# Devon County Council (Traffic Regulation & On-Street Parking Places) Consolidation Order 2020

Devon County Council make the following order in exercise of powers under sections 1, 2, 4, 32, 35, 45, 46, 49, 53, part IV of schedule 9 of the Road Traffic Regulation Act 1984 and all other enabling powers

## PART A - INTERPRETATION

### 1 In this order

Any reference to an enactment shall be construed as a reference to that enactment as amended or any successive enactment

Any reference to an article, part or schedule refers to the corresponding article, part or schedule in this order unless stated and except where the context otherwise requires a reference to a numbered or lettered paragraph or sub-paragraph, is a reference to the paragraph or sub-paragraph bearing that number or letter in the article or schedule, or (in the case of a sub-paragraph) paragraph in which the reference occurs. Schedules are divided into parts and for the avoidance of doubt a schedule number is followed by the part number - for example 'schedule 1.001' means schedule 1 part 1

Where a linear restriction applies to a length of carriageway not being a clearway the effects of the restriction shall have the effect that the carriageway and footway shall be restricted from the centre line to the rear of the appropriate footway, verge or grass verge including the entrance to any side road

- e) for the convenience of occupiers of premises adjacent to the parking place at the times of weddings or funerals

**12** The police may suspend for no longer than seven days the use of a parking place or any part thereof whenever they consider such suspension reasonably necessary

## **PART F - AUTHORISATION & USE OF PARKING PLACES**

**13** Each area on a highway comprising, unless otherwise described, the length of carriageway of a street specified in schedules 4 to 8, 10, 11, 13 and 16 bounded on one side of that length by the edge of the carriageway is authorised as a parking place

**14** A driver of a vehicle shall not use a parking place when such parking place, either in full or part, has been suspended in accordance with the provisions of articles 11 & 12

**15** No person shall use a vehicle while it is in a parking place in connection with the sale of any item(s) to persons in or near the parking place or in connection with the selling or offering for hire of their skills in handicraft or services in any capacity

**provided always** that this article does not prohibit persons employed in connection with a licensed public service or a licensed hackney carriage operation from plying for hire or accepting passengers for hire in accordance with any regulation or condition under which the service is required by law to operate.

### **moving and removing vehicles**

**16** When a vehicle is left in a parking place in contravention of or non compliance with any of the provisions of this order a person authorised by and on behalf of the enforcement authority may remove the vehicle or arrange for it to be removed from that parking place or if appropriate move the vehicle so that its position complies with those provisions

**17** A person removing a vehicle or altering its position by virtue of article 16 may do so in such manner as they think expedient

**18** In case of emergency the police or a person authorised by the enforcement authority may alter the position of a vehicle in the parking place or remove the vehicle or arrange for it to be removed from that parking place to a place they think fit

**19** When the police or a person authorised by the enforcement authority removes or makes arrangements for the removal of a vehicle from a parking place they shall make arrangements as are reasonably necessary for the safe custody of the vehicle

### **manner of standing in parking places**

**20** The driver of a bus using a parking place shall stop the engine as soon as the vehicle is in position in the parking place and shall not start the engine except when about to change the position of the vehicle in, or to depart from, the parking place

**21** A vehicle may only be parked wholly within a parking place defined either by use of lines on the carriageway or places inset in the footpath or verge identifiable by the use of surface materials or extended kerb limits, or wholly within a parking space

### **limited waiting parking places**

**22** Save as provided in part I a vehicle is not permitted to wait in a parking place contrary to the restrictions specified in the various parts to schedule 4

### **pay & display**

**23** Save as provided in part I a vehicle is only permitted to wait in a parking place listed in the various parts to schedule 5 if

- a) it complies with the restrictions specified in schedule 5 and
- b) the appropriate remittance has been paid either by the purchase of a ticket, which is then displayed in the relevant position, or by payment using a mobile phone or other device

- 24** Motor caravans or goods vehicles exceeding the size limitations of a parking space must make additional appropriate ticket payments or obtain additional tickets where there is a period of parking available for which there is no charge for each additional space or part of a parking space into which any part of their vehicle encroaches, sufficient for the duration of the intended length of stay, subject to the maximum stay permitted at that parking place and then displaying the correct amount of tickets in a relevant position
- 25** Pay and display ticket machines will be at locations signed within the parking place. In the event of a ticket machine being inoperable and an alternative ticket machine is available nearby the driver must obtain a ticket and display the ticket in a relevant position. If no alternative ticket machine is available for use, and the driver is unable to make a payment by means of a mobile phone or device to pay for their required parking period or to obtain a ticket where there is a period of parking available for which there is no charge, the driver must contact the enforcement authority as soon as practical. The vehicle must not be parked for any longer than the maximum period of parking permitted for that parking place and must not return to the parking place within 1 hour
- 26** The initial charge is payable on the leaving of a vehicle in a parking place referred to in schedule 5 and is the appropriate payment specified in corresponding tariff of appendix C to purchase a ticket from a pay and display ticket machine or a payment made by means of a mobile phone or device to cover the anticipated length of stay subject to the maximum stay permitted at that parking place
- 27** Upon payment of the initial charge for the vehicle or where there is a period of parking available for which there is no charge any valid ticket(s) must be displayed in a relevant position
- 28** Where an initial charge has been made or where there is a period of parking available for which there is no charge on the leaving of a vehicle in a parking place referred to in article 27 by obtaining a ticket from the relevant pay and display ticket machine or a payment made by means of a mobile phone or device that vehicle is not
- to remain in the parking place beyond the expiry time of the displayed ticket or mobile phone/device paid period; or
  - to extend the initial period by use of another ticket for which there is no charge; or
  - to have additional time purchased for it if the total amount of time it remains in the parking place exceeds the maximum stay permitted for that parking place; or
  - permitted to return to that parking place until 1 hour has elapsed since the end of the last period of waiting in that parking place unless the parking place is subject to a maximum period of waiting in 24 hours in which case the vehicle may not return within 24 hours of the last period of waiting in that parking place

#### **resident permit parking places**

- 29** Each length of road described in schedule 6 other than those lengths specified in schedules 1, 2, 7 and 9 is designated as a parking place for parking permit holders as specified in the various parts to schedule 6 and under the conditions set by part G
- 30** Save as provided in part I a vehicle is not permitted to wait in a parking place in schedule 6 contrary to the restrictions specified in the various parts to that schedule

- 40** Save as provided in part I no vehicle other than the type of vehicle authorised to wait in that parking place by the various parts to schedule 11 is permitted to wait in the parking places specified in that schedule and no authorised vehicle is permitted to wait for longer than the permitted period

#### **ambulance & police parking places**

- 41** Each area of road described in schedule 12.001 is authorised as a parking place for police vehicles
- 42** Each area of road described in schedule 12.002 is authorised as a parking place for ambulances
- 43** The driver of a vehicle shall not permit a vehicle to enter or wait in the parking places specified in article 41 unless it is a marked police car or in article 42 unless it is a marked ambulance and they must be parked wholly within the parking place
- 44** Save as provided in part I a vehicle is not permitted to wait in a parking place in schedule 12 contrary to the restrictions specified in articles 41 and 42

#### **permit holder parking bays**

- 45** Each area of road specified in the various parts of schedule 13 is authorised as a parking place for vehicles displaying a valid permit as described in the heading of that part of the schedule relating to the length of road
- 46** The driver of a vehicle is not permitted to enter the parking place specified in article 45 unless it is a vehicle with a valid permit relating to that parking place
- 47** The issuing authority may specify in the application form or terms & conditions for a permit and/or it may be specified in a schedule part heading which properties are eligible for a permit
- 48** The issuing authority may specify in the application form or terms & conditions for a permit and/or it may be specified in a schedule part heading the conditions of use for a permit and a charge may be payable for a permit if specified in appendix B
- 49** Save as provided in part I a vehicle is not permitted to wait in a parking place listed in the various parts of schedule 13 contrary to articles 45 to 48

#### **electric vehicle recharging points**

- 50** Each area of road specified in the various parts of schedule 16 is authorised as a charging place
- 51** Save as provided in part I a vehicle is not permitted to wait in a parking place in schedule 16 contrary to the restrictions specified in the various parts to that schedule

### **PART G - PROVISIONS RELATING TO PARKING PERMITS**

- 52** For the purposes of administering a permit parking zone the Council shall define such parking zones as necessary
- 53** Appendix A contains the list of zones and the type of permits eligible for use in the relevant zones
- 54** Appendix B contains the list of the permit types and related charges

- 55 Permits, with the exception of visitor, guest house/hotel visitor, short stay trade permits, weekly trade permits and daily trade permits, have to be renewed annually unless there are specific provisions in place to the contrary and information regarding this will be provided on the application form or terms & conditions for the permit
- 56 The issuing authority may require a permit applicant to produce evidence in respect of the application as they reasonably require to verify any particulars or information given. This may include proof of residence which must be dated within the last three months and clearly state the name and address of the applicant
- 57 The issuing authority can terminate all rights granted by the permit if at any time there is any contravention of any of the provisions of this order and the permit holder will not be entitled to any refund in respect of the amount paid for the permit
- 58 Appropriate remittance is the sum specified in appendix B for the period that relates to a permit which is valid in one or more of the designated parking places referred to in the schedules
- 59 All permit types remain the property of the issuing authority and refunds will not be given for part used, unused or invalidated permits
- 60 All permits must be used in full compliance with their terms and conditions of use and any failure to comply with the terms and conditions of use shall invalidate the permit
- 61 Physical parking permits must be displayed in the relevant position within the vehicle throughout the permitted period of parking
- 62 The issuing authority may contact a parking permit holder or the driver of a vehicle to verify that the purpose for parking is for a purpose for which the permit was issued. Where verification cannot be obtained a civil enforcement officer may consider the parking permit invalid

#### **vehicles for which permits can be used**

- 63 Private cars, minibuses and motor caravans not able to carry more than 12 passengers, and light goods vehicles (maximum laden weight 3500kgs) may use a permit issued under the provisions in this part of the order unless there are specific provisions in place to the contrary and information regarding this will be provided in the terms & conditions for the permit
- 64 Where a permit displays a vehicle registration then it is only valid when displayed in the relevant position within the vehicle bearing that registration

#### **lost damaged destroyed or replacement permits**

- 65 If a permit is lost, damaged, destroyed or requires renewing due to a change of vehicle the permit holder may apply to the issuing authority for the issue of a replacement and the issuing authority upon being satisfied as to the loss, damage or destruction shall upon payment of a fee determined under appendix B issue a replacement permit and upon such issue the permit which it replaces shall become invalid
- 66 If a permit requires replacement due to a change of vehicle the permit holder may apply to the issuing authority for the issue of a replacement and the issuing authority, upon being satisfied as to the legitimacy of the change of vehicle, and on return of the original permit, shall issue a replacement permit without charge
- 67 If a permit becomes mutilated or defaced or the figures or particulars become illegible or the colour becomes altered by fading or otherwise the permit holder shall surrender it to the issuing authority and may then apply for the issue of a replacement permit
- 68 If a permit is lost or destroyed and the permit holder has applied to the issuing authority for the issue of a replacement the original must be surrendered if it is subsequently found or retrieved
- 69 The provisions of this order apply to the replacement permit and application for the permit as if it were a permit or as the case may be an application for a permit

### **transfer and surrender of permits**

- 70** A parking permit shall not be assigned or transferred to any person or business but may be surrendered at any time to the issuing authority and shall be surrendered in the event of
- a) the permit holder ceasing to be eligible for the permit; or
  - b) the permit holder ceases to be the owner of the vehicle(s) to which the permit has been issued; or
  - c) a replacement permit being issued under the provisions of this part; or
  - d) the expiry of the period for which the permit was issued; or
  - e) the issuing authority become aware that the permit is being misused or was falsely obtained
- 71** A permit holder may surrender a permit to the issuing authority at any time and shall surrender a permit on the occurrence of any of the events set out in article 70
- 72** The issuing authority may by notice in writing served on the permit holder at the address shown by that person on the application for the permit or at any other address believed to be that person's residence withdraw a permit if it appears that any of the events set out in article 70 has occurred and the permit holder shall surrender the permit within forty-eight hours of the receipt of the said notice
- 73** It shall be an offence to alter the said parking permit in any manner and any person so doing may have the parking permit withdrawn
- 74** The issuing authority may at its discretion levy an administration charge for the issue of a replacement permit whether or not a charge was made for the permit it replaces

### **PART H - ELIGIBILITY FOR PERMITS**

- 75** A property's continued eligibility to qualify for permits where a property is redeveloped is at the discretion of the Council

#### **residents permits**

- 76** A resident of an eligible property in appendix A, who is the owner/permanent user of a vehicle, may apply to the issuing authority for the issue of a residents parking permit to authorise a vehicle to park in a parking place within the zone specified in appendix A. The application shall include the particulars and information required by the issuing authority and shall be accompanied by the appropriate remittance
- 77** Unless otherwise identified by article 78, a maximum of 2 resident permits will be available from the issuing authority for eligible residential addresses in the zones listed in appendix A
- 78** The following exceptions apply to article 77 to the zones marked \* in appendix A
- a) Budleigh Salterton (A), Exeter (S1 Sandy Park Area) and Salcombe residents shall be limited to 1 permit per property
  - b) Appledore (The Quay and Torridge Road (Blackies)), Exmouth (B Bath Road), Sidmouth (A Fortfield Terrace) and Burlescombe & Sampford Peverell (Tiverton Parkway TP) residents have no specified limit although the issuing authority reserve the right to limit the amount of permits issued and the permit must be used subject to the conditions on the application form for that permit
  - c) Salcombe second home owners are eligible for 1 permit only per property valid between 1<sup>st</sup> November to 31<sup>st</sup> March
- 79** On receipt of an application made under the provisions of this part of the order and of the appropriate remittance the issuing authority upon being satisfied that the applicant is a resident and is the owner/permanent user of a vehicle of the class specified in article 63 may issue to the applicant one residents parking permit for the leaving of the vehicle to which the parking permit relates by the owner of that vehicle or by any person using the vehicle with the consent of the owner other than a person who the vehicle has been let for hire or reward, in any parking place to which the parking permit relates

#### **visitor permits**

- 80** A resident of an eligible property in appendix A may apply to the issuing authority for the issue of visitor permits for vehicles belonging to visitors to that resident. Each visitor permit will be valid for the day specified and will expire 10am the following day and is only valid for use within a parking place within the zone specified in appendix A. The application shall include the particulars and information required by the issuing authority and shall be accompanied by the appropriate remittance
- 81** Visitor permits will be issued in books of 30 permits and, unless otherwise identified by article 82, a maximum of 2 books will be available from the issuing authority for eligible residential addresses in the zones listed in appendix A

- 82 The following exceptions apply to article 81 to the zones marked \* in appendix A
- a) Exeter (S1 Sandy Park Area) shall be limited to 1 book of visitor permits per property

#### **exemption from prohibitions and restrictions for emergency services and medical practitioners**

- 115** No provision of this order shall apply to a vehicle being used for ambulance, coastguard, fire or police purposes in relation to an emergency or whilst in pursuit of duties or police purposes if the observance of that provision would be likely to hinder the use of that vehicle for the purpose for which it is being used on that occasion

- 116** Nothing in articles 6, 7, 9, 22, 23, 30, 32, 33, 35, 37, 49 and 51 make it unlawful to cause or permit a vehicle to wait or park in a restricted road for so long as may be necessary to enable a vehicle attending a medical emergency by a doctor, district nurse, midwife, or appointed social worker in which cases the Council may request written evidence of a genuine emergency
- 117** Nothing in articles 6 and 7 shall make it unlawful to cause or permit a vehicle relevant to a valid annual care worker permit or displaying a valid annual care worker permit in the relevant position to wait up to a maximum period of 1 hour in a length of road contrary to a restriction specified in the parts of schedules 1 and 2 provided the vehicle is being used to enable the delivery of essential services or support in the home of a nearby client and **provided** that the length of road is not subject to a no loading provision as specified in the parts of schedule 3 and that the clock device provided by the issuing authority to the permit holder is clearly displayed in the relevant position and set correctly to show the period of time during which exempted waiting in the length of road began
- 118** Nothing in articles 22 and 23 shall make it unlawful to cause or permit a vehicle displaying a valid annual care worker permit in the relevant position to wait in a length of road contrary to a restriction specified in the parts of schedules 4 and 5 provided the vehicle is being used to enable the delivery of essential services or support in the home of a nearby client

#### **loading and unloading of goods**

- 119** Nothing in articles 6, 7, 8, 22, 23 and 30 shall make it unlawful to cause or permit a vehicle to wait in any restricted road for so long as may be necessary to enable goods to be loaded onto or unloaded from the vehicle
- 120** Notwithstanding anything in article 119
- a) the driver of a vehicle waiting for the purposes of delivering or collecting goods or loading or unloading the vehicle shall move the vehicle on the instruction of a police constable in uniform or civil enforcement officer whenever such moving may be necessary for the purposes of preventing obstruction
  - b) the driver of a vehicle is not permitted to wait for the purposes of collecting goods or merchandise or loading or unloading the vehicle which is designated or authorised and described in article 9

#### **exemption from prohibitions and restrictions for works**

- 121** Nothing in articles 6, 7, 9, 10, 22, 23, 29, 31, 33, 35, 36, 49 and 51 make it unlawful to cause or permit a vehicle to wait in a restricted road for so long as may be necessary to enable the vehicle
- a) if it cannot conveniently be used for such purposes in another road to be used in connection with or for;
    - i) the removal of any obstruction to traffic
    - ii) the maintenance, reconstruction or improvement to the length of road
    - iii) the laying, erection, alteration or repair in or near any of the lengths of road of a sewer, main pipe or apparatus for the supply of gas, water, electricity or electronic communications network as defined in section 32 of the Communications Act 2003
    - iv) an emergency response for gas, water or sewerage leaks or mains electricity repairs provided that a notice on business headed paper stating contact details of where the driver can be located is displayed on the windscreen of the vehicle and provided that this exemption shall not apply to part C (article 9) & part D (article 10)
    - v) emergency industrial building or demolition operations provided that a notice on business headed paper stating contact details of where the driver can be located is displayed on the windscreen of the vehicle and provided that this exemption shall not apply to part C (article 9) & part D (article 10)
  - b) if it cannot conveniently be used in another road to be used in the service of a local authority or a water authority in pursuance of statutory powers or duties
- 122** Nothing in articles 22 and 23 shall make it unlawful to cause or permit a vehicle relevant to a valid virtual weekly trade permit or daily trade permit or displaying a valid physical weekly trade permit or daily trade permit, in the relevant position, to wait in a length of road contrary to a restriction specified in the parts of schedules 4 and 5 provided the vehicle is being used in pursuance of commercial or business activity in a nearby property
- 123** Nothing in articles 22 and 23 shall make it unlawful to cause or permit a vehicle displaying a valid short stay trade permit, in the relevant position, to wait in a length of road contrary to a restriction specified in the parts of schedules 4 and 5 provided the vehicle is being used in pursuance of commercial or business activity in a nearby property
- 124** Nothing in article 22 and 23 shall make it unlawful to cause or permit a vehicle displaying a valid annual trade permit, in the relevant position, to wait in a length of road contrary to a restriction specified in the parts of schedules 4 and those parts of schedule 5 that provide exemption for resident permit holders, provided the vehicle is being used in pursuance of commercial or business activity in a nearby property
- 125** Nothing in articles 6, 7, 9, 22, 23, 30, 32, 33, 35, 37, 49 and 51 makes it unlawful to cause or permit a vehicle to wait or park in a restricted road for so long as may be necessary to enable

- a) the vehicle to be used for the purpose of delivering or collecting postal packets as defined in section 4(3) of the Postal Services Act 2000
- b) a refuse or waste collection vehicle to collect waste products from premises situated on or adjacent to any of the said lengths of road for so long as waiting by that vehicle is reasonably necessary in connection with its duties

**126** Nothing in articles 22, 23, 30 and 33 shall make it unlawful to cause or permit a vehicle to wait in any restricted road for so long as may be necessary to enable the vehicle

- a) to wait when being used in connection with posting or removing advertising material in the form of posters; or
- b) to be used in connection with the cleaning of windows and fascias adjacent to the parking place in which the vehicle is waiting provided that a notice stating the location where the driver can be located is clearly displayed in windscreen of the vehicle; or
- c) to be used in connection with cleaning chimneys or gas appliances in premises adjacent to the parking place in which the vehicle is waiting provided that a notice stating the location where the driver can be located is clearly displayed in windscreen of the vehicle; or
- d) to be used in connection with the removal of furniture from one building to another or the removal of furniture from such premises to a depository or to such premises from a depository

#### **general exemption from prohibitions and restrictions**

**127** Nothing in articles 6, 7, 8, 9, 10, 22, 23, 30, 32, 33, 35, 37, 49 and 51 makes it unlawful to cause or permit a vehicle to wait or park in a restricted road for so long as may be necessary to enable

- a) a bus to wait on a marked bus bay
- b) the vehicle to wait or park if required by law to stop, or if the driver is being prevented from proceeding by circumstances beyond their control, or in order to avoid an accident

**128** Nothing in articles 6, 7, 8, 9, 22, 23, 30, 32, 33, 35, 37, 49 and 51 makes it unlawful to cause or permit a vehicle to wait or park in a restricted road for so long as may be necessary to enable

- a) a person to get in to or out of the vehicle, or to load or unload personal luggage
- b) a hackney carriage to be on hire upon a duly authorised taxi rank in accordance with the Local Government (Miscellaneous Provisions) Act 1976
- c) the principal vehicle to wait or park at or near to any premises situated on or adjacent to any of the said lengths of road, for so long as waiting by that vehicle is reasonably necessary in connection with a wedding or funeral
- d) the vehicle to take in petrol, oil, water or air from a garage situated on or adjacent to the said length of road

**129** Nothing in articles 23 and 30 shall render it unlawful to cause or permit a vehicle to wait in any restricted road if the vehicle is a motorcycle

#### **EXEMPTIONS FOR PERMIT HOLDERS**

##### **limited waiting**

**130** Permit holders may wait without time limit in the limited waiting parking places in the lengths of road specified in the applicable parts to schedule 4 **provided always** that any driver who is issued with a parking permit under the terms and conditions specified in this order may only park in the limited waiting places consistent with the zone to which their parking permit applies [for the avoidance of doubt an applicable part of the schedule refers to an item heading that states there is an exemption for permit holders]

##### **pay and display**

**131** Permit holders may wait without time limit in the pay and display parking spaces in the lengths of road specified in the applicable parts to schedule 5 **provided always** that any driver who is issued with a parking permit under the terms and conditions specified in this order may park in the pay and display places consistent with the zone to which their parking permit applies [for the avoidance of doubt an applicable part of the schedule refers to an item heading that states there is an exemption for permit holders]

#### **PART J – MISCELLANEOUS CONDITIONS**

**132** Any person may, subject to agreement with the published terms and conditions of use, apply to the issuing authority for the grant of a parking waiver, either in either a virtual or physical form authorising a specified vehicle to wait in a length of road contrary to a restriction specified in the parts of schedules 1, 2, 3 and 9

**133** An application shall be made in the form and manner publicised by the issuing authority and shall be submitted with the appropriate remittance specified in appendix B to this order

**134** A parking waiver granted by the issuing authority must be used in full compliance with the published terms and conditions of use. Any failure to comply with the terms and conditions of use shall invalidate the parking waiver

- 135** The grant and expiry of a parking waiver is at the sole discretion of the issuing authority and upon grant, the issuing authority reserves the right to withdraw or cancel it
- 136** The issuing authority may contact a permit holder, waiver holder or the driver of a vehicle to verify that the purpose for parking is for a purpose for which the parking permit/parking waiver was issued. Where verification cannot be obtained a civil enforcement officer may consider the parking permit/parking waiver invalid
- 137** A driver of a vehicle shall not use a parking place
- a) to unreasonably prevent access to any premises adjoining a road or use of a road by other persons or so as to be a nuisance; or
  - b) to unreasonably hinder access at a dropped kerb, cycle track, or crossing place and where the carriageway is raised to assist pedestrians or cyclists
