  - (f) the vehicle to take in petrol, oil water or air from any garage situated on or adjacent to the street or any length of street;
  - (g) the vehicle to wait at or near to any premises situated on or adjacent to the said sides of road for so long as is reasonably necessary in connection with any wedding or funeral;
  - (h) any gate or other barrier at the entrance to premises, to which the vehicle requires access, or from which it has emerged, to be opened or closed; or

- (i) with the written consent of the Council and such conditions and requirements as they may impose are being compiled with.
- (2) Nothing in Article 5 of this Order shall render it unlawful to cause or permit any vehicle to wait or remain at rest in any restricted street during restricted hours for as long as stated or as may be necessary to enable those actions specified in paragraph (1) (a), (d), (e), (f) and (h) of this Article;
- (3) Nothing in Article 6 of this Order shall render it unlawful to cause or permit any vehicle to wait or stop in any restricted street during restricted hours, if it cannot conveniently be used for such purpose in any other street or outside restricted hours for the actions set out in paragraph (1) (d), (e), or (f) of this Article.
- (4) Nothing in Part 2 of this Order shall apply to anything done with the permission or at the direction of a police constable in uniform or a civil enforcement officer or where the person in control of the vehicle is required by law to stop or wait or remain at rest, or is obliged to do so in order to avoid an accident, or is prevented from proceeding by circumstances beyond their control.

### **Waiver permits**

#### **11. The Council:**

- (1) may issue a permit (a Waiver permit) to identify those vehicles which are exempted from the restriction of waiting (single yellow lines only) in the streets and parts streets identified in Schedule 3, Table 3 and such exemption shall apply to those streets and parts of streets being in the same zone as the zone code shown on the face of the Waiver permit;
- (2) will apply an administration charge as authorised by The Local Authorities (Transport Charges) Regulations 1998; and
- (3) having regard to the cost to them of dealing with any such permit issues, will periodically review the amount of charge ("the appropriate administration fee") and permit holders will be informed accordingly.

### **Eligibility for Waiver permits**

- 12. Any resident of an eligible address may apply to the Council for the issue of a Waiver permit for the leaving of a vehicle of the permitted class and any such application shall be made on a form issued by and obtainable from the Council and shall include the information required by such form and shall be accompanied by the appropriate administration fee.

### **Applications for Waiver permits**

- 13. On receipt of an application made under the foregoing provisions, and of the appropriate administration fee, the Council, upon being satisfied that the application is an eligible resident, may issue to the applicant a Waiver permit for the leaving in any length of road specified on the permit by a zone code of a vehicle with the consent of the owner; provided that; subject to the provisions of Article 14, the Council shall not issue a permit to any resident which would be valid for any period during which any other permit issued to that resident extends.

### **Verification of particulars**

- 14. The Council may at any time require an applicant for a permit to produce to an Officer of the Council such evidence in respect of an application for a permit made to them as they may reasonably require to verify information given to them.

### **Restriction on numbers of Waiver permits held**

- 15. Waiver permits shall be restricted to a maximum number issued per household as identified in Column 5 of Schedule 4.

### **Termination of rights**

16. The Council shall be entitled to terminate all rights granted by the Waiver permit if at any time there is any contravention of any of the provisions contained in this Order and in such circumstances the permit holder shall not be entitled to any refund whatsoever of any amount paid in respect of such a Waiver permit.

This is Without prejudice to any other rights of the Council against the permit holder in respect of the breach of condition giving rise to the termination of the rights granted by that permit. 30

#### **Surrender, withdrawal and validity of Waiver permits**

17. (1) A Waiver permit shall be valid for a period indicated in Column 4 of Schedule 4.
- (2) A Waiver permit shall not be assigned or transferred to any other person except as hereafter provided but a permit holder may surrender a permit to the Council at any time and shall surrender a permit on the occurrence of any of the events set out in paragraph (4) a, b, c or d of this Article;
- (3) The Council may, by notice in writing served on the permit holder by sending the same by first class post to the permit holder at the address shown by that person on the application for the permit, or at any other address believed to be that person's place of abode, withdraw a permit if it appears to the Council that any one of the events set out in paragraphs (4) a, b, c or d of this Article has occurred and the permit holder shall surrender the permit to the Council within 48 hours or the receipt of the aforementioned notice.
- (4) The events referred to in the forgoing provisions of the Article are:
- (a) The Waiver permit holder ceasing to be a resident of the premises for which the permit in question was issued;
  - (b) The issue of a revised permit or a duplicate permit by the Council under the provisions of the next following Article to this Order;
  - (c) The permit ceasing to be valid pursuant to the provisions of paragraph (5) of this Article; and
  - (d) The withdrawal of such permit by the Council under paragraph (2) of this Article;
- (5) Without prejudice to the foregoing provisions of this Article, a permit shall cease to be valid at the expiration of the period specified thereon or on the occurrence of any one of the events set out in paragraph (4) of this Article, whichever is earlier.

#### **Issue of replacement Waiver permits**

18. (1) If a permit is mutilated or accidentally defaced or the figures or particulars thereon have become illegible or the colour of the permit has become altered by fading or otherwise, the permit holder shall surrender it to the Council or apply to the Council for the issue of a duplicate permit and the Council upon receipt of the permit and an administration charge as indicated in Column 3 of Schedule 4, shall issue a replacement permit.
- (2) If a permit is lost or destroyed, the permit holder may apply to the Council for the issue of a duplicate and the Council, upon being satisfied as to the loss or destruction and upon receipt of an administration charge, shall issue a replacement permit.
- (3) The provisions of this Order shall apply to a replacement permit and an application for such a permit as if it were a permit or, as the case may be, an application for a permit.
- (4) The Council will apply an administration charge as authorised by The Local Authorities (Transport Charges) Regulations 1998, having regard to the cost to them of dealing with any such permit replacement, and will periodically review the scale of administration charges and permit holders will be informed accordingly.

### **PART 4 – ADDITIONAL PROVISIONS**

#### **Duty to move on**

19. Notwithstanding any exception or exemption contained in this Order, the person in control of a vehicle waiting during the restricted hours in any restricted street shall move the vehicle on the

instructions of a police officer in uniform or a civil enforcement officer whenever such moving may be reasonably necessary for the purpose of preventing or removing obstruction.

#### **Restriction on street trading**

20. No person shall sell, offer or expose for sale goods from a vehicle which is in any restricted street unless:
- (1) that person is licensed by the Council to sell goods from a stationary vehicle on a pitch in that street and sells goods from that pitch; or
  - (2) the goods are immediately delivered at or taken into premises adjacent to the vehicle from which the sale is affected.

### **PART 5 – DESIGNATION AND USE OF PARKING PLACES**

#### **Designation of parking places, loading places and parking areas**

21. (1) Each area on a highway identified:
- (a) on the Map Schedule by way of a Map Tile label and/or the Map Schedule Legend as a parking place, loading place or parking area; and
  - (b) as an area marked out and signed for the use therein of specified classes of vehicles following the conditions specified in this Order in relation to that parking place, loading place or parking area, is designated as a parking place by this Order.
- (2) Unless otherwise so identified, a designated parking place shall be bounded on one side of its length by the edge of the carriageway and be an area marked out to a road marking and/or depicted by a regulatory sign, either in accordance with the Regulations or, if applicable, by virtue of any special authorisation given by the Secretary of State.

#### **Vehicles for which parking places, loading places and parking areas are designated**

22. (1) Each parking place or parking area identified as such in the Map Tile relating to that parking place or parking area, by reference to the Map Schedule Legend and/or the Map Tile label in the Map Schedule may be used, subject to the provisions of this Order, for the leaving during the permitted hours of passenger vehicles, light goods vehicles, motor cycles or disabled person's vehicles.
- (2) Each loading place identified as such in the Map Tile relating to that loading place, by reference to the Map Schedule Legend and/or the Map Tile label in the Map Schedule may be used, subject to the provisions of this Order, during the permitted hours, for:
- (a) any class of vehicle; or
  - (b) the class of vehicle so identified in the Map Tile label and on the sign in the vicinity of the loading place;
- for the sole purpose of loading or unloading the vehicle for the delivering or collection of goods.
- (3) Where the parking place or parking area identified in Article 21 is a relevant parking place or parking area for valid permit holders it may be used, subject to the provisions of this Order, for the leaving during the permitted hours of such vehicles as are described in Article 22(1) which either:
- (a) display a valid permit in the manner specified in Article 28(1); or
  - (b) display a disabled persons badge in the relevant position.

- (4) Where the parking place or parking area identified in Article 21 is a payment parking place it may be used, subject to the provisions of this Order, for the leaving during the permitted hours of such vehicles as are described in Article 22(1) provided that:
  - (a) a valid parking ticket machine ticket is displayed in the manner specified in Article 28(2)(a); or
  - (b) a record of payment can be identified on a handheld device in the manner specified in Article 28(2)(b); or <sup>Jo</sup>
  - (c) a disabled persons badge is displayed in the relevant position.
- (5) Where the parking place or parking area identified in Article 21 is a permit parking place with provision for limited waiting, a shared use parking place, it may be used, subject to the provisions of this Order, for the leaving during the permitted hours of such vehicles as are described in Article 22 (1); provided that:
  - (a) a valid permit is displayed in the manner specified in Article 28(1); or
  - (b) the vehicle complies with any restriction on waiting in Article 23; or
  - (c) a disabled persons badge is displayed in the relevant position.
- (6) Where the parking place identified in Article 21 is a permit parking place with provision for payment parking, a shared use parking place in which a parking payment applies, it may be used, subject to the provisions of this Order, for the leaving during the permitted hours of such vehicles as are described in Article 22(1); provided that:
  - (a) a valid permit is displayed in the manner specified in Article 28(1); or
  - (b) a valid parking ticket machine ticket is displayed in the manner specified in Article 28(2)(a); or
  - (c) a record of payment can be identified on a handheld device in the manner specified in Article 28(2)(b); or
  - (d) a disabled persons badge is displayed in the relevant position.
- (7) A valid permit applicable to a parking place or parking area, to be displayed in accordance with paragraph (3)(a), (5)(a) and (6)(a) of this Article, shall be determined by the type of permit identified in Column 2 of Schedule 6 for each type of parking place or parking area identified in Column 1 of that Schedule, subject to the conditions identified in Column 3 of that Schedule and the provisions of this Order.
- (8) Subject to the provisions of this Order, the following parking places identified in Article 21 may only be used by the class of vehicle specified as follows:
  - (a) a disabled persons' badge parking place may be used, for the leaving during the permitted hours of such vehicles as display in the relevant position a disabled persons' badge;
  - (b) a police vehicle parking place may be used for the leaving at all times of such vehicles as are being used for police purposes;
  - (c) a solo motor cycle parking area may be used for the leaving during the permitted hours of such vehicles as are solo motor cycles;
  - (d) an ambulance parking place may be used for the leaving during the permitted hours of such vehicles as are ambulances;
  - (e) a coach parking place may be used for the leaving during permitted hours of a public service vehicle licenced to operate from the parking place in question;
  - (f) authorised taxi bays and taxi stands may be used for the leaving during permitted hours of taxis which are licenced under the Local Government Miscellaneous Provisions Act 1976; and
  - (g) an electric vehicle parking place may be used for the leaving during permitted hours of an electric vehicle, which throughout the period of waiting is connected to the charging device.

### **Restriction on waiting**

23. No person shall, except upon the direction or with the permission of a police constable in uniform or civil enforcement officer, cause or permit any vehicle to wait during the permitted hours on any designated parking place described in Article 21 and specified in the Map Tile related to that parking place as identified in the Map Schedule Legend and/or Map Tile label in the Map Schedule:
- (1) for a period, longer than that specified; or
  - (2) if a period of less than that specified as being a period during which the vehicle must not be left again in that parking place, a period of no return, has elapsed since the termination during the permitted hours of the last period of waiting (if any) of that vehicle.

## **PART 6 - GENERAL CONDITIONS IN RESPECT OF PARKING PLACES**

### **Alteration of position of a vehicle**

24. Where any vehicle is standing in a parking place in contravention of the provisions of this Order, a police officer in uniform or civil enforcement officer may alter, or cause to be altered, the position of the vehicle in order that its position shall comply with those provisions.

### **Movement of a vehicle an emergency**

25. A police officer in uniform or a civil enforcement officer, may move or cause to be moved, in case of emergency, to any place he thinks fit, any vehicle left in a parking place, a parking area or a loading place.

### **Exemptions for a solo motor cycle**

26. (1) Notwithstanding any provision of this Order, a solo motor cycle may be left in any part of a parking place or parking area without time limit, provided that the parking place or parking area in which the vehicle is left has not been suspended.
- (2) No charge shall be incurred or payable in respect of any solo motor cycle left in a parking place or parking area in accordance with the foregoing provisions of this Article.
- (3) Without prejudice to the generality of this Article, a solo motor cycle to which this Article applies shall stand in a parking place in accordance with the provisions of this Order.

### **Contraventions**

27. If a vehicle is left in a parking place, a parking area or a loading place at any time during the permitted hours, without complying with the provisions of this Order, then a contravention of this Order and a parking contravention within Paragraph 4 of Schedule 7 to the Act of 2004 shall be deemed to have occurred.

## **PART 7 – PERMIT AND PAYMENT PARKING PLACES**

### **Tickets and permits to be displayed**

28. (1) At all times during which a vehicle is left during the permitted hours in a relevant parking place in accordance with the provisions of Article 22(3), (5) and (6), the driver thereof shall cause to be displayed on the front windscreen of the vehicle a valid permit issued in respect of that vehicle so that all the particulars referred to in Article 32 for that permit are readily visible from the front or near-side window of the vehicle.

- (2) At all times during which a vehicle is left during the permitted hours in a payment parking place, or a shared use parking place where payment parking is permitted, in accordance with the provisions of Article 22(4) and (6), the driver thereof shall:
- (a) cause to be displayed on the front or nearside thereof, a valid parking ticket machine ticket issued in respect of that vehicle by a parking ticket machine so that all the particulars on that side of the ticket which bears the indications that it has been issued in respect of that vehicle and the time by which the charge period for which it is permitted to be left in that parking place will expire are readily visible from the front or nearside of the vehicle; or
  - (b) cause a record to appear on a handheld device indicating that the driver of that vehicle, or a person authorised by the driver to act on their behalf, has paid the parking charge using the telephone or electronic payment system and the time by which the charge period for which it is permitted to be left in that parking place will expire.
- (3) If at any time while a vehicle is parked in a payment parking place and no parking payment ticket is displayed on that vehicle in the relevant position in accordance with paragraph (2)(a) of this Article, or no record appears on a handheld device indicating that a payment has been made in respect of that vehicle in accordance with paragraph (2)(b) of this Article, it shall be deemed that the charge has not been paid.

#### **Amount of the charge at payment parking places**

29. The charge payable for the leaving of a vehicle in accordance with the provisions of this Order in a parking place identified as a payment parking place, or a shared use parking place in which payment parking is permitted, as indicated in the Map Tile relating to that parking place, by reference to the Map Schedule Legend and/or the Map Tile label in the Map Schedule, shall be the tariffs indicated by:
- (1) a sign on the parking ticket machine in the vicinity of the parking place; and
  - (2) the tariff code included in the Map Tile label in relation to that parking place in which the vehicle is left by reference to the tariffs associated with that tariff code in Column 3 of Schedule 7 and the period of charge in Column 2 applicable to that tariff code in Column 1 of that Schedule.

#### **Payment of the charge in respect of payment parking places**

30. (1) Subject to the provisions of Articles 26 (2) and 32(1) and subject to paragraph (7) of this Article, the charge shall be payable on the leaving of the vehicle in a payment parking place:
- (a) by the insertion of appropriate coins or a credit / debit card in a parking ticket machine; or
  - (b) by recording payment by use of the telephone payment system;
- at the level of charge and for the period required in accordance with the scale of charges specified by notice on each parking ticket machine, or on a notice located in the vicinity of the payment parking place in the case of telephone payment parking, and in Schedule 7, the appropriate tariff being identified by the tariff code indicated in the Map Tile label identified in the Map Tile related to that parking place, by reference to the Map Schedule Legend and/or the Map Tile label in the Map Schedule.
- (2) Where payment has resulted in the issue of a parking payment machine ticket this will indicate, the charge paid and the date and time of expiry, by the display of that ticket on the vehicle in the manner specified in Article 28(2)(a). The ticket shall be valid from the time and date of issue up to the time and date of expiry indicated on the ticket.

- (3) No person shall after obtaining a parking ticket alter the indication given by that ticket whilst the vehicle to which the ticket relates remains in the parking place, or knowingly exhibit on a vehicle a parking ticket which has been altered, defaced, mutilated, or added to or upon which the figures or particulars have become illegible, except where such mutilation or illegibility has been produced by the parking ticket payment machine.
- (4) If at any time when a vehicle is parked during the charging hours in a payment parking place and the nearest parking ticket machine to that payment parking place is out of order, then a ticket shall be obtained from another payment parking ticket machine within the same parking tariff area.
- (5) Upon payment of the charge for a vehicle left in a payment parking place the driver thereof shall display or cause to be displayed on the vehicle, in accordance with the provisions of the next following paragraph, the ticket issued by the parking ticket machine on payment of the charge in accordance with the provisions of the last foregoing paragraph;
- (6) The ticket referred to in the last preceding paragraph shall be displayed on the front or nearside of the vehicle in respect of which it was issued at all times during which the vehicle is left during the permitted hours in the parking place so that all the particulars on that side of the ticket which bears the indication that a charge has been paid are readily visible from the front or nearside of the vehicle, as the case maybe.
- (7) A vehicle left in a payment parking place displaying in the relevant position a valid disabled person's badge shall be exempt from the payment of any parking charge and in addition shall be exempt from any limitation of time as identified in the Map Tile related to that parking place, by reference to the Map Schedule Legend and/or the Map Tile label in the Map Schedule.
- (8) In the case of payment of the parking charge through use of the telephone parking payment system there will be no requirement to display a ticket as specified in the foregoing paragraphs of this Article, but the particulars that indicate, the charge paid and the date and time of expiry must be verifiable on a handheld device with access to the telephone payment system.
- (9) If at any time when a vehicle is left in a payment parking place, or a shared use parking place where payment parking applies, and no parking ticket is displayed, or no record of a parking charge payment is verifiable on a handheld device, or the parking period for which payment was made has expired, it shall be presumed, unless the contrary is proved, that either:
  - (a) the parking charge has not been duly paid in respect of that vehicle; or
  - (b) the parking period for which payment was made has already expired.

#### **Validity of payment parking tickets**

31. (1) A parking payment ticket is not transferable from one vehicle to another.
- (2) A parking payment ticket is valid in any payment parking place within the payment parking tariff area in which it was purchased.

## **PART 8 – DISPENSATION CERTIFICATE**

### **Dispensation certificate**

32. (1) The Council may issue a dispensation certificate on receipt of an application and may impose such terms and conditions as it deems appropriate.
- (2) A dispensation certificate may be cancelled at any time at the sole discretion of the Council and shall thereupon immediately cease to be valid. Notification of such cancellation shall be in writing to the holder of the certificate at any address that the Council believes to be that person's address and the certificate shall forthwith be surrendered to the Council.
- (3) A dispensation certificate with the Council's permission and terms of use on view, must be displayed in the relevant position within the vehicle when waiting in a restricted street in restricted hours or in a parking place or parking area during permitted hours.

## **PART 9 – PERMITS**

### **Permit zones and areas**

33. (1) For the purposes of administering permits the Council shall define, by name and/or unique reference as a permit identifier, such permit zones and areas as the Council at its absolute discretion may deem necessary. The permit zones and areas are named in Column 3 of Schedule 3, Table 1 and the related permit identifier for each permit zone or area is listed in Column 1 of that Schedule and Table.
- (2) The names of roads and properties within each road in relation to each permit zone or area listed in Schedule 3, Table 1, which are eligible to apply for permits are detailed in each respective part of Schedule 5, Table 1 for each permit zone or area indicated by its identifier in Column 1 for that Schedule and Table.

### **Eligibility and application for residents' permits**

34. (1) Any resident at an eligible address who is either:
- (a) the owner of a vehicle; or
  - (b) the user of a company or lease vehicle and can provide from their company/agent supporting the requirement for the vehicle to be parked at their address; and

the vehicle is of the class specified in Article 38 may apply to the Council with payment of the appropriate remittance for the issue of a residents permit in respect of that vehicle and for the permit zone of which they are resident and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.

### **Visitor permit**

35. Any resident at an eligible address, whether or not they hold a resident permit, may apply to the Council for the issue of a visitor permit, or permits, or visitor scratch-card permits for the leaving of a vehicle by any visitor to that resident, or any other person resident at the same address, during the permitted hours in a designated residents parking place within the permit zone of which they are resident and any such application shall be made on a form issued by, or on behalf of, the Council and shall include the particulars and information required by such form to be supplied.

### **Issue of visitor permits**

36. The Council, upon being satisfied that an applicant is a resident of the permit zone or area for which application is being made and on receipt of the appropriate fee as shown in Column 3, of Schedule 4 may issue to that applicant a visitor permit, permits or scratch-cards agreed by the Council for the leaving of a vehicle of a class specified in Article 38 at any time in any residents' permit parking place within the permit zone specified on the visitor permit or scratch card. All applicants must display a valid permit or visitor scratch-card in their vehicle when left in a resident permit parking place within the permit zone or area, to which the permit relates, on the days and during the permitted hours, as identified by the sign in the vicinity of the parking place and as shown on the Map Tile related to that parking place and identified in the Map Tile Label and/or the Map Schedule Legend in the Map Schedule and must at all such times use it in accordance with the conditions of issue.

### **Maximum number of permits**

37. The Council shall not be required to issue for any Zone or Area a greater number of permits than the number of designated parking places available in that Zone or Area:

Provided always, however that it shall be entirely within the Council's discretion in such circumstances whether or not additional parking permits beyond the number of designated parking spaces available may be issued;

Provided also, that it shall be entirely within the Council's discretion to restrict such additional parking permits to be issued on an annual and non-renewable basis.

### **Classes of vehicles for which permits are applicable**

38. Subject to the provisions of this Order, permits or scratch-cards may be issued to classes of vehicles being passenger vehicles, light goods vehicles and solo motor cycles.

### **Verification of permits**

39. The Council may require an applicant for a permit or permit holder to produce such evidence in respect of the application as may be reasonably required to verify any particulars or information given to them, or in respect of any residents or visitor permit issued by them, as may reasonably be required to verify that the details of the application are valid or that the permit is valid.

### **Issue of permits**

40. (1) The Council, upon being satisfied that an applicant is the keeper of a vehicle of a class specified and on receipt of the appropriate fee, as detailed in Column 3, of Schedule 4 may issue to that applicant a permit or scratch-cards, for the leaving on that vehicle at any time in a parking place to which such permit relates by the owner or by any person using such vehicle with the consent of the owner.
- (2) All applicants must display a valid permit or scratch-card in their vehicle and use it in accordance with the conditions of issue.

### **Validity of permits**

41. (1) A parking permit shall be available for use only on the vehicle in respect of which it is issued but in the event of the permit holder disposing of such vehicle they must return the permit to the Council and obtain a substitute permit for the new vehicle. The Council, upon being satisfied as to the change of vehicles, shall upon payment of the correct remittance and the surrender of the current permit, which will be void, issue a replacement permit and upon such issue the replacement permit will become valid.

- (2) A permit shall only be valid for use in a parking place on a road within a permit zone or area identified on the permit by the permit identifier as shown in Column 1 of Schedule 3, Table 1 in relation to the permit zone or area named in Column 3 of that Schedule and Table and must be used in accordance with the conditions of issue and within the period of validity specified on the face of the permit and in Column 4 of Schedule 4, subject to Article 43.

#### **Surrender of permits**

42. (1) A resident permit holder may surrender a permit to the Council at any time and shall surrender a permit to the Council on the occurrence of any of the events as set out in Article 43.

#### **Withdrawal of permits**

43. (1) The Council, may by notice in writing served on the permit holder of a residence or business at the address shown by that person on the application for the permit, or at any other address believed to be that person's residence, withdraw a permit if it appears to the Council that any of the events set out in paragraph (2) of this Article has occurred. The permit holder shall surrender the permit to the Council within 48 hours of the receipt of the said notice.
- (2) The events referred to in the foregoing paragraph are:
- (a) the permit holder ceases to be a resident;
  - (b) the permit holder ceasing to be the keeper of the vehicle in respect of which a permit was issued;
  - (c) the vehicle in respect of which such permit was issued being adapted or used in such manner that it is not a vehicle of a class specified in Article 38;
  - (d) the issue of a duplicate permit by the Council; and
  - (e) a breach of any condition which may from time to time be determined by the Council and is specified on the permit and / or any application form.
- (3) A permit shall cease to be valid on the occurrence of any of the events set out in this Article.

#### **Replacement permits**

44. (1) If a permit is mutilated or defaced or the figures or particulars on it have become illegible or the colour of the permit has become altered by fading or otherwise, the permit holder shall surrender it to the Council and may then apply to the Council for the issue of a replacement permit.
- (2) If a permit is lost or destroyed, the permit holder may apply to the Council for the issue of a replacement permit.
- (3) The provisions of this Order shall apply to a replacement permit and an application for such a permit as if it were a permit or, as the case may be, an application for a permit.
- (4) Any permit issued by virtue of the provisions of paragraphs (1) or (2) above shall be marked as a replacement, and upon the issue of a replacement permit the permit which it replaces shall become invalid.

#### **Form of permits**

45. (1) A resident permit shall include the following particulars:
- (a) the registration mark of the vehicle in respect of which the permit has been issued;
  - (b) the parking zone/s in respect of which the permit is valid;
  - (c) the period during which, subject to the provisions of this Order, the permit shall remain valid;
  - (d) any condition imposed by virtue of Article 44; and
  - (e) an authentication that the permit has been issued on behalf of the Council.
- (2) A visitors permit shall have included before being displayed in the vehicle the following particulars:-
- (a) the parking zone/s in respect of which the permit is valid;

- (b) the period during which, subject to the provisions of this Order, the permit shall remain valid;
- (c) any condition imposed by virtue of Article 44; and
- (d) an authentication that the permit has been issued on behalf of the Council.

#### **Renewal of permits**

46. Not more than one month before a permit expires; the permit holder may apply to have it renewed, by either;
- (1) applying for a resident or visitor permit in the manner specified in Articles 26, 27, 29, and 30 and fulfilling the requirements specified in those Articles; or
  - (2) the permit holder is able to apply for the permit via the following methods;
    - (a) by internet, on the form provided on the Council's website. The form must be completed with all required information and the permit charge paid in full;
    - (b) by telephone, providing the details required by the Council and paying the appropriate permit charge in full; or
    - (c) by post using the hard-copy form that accompanies the letter issued by the Council in accordance with the Articles referred to in sub-paragraph (a) above, with all required information and paying the appropriate permit charge in full.

#### **Charges for permits**

47. The permit charges for residents and visitor permits of a type and category as stated in Columns 1 and 2 respectfully of Schedule 4 are as set out in Column 3, of that Schedule.

#### **Payment of permit charges**

48. The permit charge shall be paid to the Council in the manner specified within the application form.

#### **Appeal against a decision not to issue a permit**

49. (1) Where an application for a permit is declined by the Council, the applicant may, subject to paragraph (2) of this Article, appeal against this decision. Such an appeal must be in writing and be sent to the Council within 28 days of the application being declined.
- (2) Appeals will be considered by the Council by a minimum of two senior designated Officers of the Council who have not been initially involved in the decision to reject the application. The Council shall provide a written decision to the appellant within 28 days of receipt of the appeal. There is no right of appeal against the appeal decision provided by the Council.

### **PART 10 – SUPPLEMENTARY PROVISIONS**

#### **Manner of standing in a parking place**

50. Every vehicle left in a parking place in accordance with the foregoing provisions of this Order shall stand;
- (1) so that every part of the vehicle is within the limits of that parking place;
  - (2) if the vehicle is a solo motor cycle, so that its rear wheel is nearest to and at an angle of 90° to the nearest edge of the carriageway; and
  - (3) So that no part of the vehicle obstructs any vehicular means of ingress to or egress from any premises adjacent to the side of the road on which the vehicle is waiting:

Provided that in this sub-paragraph the expression "premises" shall not include any premises to or from which any furniture is being delivered or removed.

#### **Power to suspend the use of a parking place**

51. (1) The Council may suspend the use of a parking place or any part thereof for a period not exceeding twenty-eight days, whenever they consider such suspension is necessary for the purposes of maintaining the safety of any person or premises in the vicinity of that parking place.
- (2) At the expiration of the period of twenty-eight days specified in paragraph (1) of this Article, the suspension of the parking place or any part thereof, as the case may be, shall be reviewed by the person who suspended its use and any continuation of the suspension that they consider necessary shall be notified to the Council and shall not exceed a further period of twenty-eight days without similar review.
- (3) Any person duly authorised by the Council, may suspend the use of a parking place or any part thereof whenever they consider such suspension reasonably necessary:
- (a) On any occasion on which it is likely, to be appropriate by reason of some special attraction or occurrence, on any street.
  - (b) for the purpose of any building operation, demolition or excavation adjacent to the parking place, the maintenance, improvement or reconstruction of the highway or the cleansing of gullies in or adjacent to the parking place, the laying, erection, alteration or repair in or adjacent to the parking place of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any electronic communications network or the placing, maintenance or removal of any traffic sign.
  - (c) to facilitate the removal of furniture to or from one office or dwelling-house adjacent to the parking place from or to a depository, another office or dwelling-house;
  - (d) for the purpose of facilitating filming on or near a road;
  - (e) to facilitate occupiers of premises adjacent to the parking place at all times when the essential vehicles of weddings or funerals, are reasonably expected or on any other occasion when it is authorised by the Council in writing and any conditions or requirements they may impose are being complied with;
- (4) On the suspension of the use of a parking place or any part of a parking place, in accordance with the provisions of this Article, the person authorised by the Council carrying out the suspension shall place or cause to be placed in or adjacent to that parking place or part of a parking place a traffic sign indicating that waiting by vehicles is prohibited.
- (5) No vehicle shall wait in any parking place or any part of a parking place at any time during which there is displayed in or adjacent to that parking place or part of that parking place, a traffic sign placed in pursuance of paragraph (4) of this Article.

Provided that nothing in this paragraph shall apply-

- (a) in respect of any vehicle being used for police, fire brigade or ambulance purposes or any vehicle which is waiting for any reason specified in Article 53; or
- (b) to anything done with the permission of the person suspending the use of the parking place or part of a parking place, in pursuance of paragraph (1) and (3) of this Article or by a police officer in uniform or a civil enforcement officer.

#### **Restriction on the use of a parking place**

52. During the permitted hours, no person shall use any parking place or any vehicle while it is in a parking place in connection with the sale or offering or exposing for sale of goods to any person in or near the parking place or the selling or offering for sale of his skill or services in any capacity.

#### **Exemption on waiting by a vehicle in a parking place**

53. (1) Notwithstanding the foregoing provisions of this Order, any vehicle may wait during the permitted hours in any part of a parking place if the use of that part has not been suspended and whenever the following circumstances apply:

- (a) a vehicle may wait for as long as may be reasonably necessary to enable a passenger to board or alight from the vehicle;
  - (b) the vehicle is waiting owing to the driver being prevented from proceeding by circumstances beyond their control or to such waiting being necessary in order to avoid an accident;
  - (c) the vehicle is being used for emergency services e.g. fire brigade, ambulance, police or coastguard/RNLI purposes;
  - (d) the vehicle, is being used in the service of a local authority in pursuance of statutory powers or duties provided that in all the circumstances it is reasonably necessary in the exercise of such powers or in the performance of such duties for the vehicle to wait in the place in which it is waiting;
  - (e) the vehicle is waiting only for so long as may be necessary to enable it to be used in connection with the removal of obstruction to traffic;
  - (f) the vehicle is waiting-
    - (i) while postal packets addressed to premises adjacent to the parking place are being unloaded and delivered; or
    - (ii) while postal packets are being collected for delivery from premises or post boxes adjacent to the parking place;
  - (g) any vehicle that is authorised by the Council to be able to offer and sell goods from a stationary vehicle on a pitch situated in the parking place;
  - (h) any vehicle which is waiting with the written consent of the Council and such conditions and requirements as they may impose are being complied with.
- (2) a vehicle waiting in a parking place by virtue of the provisions of paragraph (1) of this Article shall stand in accordance with the provisions of Article 45.
- (3) no charge specified in the provisions of this Order shall be payable in respect of any vehicle waiting in a parking place in accordance with the provisions of paragraph (1) of this Article.

## **PART 11 – VALIDITY**

### **Validity**
