Porthgwidden, Barnoon, The Station, Westcotts Quay and Wheal Dream

There is to be a defined area in St Ives which will form the qualifying area for a reserved space described in the rest of this policy as the “Catchment Area”

There are two categories which distinguish the type of Reserved Parking space in St Ives. These are “Residential” or “Business”

Catchment Area

The catchment area consists of St Ives North Ward and Polling Districts 1, 2 & 3 in St Ives South Ward.

Residential

To qualify for a Residents parking space, persons must live permanently within the Catchment area for more than six months per year and must provide proof of residency in the form of a current Council Tax bill, Driving Licence with form D740 if applicable and Vehicle Registration document (form V5).

Spaces allocated to Residents are Not Transferrable. If the Resident moves out of the Catchment area the reserved parking space must revert back to

The Council for reallocation. In the case of the space holders death, reserved parking spaces can be retained by the Spouse only. Residents who are in breach of their Licence will have spaces terminated with immediate effect.

Residential space holders are required to display a valid permit at all times. Failure to do so will result in a Penalty Charge Notice.

Resident parking spaces equate to 60% of the total number of reserved parking spaces (this is subject to review).

If all Resident spaces are allocated, there will be a waiting list. Applicants will only be eligible to be included on the waiting list if they fulfil the Residents criteria. Proof will be required prior to inclusion on the list.

The waiting list will be strictly adhered to. The person at the top of the waiting list will be given first refusal on the next available parking space. He/she does not lose their place on the waiting list if the space is refused.

The waiting list is to be available for inspection and will be reviewed annually to ensure all applicants fulfil the criteria.
