- (6) A hard-copy season ticket is not transferable and is not valid if displayed on a vehicle bearing a different registration number from that shown on the hard-copy season ticket.
- (7) If, during any period in which a virtual season ticket granted to a virtual season ticket holder is valid, any of the particulars and information referred to in paragraph (1)(b) of this Article should change, the virtual season ticket holder shall provide the updated information to the Service provider using the telephone or electronic payment system, upon which the Service provider may levy a charge for such change of details.

Application for and issue of resident's permits for use in certain parking places

16. (1) Where in column 8 of the Schedule in relation to a parking place or part thereof, there is specified the words "Resident's Permit", a resident who is the owner of a vehicle of the class specified in relation to that parking place or part thereof in column 4 of the Schedule, may, provided the vehicle's registration document shows the address of the resident's usual place of abode, apply to the Council for the issue of a resident's permit in respect of that vehicle and parking place and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.

- (2) Upon receipt of an application duly made under the provisions of paragraph (1) of this Article and the charge specified in paragraph (3) of this Article, and upon being satisfied that the applicant is a resident and the owner of a vehicle of the class referred to in paragraph (1) of this Article, the Council may issue to the applicant one permit which, subject to the provisions of this Order, shall allow the vehicle in respect of it is issued to be left in the parking place or part thereof in respect of which it is issued, without displaying a valid ticket:

Provided that the Council shall not issue a resident's permit if it would be valid for any period during which any other resident's permit issued to the applicant is or would be valid.

- (3) The charge for a resident's permit referred to in paragraph (2) of this Article shall be the amount specified in column 8 of the Schedule immediately after the words "Resident's Permit" in relation to the parking place or part thereof in respect of which the resident's permit is to be issued.

- (5) The issue of a resident's permit does not entitle the resident's permit holder's vehicle to be left in a reserved parking bay, nor can a parking bay or space be guaranteed.
- (6) A resident's permit is not transferable and is not valid if displayed on a vehicle bearing a different registration number from that shown on the permit.

Application for and issue of staff permits for use in certain parking places

17. (1) Where in column 8 of the Schedule in relation to a parking place or part thereof, there is specified the words “Staff Permit”, a member of staff or a councillor who is the owner of a vehicle of the class specified in relation to that parking place or part thereof in column 4 of the Schedule, may, provided the vehicle’s registration document shows the address of the usual place of abode of the member of staff or councillor, apply to the Council for the issue of either a 1 year staff permit or a booklet of 6-hour staff permits or a booklet of 10-hour staff permits in respect of that vehicle and parking place, and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.

(2) Upon receipt of an application duly made under the provisions of paragraph (1) of this Article and the charge specified in paragraph (4) of this Article, and upon being satisfied that the applicant is a member of staff or a councillor and the owner of a vehicle of the class referred to in paragraph (1) of this Article, the Council may issue to the applicant either a 1 year staff permit, or a booklet of 6-hour staff permits or a booklet of 10-hour staff permits, as the case may be:

Provided that the Council shall not issue a 1 year staff permit if it would be valid for any period during which any other 1 year staff permit issued to the applicant is or would be valid.

(3) A staff permit shall, subject to the provisions of this Order, allow a vehicle in respect of which that permit is issued to be left in the parking place in respect of which that permit is issued.

(4) The charge for a 1 year staff permit or a booklet of 6-hour staff permits or a booklet of 10-hour staff permits referred to in paragraph (2) of this Article shall be as specified in column 8 of the Schedule, in relation to the parking place or part thereof in respect of which that permit or booklet of permits is to be issued, immediately after the words “Staff Permit”.

(5) The staff permit holder shall validate a 6-hour staff permit or a 10-hour staff permit before it is displayed on a vehicle left in the parking place in respect of which such permit was issued, so that the said permit indicates the date on which and the time at which the vehicle is left in that parking place.

(6) The issue of a staff permit does not entitle the staff permit holder’s vehicle to be left in a reserved parking bay, nor can a parking bay or space be guaranteed.

(7) A staff permit is not transferable and is not valid if displayed on a vehicle bearing a different registration number from that shown on the permit.

Refund of charge paid in respect of a hard-copy season ticket or permit or virtual season ticket

18. (1) A hard-copy season ticket holder or a permit holder who surrenders a hard-copy season ticket or permit to the Council whether before or after it becomes valid shall not be entitled to a refund of any charge paid in respect of that hard-copy season ticket or permit, as the case may be, unless the Council in its discretion considers that there are exceptional circumstances to justify refunding in full or in part.
- (2) A virtual season ticket holder shall not be entitled to a refund of any charge paid in respect of a virtual season ticket.

Application for and issue of duplicate hard-copy season tickets or permits

19. (1) Subject to Article 21, if a valid hard-copy season ticket or permit is mutilated or accidentally defaced or the figures or particulars thereon have become illegible or the colour of the hard-copy season ticket or permit has become altered by fading or otherwise, the hard-copy season ticket holder or the permit holder, as the case may be, shall, if they wish to continue using the hard-copy season ticket or permit, surrender it to the Council and apply to the Council for the issue to them of a duplicate hard-copy season ticket or permit, as the case may be. The Council, upon receipt of the original valid hard-copy season ticket or permit, as the case may be, and, if applicable, the charge specified in paragraph (4) of this Article in the case of a resident's permit or the charge specified in paragraph (5) of this Article in the case of a staff permit, may issue a duplicate hard-copy season ticket or resident's permit or staff permit, as the case may be, so marked, and upon such issue the original hard-copy season ticket or permit shall become invalid.
- (2) Subject to Article 21, if a valid hard-copy season ticket or permit is lost, destroyed or stolen, the hard-copy season ticket holder or permit holder, as the case may be, may apply to the Council for the issue to them of a duplicate hard-copy season ticket or permit, as the case may be. The Council, upon being satisfied as to such loss, destruction or theft, and, if applicable, upon receipt of the charge specified in paragraph (4) of this Article in the case of a resident's permit or the charge specified in paragraph (5) of this Article in the case of a staff permit, may issue a duplicate hard-copy season ticket or resident's permit or staff permit, as the case may be, so marked, and upon such issue the original hard-copy season ticket or permit, as the case may be, shall become invalid.
- (3) The provisions of this Order shall apply to a duplicate hard-copy season ticket or permit and an application therefor as if it were a hard-copy season ticket or permit, or as the case may be, an application therefor.
- (4) There shall be no charge for the first duplicate hard-copy season ticket or resident's permit issued to a hard-copy season ticket holder or a resident's permit holder but if a second or subsequent duplicate hard-copy season ticket or resident's permit is issued to that hard-copy season ticket holder or resident's permit holder, as the case may be, there shall be a charge of £7.00.

- (5) The charge for a duplicate staff permit shall be £10.00 regardless of whether the duplicate staff permit is the first duplicate staff permit or a subsequent duplicate staff permit.

Application for a replacement hard-copy season ticket or a permit due to change of vehicle registration number

20. Subject to Article 21, if a hard-copy season ticket holder wishes to have the vehicle registration number on their valid hard-copy season ticket changed or a permit holder wishes to have the vehicle registration number or numbers on their valid permit changed, they may apply to the Council for the issue to them of a replacement hard-copy season ticket or permit, as the case may be. The Council, upon being satisfied as to the need for such a change to the registration number or numbers and upon receipt of the charge specified in paragraph (4) of Article 19 in the case of a resident's permit or the charge specified in paragraph (5) of that Article in the case of a staff permit, may issue a replacement hard-copy season ticket or permit bearing a different vehicle registration number, or numbers as appropriate in the case of a permit, and upon such issue the original hard-copy season ticket or permit, as the case may be, shall become invalid.

No replacement of 6-hour staff permits or 10-hour staff permits

21. The provisions of Articles 19 and 20 shall not apply in respect of a 6-hour staff permit or a 10-hour staff permit or to a booklet of such permits.

Surrender, withdrawal and validity of permits

22. (1) A permit holder shall surrender their permit, or booklet of permits in the case of 6-hour staff permits or 10-hour staff permits, to the Council on the occurrence of one or more of the events set out in paragraph (3) of this Article.
- (2) The Council may, by notice in writing served on the permit holder at the address shown by that person on the application for the permit or at any other address believed to be that person's place of abode, withdraw a permit if it appears to the Council that any of the events set out in paragraph (3) of this Article has occurred.
- (3) The events referred to in paragraph (1) and (2) of this Article are:-
- (a) a residents' permit holder ceasing to be a resident;
 - (b) a staff permit holder ceasing to be a member of staff or a councillor, as the case may be;
 - (c) the permit holder ceasing to be the owner of the vehicle in respect of which the permit was issued;
 - (d) the vehicle in respect of which the permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in Article 16(1) or 17(1).

- (4) A resident's permit or a 1 year staff permit shall cease to be valid at the expiration of the period specified thereon or on the occurrence of any one of the events specified in paragraph (3) of this Article, whichever is the earlier.
- (5) A 6-hour staff permit or a 10-hour staff permit that has been validated in accordance with Article 17(5) shall cease to be valid after a period of 6 hours or 10 hours respectively, starting from the time indicated on that staff permit.

Restriction on removal of hard-copy season tickets or permits

23. Where a hard-copy season ticket or permit has been displayed on a vehicle in accordance with paragraph (ii)(E)(I) of the proviso to Article 8(a), no person, except the driver of the vehicle shall remove the hard-copy season ticket or permit, as the case may be, from the vehicle unless authorised to do so by the driver:

Provided that nothing in this Article shall apply in relation to a civil enforcement officer or an officer or representative of the Council who removes the hard-copy season ticket or permit, as the case may be, in the process of the vehicle being removed in accordance with Article 7(j) or 7(k)."
