---

- (i) required by law to stop; or
- (ii) obliged to do so in order to avoid an accident; or
- (iii) prevented from proceeding by circumstances beyond his control

DISABLED PERSON'S VEHICLES

10. Except <sup>for</sup> Articles 4 b), 5, 6(c), 12 and 15, nothing in this Order shall render it unlawful to cause or permit a disabled persons vehicle which displays in the relevant position a disabled persons badge and a parking disc (on which the driver, or other person in charge of the vehicle, has marked the time at which the period of waiting began) to wait in any of the roads, lengths of road or sides of road referred to in Schedules 1 and 2 of this Order for a period not exceeding 3 hours (not being a period separated by an interval of less than one hour from a previous period of waiting by the same vehicle that length of road).

Part D – Provisions as to On-Street Parking Places

PART D

PROVISIONS AS TO ON-STREET PARKING PLACES

IN ALL CASES

11. The Council shall:

- a) Cause the limits of each parking place to be indicated in the carriageway by placing and maintaining appropriate traffic signs of a prescribed size, colour and type;
- b) Place and maintain on or in the vicinity of each parking place, traffic signs of any prescribed size, colour and type indicating the permitted hours of use and permitted class of vehicle;
- c) Carry out such other work as is reasonably required for the satisfactory operation of the parking place.

12. Nothing in this Order shall prevent a person duly authorised by the Council from suspending a parking place to prevent any obstruction of the street:

- a) On the occasion of any public procession, rejoicing or illumination;
- b) Where the streets are thronged or are liable to be obstructed;
- c) For the convenience of occupiers of adjacent premises at the times of weddings, funerals or other special occasions;
- d) When it is required by the council to facilitate street works

Where a parking place has been suspended it shall become a prohibition of waiting, loading and unloading and, except for Articles 8, 9 d), f), g) and i) in Part C of this Order no person shall cause or permit a vehicle to wait, or be loaded or unloaded on a suspended parking place where the suspension has been conveyed in the following manner:

- e) Signs displaying the time, date, and location of the restriction have been placed on appropriate street furniture in the vicinity of the suspended parking place.

13. Except where Article 9 applies, no person shall cause or permit any vehicle weighing over 7.5 tons maximum gross weight from waiting on any length of road stated in the Schedules to this Order.
14. The driver of a vehicle shall not use a parking place so as to unreasonably prevent access to any premises adjoining the road or inhibit use of the road by others or so as to be a nuisance to others.
15. The driver of a vehicle shall ensure that the vehicle is of the permitted class and parked wholly within the bay markings with their near side parallel to the kerb.
16. The driver of a vehicle shall stop the engine as soon as the vehicle is in position in the parking place and shall not start the engine except when about to leave said parking place.
17. No person, except with the permission of a person duly authorised by the Council, shall drive any vehicle in a parking place other than for the purpose of leaving that vehicle in or to depart from said parking place.
18. No person shall use a parking place as a means of passage from one road to another.
19. No person shall use a vehicle whilst in a parking place, in connection with the sale of any article to any person in or near the parking place or in connection with the sale or hire of any skill or service.
20. No person shall do anything in contravention of any signs erected or surface markings laid by the Council whilst in that parking place.
21. Where a vehicle is left in a parking place in contravention of this Order, a person authorised by the Council may remove the vehicle or arrange for it to be removed from that parking place.

Part D – Provisions as to On-Street Parking Places

22. A person authorised by the Council moving a vehicle by virtue of Article 21 of this Order may do so by towing or driving the vehicle, or in such other manner as he may think necessary.
23. Where a person authorised by the Council removes or makes arrangements for the removal of a vehicle from a parking place by virtue of Article 22 of this Order, he shall make reasonable arrangements for the safe custody of the vehicle.

IN CHARGEABLE PARKING PLACES

24. Whenever a vehicle occupies any of the parking places mentioned in the Schedule 6 to this Order, a prepaid ticket shall be purchased when the vehicle enters said parking place during which the vehicle is intended to be parked in that parking place and not exceeding the maximum waiting period. This shall be calculated in accordance with the Schedule 8 and said ticket shall be displayed on the vehicle in the appropriate manner throughout said period.
25. Where the parking of a vehicle in any parking place is authorised by a prepaid ticket, such vehicle shall not be left in the parking place for longer than the period permitted by said ticket.
26. The driver of a motor vehicle parked in the parking place shall attach the ticket inside the front windscreen of the motor vehicle so that the time and other relevant details are clearly visible from the outside of the vehicle and should remain in position until the vehicle leaves the parking place.
27. The payment of the appropriate parking charge shall be made on leaving the motor vehicle in the parking place, by the insertion of an appropriate coin or coins for the period required into the ticket machine provided (being a machine, apparatus or device in accordance with Section 35(3) of The Act) to the sum of money representing the appropriate charge.
28. The issue of a ticket by a ticket machine in a parking place shall indicate the payment of the sum of money in accordance with the scale of charges as specified in column 4 of the Second Schedule.
29. Evidence of payment of the appropriate charge by the driver of a motor vehicle shall consist of the display of the appropriate ticket in the relevant position issued by a ticket machine stating the day, time of issue or expiry and vehicle index number.
30. Where the service is available, each parking place referred to in Schedule 6 may also be used for such classes of vehicles in such positions on such days during such hours on payment of the relevant parking charge by paying by phone.
  - (a) Paying by phone information signs and the relevant Location Identification Number signs will be located near each parking place where pay by phone is in operation and will provide information in relation to the operation and use of paying by phone
  - (b) The payment of a parking charge using paying by phone will relate only to the Parking Places as indicated by the Location Identification Number displayed on the Location Identification Number sign situated near the parking place
  - (c) Where a vehicle has been left in a parking place operating paying by phone an indication that the relevant parking charge has been made in respect of that vehicle using paying by phone together with an indication of the parking periods for which payment has been made shall appear on the Hand-Held Device
  - (d) Without prejudice to the provisions of this Order, if at any time while a vehicle is left in a Parking Place referred to in Schedule 6 to this Order no indication appears on a Hand-Held Device that payment of the relevant parking charge has been made using paying by phone or a Hand-Held Device indicates that the payment period for which payment was made using paying by phone has expired it shall be presumed that either:
    - i) The relevant parking charge has not been duly paid in respect of that vehicle in accordance with the provisions of this Article; or
    - ii) The parking period for which payment was made using paying by phone has expired.

Part E – Parking Permits

**PART E**

**PARKING PERMITS**

**ZONE A1 PARKING PERMITS**

31. Subject to availability, any resident within Zone A1 may apply for a "Zone 1" parking permit. Such application for any permit shall include all information, and authentication required by the form and the charge specified in Schedule 9 to this Order.
32. The Council may, at any time, require an applicant for a permit or a permit holder to produce to an officer of the Council reasonable evidence which verifies the information provided or to verify the validity of a permit.
33. A permit holder may, at any time, apply to the Council for the amendment of a permit issued to him so as to relate to any other vehicle or additional vehicle, and the Council, having satisfied themselves as to the validity of the amended application may amend the permit or issue a new permit on surrender of the existing permit.
34. Upon receipt of an application duly made under the provisions of Article 31 of this Order, and subject to the Council being satisfied that the vehicles specified in the application are used by residents of Zone A1, the Council may issue to the applicant a permit for the vehicle specified in the application
35. If a permit is lost or destroyed the permit holder may apply to the Council for a duplicate permit and the Council, on being satisfied as to such a loss or destruction shall issue a duplicate permit. On issue of the duplicate permit the original shall become invalid.
36. If a permit is mutilated, defaced, discoloured or illegible, the permit holder shall surrender it to the Council and apply to the Council for a replacement permit and on receipt of the defective permit the Council shall issue a replacement.

**ZONE A2 RESIDENTS' PARKING PERMITS**

37. Subject to availability, any resident within Zone A2 may apply for a "Zone 2" parking permit. Such application for any permit shall include all information, and authentication required by the form and the charge specified in Schedule 9 to this Order.
38. The Council may, at any time, require an applicant for a permit or a permit holder to produce to an officer of the Council reasonable evidence which verifies the information provided or to verify the validity of a permit.
39. A permit holder may, at any time, apply to the Council for the amendment of a permit issued to him so as to relate to any other vehicle or additional vehicle, and the Council, having satisfied themselves as to the validity of the amended application may amend the permit or issue a new permit on surrender of the existing permit.
40. Upon receipt of an application duly made under the provisions of Article 37 of this Order, and subject to the Council being satisfied that the vehicles specified in the application are used by residents of Zone A2, the Council may issue to the applicant a permit for the vehicle specified in the application
41. If a permit is lost or destroyed the permit holder may apply to the Council for a duplicate permit and the Council, on being satisfied as to such a loss or destruction shall issue a duplicate permit. On issue of the duplicate permit the original shall become invalid.
42. If a permit is mutilated, defaced, discoloured or illegible, the permit holder shall surrender it to the Council and apply to the Council for a replacement permit and on receipt of the defective permit the Council shall issue a replacement.
