF EXPIRY OF PARKING PERIOD

61 The expiry of the parking period for which the parking charge has been paid for a vehicle left in a parking place referred to in the Ninth Schedule shall be indicated when there is exhibited on the vehicle a parking ticket issued by the ticket machine relating to the parking place in which the vehicle is left showing the day and time of payment of the charge, and the time shown on the clock on the said ticket machine is more than the duration of the parking period later than the time shown on that parking ticket.

INDICATIONS BY TICKET MACHINES AND PARKING TICKETS AS EVIDENCE

62 If at any time when a vehicle is left in a parking place during the permitted hours the clock on the ticket machine relating to the parking place in which the vehicle is left and on the parking ticket exhibited on the vehicle give the indication given in the preceding Article, it shall be presumed unless the contrary is proved that the parking charge has been duly paid, and the parking period for which payment was made by the parking charge has already expired.

INSERTION OF ADDITIONAL COINS

63 (1) No person shall insert in the ticket machine relating to the parking place in which the vehicle is left any coins additional to those inserted by way of payment of the parking charge in respect of that vehicle.

(2) No person shall display on any vehicle left in a parking place referred to in the Fourth Schedule during the chargeable hours any parking ticket subsequent to the parking ticket that was displayed at the time the vehicle was first left in the parking place unless the provisions of Article 20(3) have first been complied with.

PART K
