Epping Forest District Council (Off-Street Parking Places) Order 2021

Statement of Reasons

Torrington Drive Off-Street Parking area, Loughton

A change to the order to add properties to the off-street permit areas is proposed. This will allow properties 1 – 19 Church Court and 1-15 Davis Court, Loughton to apply for 1 permit per property at the standard charge for permits. The permit bays are not currently at parking capacity.

Bakers Lane Car Park, Epping

A new tariff structure is proposed for Bakers Lane car park as shown below. This is designed to encourage greater turnover of parking spaces on Saturdays and to discourage long-stay parking (over 5 hours) in the car park.
