81. Notwithstanding the provisions of Articles 11 and 40 of this Order a vehicle displaying a disabled persons' badge in the relevant position is exempt from certain requirements provided that at the time the vehicle was left in the parking place it was being used by the person to whom the badge was issued or under Section 21(4) (institutional use) of the Chronically Sick & Disabled Persons Act 1970 as amended.
82. Unless otherwise directed by signs and directions posted at the relevant pay and display parking place, no person shall cause a vehicle displaying a disabled persons'

badge to wait for longer than three hours in a short stay off street parking place and eight hours in a long stay off street parking place and shall not return to that parking place until a period of at least three hours from the time of departure has expired. Nothing within this Article will apply to a person displaying a disabled persons' badge in Dinosaur Island, Sandown, or Cross Street Car Park, where waiting is unlimited.

83. Vehicles displaying a valid disabled persons' badge in the relevant position may be left for periods longer than those specified in Article 82 if at the time they first leave the vehicle in the parking place they purchase a ticket for any additional period that does not exceed the maximum stay permitted for that parking place.

Contravention

84. If a vehicle is left in any of the on street or off-street parking places defined in the schedules to this Order in contravention of, or without complying with, the requirements of this Order a contravention shall have occurred, and a penalty charge shall be payable and/or the vehicle may be removed from that location.

Penalty charge notice

85. In the case of a vehicle in respect of which a penalty charge may have been incurred, it shall be the duty of the officer / civil enforcement officer to attach to the vehicle in a conspicuous position a notice which shall include the following particulars:

- (a) the registration mark of the vehicle or, where the vehicle is being used under a trade licence, the number of the trade plate carried by the vehicle;
- (b) the grounds on which the civil enforcement officer believes that a penalty charge is payable in respect of that vehicle;
- (c) the amount of penalty charge required to be paid;
- (d) that if the penalty charge is paid before the end of the period of 14 days, beginning with the date of the notice, the amount of the penalty charge will be reduced by the specified proportion or amount;
- (e) that if a challenge is received against the penalty charge within 14 days and the challenge is rejected the Council will generally extend the period within which the reduced Penalty Charge may be paid;
- (f) that all representations against the penalty charge received by the Council before the end of the 28-day period will be considered by the Council;
- (g) that if the penalty charge is not paid before the end of the 28-day period a notice to owner may be served by the Council on the person appearing to be the owner of the vehicle; and
- (h) the address to which payment of the penalty charge can be made.

Manner of payment of penalty charge

86. The penalty charge shall be paid to the Council within 28 days of the issue of the penalty charge notice either;

- (a) by cheque, bankers' draft, money order or postal order delivered to any Isle of Wight Council office which accepts such payments, or

 - (c) by credit card or debit card over the phone, via the Council's website, or any other approved method, by using the number specified on the penalty charge notice, together with any further particulars which may be required.
87. Provided that, if the said twenty-eight day falls upon a day on which the said department or office is closed, the period within which payment of the said charge shall be made to the Council shall be extended until 4.00 pm on the next full day on which the said department is open.
88. If the penalty charge is paid before the end of the period of 14 days beginning with the date of the notice, the amount of the penalty charge will be reduced by 50%.
89. If the owner fails to pay the penalty charge by the end of the 28-day period, a notice of owner may be served; and if the charge is not paid within a further 28 days it may be increased by 50% on the issue of a charge certificate.
90. Continuing failure to pay the penalty charge may result in the charge being registered as a debt with the Traffic Enforcement Centre to enable the Council to recover any balance due.

Indications as evidence

91. The particulars given in the penalty charge notice attached to a vehicle in accordance with Article 85 shall be treated as evidence in any proceedings relating to failure to pay such penalty charge.

Restriction on removal of notices

92. Where a penalty charge notice has been attached to a vehicle in accordance with the provisions of Article 85 no person, not being the driver of the vehicle, a police officer in uniform, civil enforcement officer or some other person duly authorised by the Council shall remove the notice from the vehicle unless authorised to do so by the owner of the vehicle.
93. The restrictions imposed by this Order shall be in addition to and not in derogation of any restrictions or requirements imposed by any regulations made or having effect as if made under the Act of 1984 or under any other enactment.
