Subject: Cardiff Approved Devices

Hello [REDACTED]
Thank you for your latest revised BLADM038+PADM056 declaration form dated 29th April 2015.

I can confirm that your additional possible location for your Zenco LaneWatch cameras, (total is now 10 cameras at 11 possible locations) used under manufacturers Certification as an update to the City of Cardiff Council Enforcement system is accepted on behalf of Welsh Ministers as a "Minor" change as is described in "*Guidance on the Certification of Approved Devices to local authorities on the Civil Enforcement of Road Traffic Contraventions: bus lane, moving traffic contraventions and parking*" Section 2.2.3. Therefore, your Bus Lane acknowledgement of use under manufacturers certification remains valid.

This confirmation should be retained safely as it is part of your Certification record.

Regards
