Section 7

Conditions and Exclusions.

- 1i. It shall not be an offence or contravention to cause or permit a vehicle to enter or be driven on any length of road specified in Schedule 1 Column 2 of this Order to which a restriction applies in a manner contrary to that restriction provided that the person is acting upon the direction of a police constable in uniform or such other persons in uniform appointed for that purpose by the Chief Constable for Leicestershire.
 - ii. It shall not be an offence or contravention to cause or permit a vehicle to enter or be driven on any length of road specified in Schedule 1 Column 2 of this Order to which a restriction applies in a manner contrary to that restriction if the vehicle is being used for Police, Fire & Rescue Service or Ambulance purposes.
 - iii. It shall not be an offence or contravention to cause or permit a vehicle to enter or be driven on any length of road specified in Schedule 1 Column 2 of this Order to which a restriction applies in contravention of that restriction to enable the vehicle, if it cannot conveniently be used for such purpose on any other road, to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance, improvement or reconstruction of any of the lengths of road or to enable work by any undertaker to be carried out relating to any pipe, cable, sewer or apparatus in or on that road.
 - iv. It shall not be an offence or contravention to cause or permit a vehicle to enter or be driven on any length of road specified in Schedule 1 Column 2 of this order to which a restriction applies in contravention of that restriction to enable the vehicle to gain access to an off street parking place.
2. i. It shall not be a contravention to cause or permit a vehicle to wait or to load and unload on any length of road specified in Schedule 1 Column 2 of this Order to which a waiting or loading restriction applies provided that the person is acting upon the direction of a police constable in uniform or such other persons in uniform appointed for that purpose by the Chief Constable for Leicestershire.
 - ii. It shall not be a contravention to cause or permit a vehicle to wait or to load and unload on any length of road specified in Schedule 1 Column 2 of this Order to which a waiting or loading restriction applies if the vehicle is being used for Police, Fire & Rescue Service or Ambulance purposes.
 - iii. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a waiting or loading restriction applies for so long as may be necessary to enable a person to board or alight from such vehicle.
 - iv. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a

waiting or loading restriction applies for so long as may be necessary to enable postal packets to be loaded or unloaded from a postal vehicle.

- v. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a waiting or loading restriction applies in contravention of that restriction to enable the vehicle, if it cannot conveniently be used for such purpose on any other road, to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance, improvement or reconstruction of any of the lengths of road or to enable work by any undertaker to be carried out relating to any pipe, cable, sewer or apparatus in or on that road.
- vi. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a waiting restriction applies for up to 3 hours with return prohibited within a further consecutive period of 1 hour where the restriction is a prohibition of waiting and for any length of time where the restriction is a limit on the duration for which waiting is permitted provided that the vehicle is displaying a disabled persons blue badge in accordance with the rules appertaining to the issuing of such a badge or a disabled persons blue parking card issued in accordance with the rules of any member State of the European Community. Provided that no such vehicle shall wait where a prohibition of loading and unloading is in force, in a bus lane or in a loading only bay.
- vii. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a street parking place order applies, in contravention of the conditions applicable to that parking place if the vehicle displays a valid permit issued by the Council to allow the vehicle to wait at that location.
- 4. i. It shall not be a contravention to cause or permit a vehicle to wait or to load and unload on any length of road specified in Schedule 1 Column 2 of this Order to which a designated parking place restriction applies without displaying the required ticket or permit provided that the person is acting upon the direction of a police constable or such other persons in uniform appointed for that purpose by the Chief Constable for Leicestershire, or by a Parking Attendant employed on behalf of the Council.
- ii. It shall not be a contravention to cause or permit a vehicle to wait or to load and unload on any length of road specified in Schedule 1 Column 2 of this Order to which a designated parking place restriction applies without displaying the required ticket or permit if the vehicle is being used for Police, Fire & Rescue Service or Ambulance purposes.
- iii. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in schedule 1 column 2 of this order to which a designated parking place restriction applies without displaying the required ticket or permit for so long as may be necessary to enable a person to board or alight from such vehicle.
- iv. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a designated parking place restriction applies without displaying the required ticket or permit for so long as may be necessary to enable postal packets to be loaded or unloaded from a postal vehicle.

- v. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a designated parking place restriction applies without displaying the required ticket or permit in contravention of that restriction to enable the vehicle, if it cannot conveniently be used for such purpose on any other road, to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance improvement or re-construction of any length of road or to enable work by any Undertaker to be carried out relating to any pipe, cable, sewer or apparatus in or on that road.
- vi. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a designated parking place restriction applies without displaying the required ticket or permit provided that the vehicle is being loaded or unloaded and provided that the vehicle remains in the parking place only for so long as is necessary to complete the loading or unloading operation.
- vii. It shall not be a contravention to cause or permit a vehicle to wait on any length of road specified in Schedule 1 Column 2 of this Order to which a designated parking place restriction applies without displaying the required ticket or permit, in contravention of the conditions applicable to that parking place if the vehicle displays another form of valid permit issued by the council to allow the vehicle to wait at that location.

Section 8 Permits

1. The Council may at its discretion when satisfied that it is expedient to do so issue permits to allow vehicles to wait or to load and unload on sections of road in a manner contrary to the restrictions imposed on that section of road or to allow the use of parking places on a road by specified classes of vehicle or by specific persons.
2. The Council may issue such permits either free of charge or on payment of such fees as the council may from time to time determine.
3. The Council may from time to time make rules as to the issuing and use of permits and permits issued will only be valid if issued and used in accordance with those rules.
4. Any permit issued remains the property of the Council and must be returned to the Council if required.
5. Only original permits issued by the Council shall have the effect of allowing a vehicle to wait or to load or unload in contravention of the waiting or loading restrictions or to park in a permit controlled parking place. Copies or facsimiles of permits howsoever produced shall not have such effect.
6. Permits must be clearly displayed at all times that a vehicle occupies a parking place requiring the display of a permit. On any vehicle fitted with a front windscreen the permit must be displayed on that front windscreen in a manner which allows the details of the permit to be clearly seen from outside of the vehicle. On vehicles not fitted with a front windscreen the permit must be displayed in such a position as to make the details of the permit clearly visible from outside of the vehicle. Only permits displayed in this manner will have the effect of allowing a vehicle to wait or to load or unload in

contravention of the waiting or loading restrictions or to use the permit controlled parking place.

7. In the case of permits issued to residents for the use of residents parking places defined in column 2 of section 5 of this Order the Council shall determine the addresses of properties at which a person must prove residency to qualify for the issue of a permit for a residents parking place in the zone in which that residents parking place is located. The properties at which residency qualifies a person to apply for a residents parking permit are as specified in schedule 2 of this Order.
8. In the case of permits provided for the use of residents parking places defined in column 2 of section 5 of this Order the permit shall only be issued upon receipt of sufficient proofs of association with the vehicle and residency in a relevant property that the Council may require.
9. In the case of permits provided for the use of residents parking places defined in column 2 of section 5 of this Order the permit shall only be valid for residents parking places within the zone specified on the permit as defined in schedule 2 to this Order.
10. In the case of permits provided for the use of visitors requiring the use of residents parking places defined in column 2 of section 5 of this Order the permit shall only be valid for residents parking places within the zone specified on the permit as defined in schedule 2 to this Order and shall only be valid for a maximum period of 48 hours. The charge payable for the permit and rules relating to the issuing of such a permit shall be as may be determined from time to time by the Council.
11. All permits issued by the Council intended to be used to allow a vehicle to enter a restricted street or to wait or to load or unload on part of a road contrary to the waiting or loading restrictions or to wait in a part of a road where the display of a permit is required shall be marked with the registration number of the vehicle and shall only be valid when displayed on the vehicle bearing that registration number, except when the Council issues a permit for a non specified vehicle.
13. Any permit issued to enable a vehicle to be parked in a residents parking place shall only be valid for the vehicle bearing the registration number marked on the permit and shall not be valid for any trailer, caravan or other device towed by that vehicle whether attached to that vehicle or not. Provided that this shall not prevent a trailer caravan or other device remaining in a residents parking place for so long as is necessary for it to be loaded or unloaded and provided that this condition shall not apply to any trailer caravan or other device at such time as it is being used for the carrying out of works on or adjacent to the highway.

Section 9

Regulations and Charges for use of Designated Parking Places

1. The charge to be paid for the use during the permitted hours of any designated pay & display parking place specified in column 2 of section 5 of this Order shall be as may be determined from time to time by the Council and notified to the public by the publication of a Notice Of Variation under section 46a of the 1984 Act. The scale of charges at the time being in force will be displayed at the pay and display machine. A copy of the scale of charges for the time being in force is contained in Schedule 3 of this Order.

2. The driver of a vehicle using a designated pay & display parking place during the permitted hours shall on leaving the vehicle in the parking place pay the appropriate charge in accordance with the scale of charges and shall display in the vehicle in accordance with the provisions of article 5, a numbered ticket issued by the pay and display machine indicating the date of the payment, the fee paid, the departure time and digits or digits and letters corresponding with the digits and letters on the vehicle registration plate.
3. Expiry of the period for which the charge has been paid shall be indicated when there is exhibited on the vehicle a ticket issued by a pay and display machine relating to the pay and display parking place in which the vehicle is left showing the date of payment of the charge, and the departure time, and the time shown on the clock on the said machine is later than the aforementioned departure time.
4. The charge shall be payable by the insertion of appropriate coin, coins or other means provided for into the apparatus or device provided, being an apparatus or device approved in accordance with section 46 of the Act, and section 47(5) of the Act shall apply in respect of such apparatus.
5. The ticket or tickets shall be exhibited on the vehicle:-
 - (i) where the vehicle is fitted with a front glass windscreen facing forwards, on the inside of the glass of such windscreen such that the ticket can be easily read from outside of the vehicle; or
 - (ii) where the vehicle is not fitted with a front glass windscreen at such other position which enables the ticket to be easily read from outside of the vehicle.
6. The use of any designated parking place or part of such a parking place may be suspended by a police officer, traffic warden, civil enforcement officer or other officer authorised by the Chief Constable for Leicestershire or the Council by means of the placing of traffic cones marked with the words "no waiting" and by the display of a notice giving the reason for the suspension and its likely duration. The parking place suspension may apply to all vehicles or may apply to all vehicles except certain specific vehicles or classes of vehicle.
7. An officer appointed by the Chief Constable for Leicestershire, a civil enforcement officer or officer authorised by the Council may move or cause to be moved any vehicle which is parked in a designated parking place in contravention of the conditions which are at that time applied to that parking place.
8. When purchasing a pay & display ticket from a pay & display machine provided with an alpha-numeric key pad the purchaser must key into the machine the letters and digits corresponding with the those on the vehicle registration plate. A pay & display ticket shall only be valid when it is marked by the pay & display machine with digits and letters corresponding with the registration plate of the vehicle in which the ticket is displayed. When purchasing a pay & display ticket from a pay & display machine provided with a numeric key pad the purchaser must key into the machine the digits corresponding with those on the vehicle registration plate. A pay & display ticket shall only be valid when it is marked by the pay & display machine with digits corresponding with the registration plate of the vehicle in which the ticket is displayed.

Section 10
Contraventions & Enforcement of Restrictions Imposed By This Order.

1. If a vehicle is left in a parking place during the permitted hours or in any road or length of road in contravention of any provision of Sections 3,4 and 5 of this Order, a penalty charge may be payable and /or the vehicle may be immobilised or removed from that location.
2. Enforcement of waiting, loading and parking prohibitions and restrictions set out in sections 3, 4 and 5 of this Order will be carried out by civil enforcement officers employed by or on behalf of Leicester City Council by the issuing of penalty charge notices. Enforcement and the issuing of penalty charge notices will be undertaken as prescribed in The Civil Enforcement of Parking Contraventions (England) General Regulations 2007 and will be subject to such rules regulations and guidelines that may be prescribed from time to time by the Secretary of State for Transport.
3. The level of penalty charge to be imposed including any discounts or increases due to early or late payment will be as determined from time to time by the Council in accordance with any rules, regulations or guidance given by the Secretary of State for Transport and will be notified by public advertisement in the manner prescribed in the above legislation.
4. Vehicles parked in contravention of waiting, loading and parking prohibitions and restrictions may also be either fitted with an immobilisation device or be removed to a storage facility subject to such rules regulations and guidelines as may be issued by the Secretary of State for Transport. The fees to be paid for the removal of an immobilisation device or the return of the vehicle to its owner will be as determined from time to time by the Council in accordance with any rules, regulations or guidance given by the Secretary of State for Transport and will be notified by public advertisement in the manner prescribed in the above legislation. The Council may require the payment of all outstanding penalty charges incurred by the owner of a vehicle before removing an immobilisation device or returning a vehicle to its owner.
5. Moving traffic offences relating to the manoeuvre restrictions set out in Section 2 of this Order will be enforced by such uniformed officers employed by the Chief Constable for Leicestershire as specified in legislation. In addition any contraventions that the Secretary of State determines may be dealt with under civil enforcement powers may be dealt with by officers appointed by or on behalf of Leicester City Council in accordance with any rules, regulations or guidelines that may be prescribed.

Section 11

SCHEDULE 2 PERMITS

1.1 Each area of the City where a scheme is introduced to afford special parking provision for local residents shall be assigned a residents parking zone identification letter. Traffic signs bearing the identification letter shall be used to show the parking places covered by the residents parking scheme. Permits issued to residents or visitors to allow the use of the parking places shall bear the zone identification letter. Permits shall only be valid for the use of parking places bearing the same zone identification letter as is shown on the permit. The zone letter, addresses of properties where a resident qualifies for a permit for the zone bearing that letter and the streets where residents parking places for that zone are located are as defined in section 2 of this schedule.

1.2 Residents parking permits or visitor permits shall only be issued to a person who can prove to the satisfaction of the officer responsible for the issuing of such permits that they are a permanent resident of a property where residency qualifies a person to receive such a permit.

1.3 Residents parking permits shall only be issued to residents who can prove to the satisfaction of the officer responsible for the issuing of such permits that they are the owner or keeper or regular user of the vehicle for which the permit is being applied for.

1.4 Residents parking permits shall only be issued for vehicles which are either passenger vehicles constructed or adapted to carry not more than 8 passengers exclusive of the driver, goods vehicles or motor cycles.

1.5 Each person may only be issued with one residents parking permit.

1.6 Residents permits, visitor permits, Business Permits and Customer Permits shall only be issued upon receipt by the officer responsible for the issuing of such permits of the appropriate fee as defined in section 6 of this schedule provided that a residents parking permit may be issued free of charge to a resident who is a disabled badge holder.

1.7 With respect to residents of properties qualifying for a residents parking permit where it can be proved to the satisfaction of the officer responsible for the issuing of such permits that the resident requires the attendance on a regular basis of a carer, medical attendant or counsellor that a special visitor permit may be issued free of charge to that carer, medical attendant or counsellor. Special visitor permits may be valid at all times or at such times as may be specified on the permit.

1.8 The number, cost, methods of issue, and period of validity of visitor permits to be issued to an eligible resident will be as determined from time to time by the Council and published as a list available to the public.

1.9 Residents visitor parking permits issued by the City Council must not be resold or passed on to a third party who is not a bona fide visitor to a residential property within the residents parking zone specified on the permit.

1.10 Any person found to be supplying a resident visitor parking permit to persons other than bona fide visitors to residential properties in the residents parking zone specified on the permit shall forfeit their rights to purchase further visitor parking permits and shall be required to surrender any unused visitor parking permits still in their possession.

1.11 Any person who proves to the satisfaction of the officer responsible for the issuing of residents parking permits that they have lost, damaged or had stolen a residents' parking permit may be issued with a replacement permit free of charge provided that the original permit shall be cancelled and shall immediately cease to be valid.

1.12. Residents parking permits no longer required may be returned to the City Council who will then refund a sum of money equivalent to one twelfth of the original purchase price of the permit for each full calendar month for which the permit remains valid.

1.13 Residents parking permits and visitors permits displayed in a vehicle not being a vehicle belonging to a bona fide resident or visitor shall be deemed to be invalid.

1.14 Where it appears to the officer responsible for the issuing of residents parking permits and visitor permits that such permits have been issued or are or have been used in a manner contrary to the conditions set out in this schedule the officer may require the return of the permits to the Council forthwith.

1.15 Residents parking permits, Business Permits and Customer Permits shall normally be valid for a maximum period of 12 months from the date of issue. Permits may be issued valid for longer or shorter periods when officers consider it expedient to do so.

1.16 With respect to residents parking places in zone F (Westcotes Ward) the City Council may issue Business Parking Permits and Customer Permits for use by businesses associated with the repair or servicing of motor vehicles. Such permits shall be valid for use only in the residents zone (zone F) in which the business is located.

1.17 Business Permits and Customer Permits shall only be valid for the period 7.30am to 6.00pm Monday to Saturday. Business Permits shall only be issued for vehicles necessary for the operation of the business.

1.18 The number of Business Permits issued to each business shall be limited according to the nature of the business and the parking standards applicable for

Development Control purposes at the time that the residents parking scheme is introduced. The number of permits available to any particular business is limited to the number of off street parking spaces that would be permitted to be provided if planning consent was given for that business at the time that the scheme is introduced based on the criteria for the central commercial zone (zone 2). The maximum level of parking for each class of business use being specified in the Supplementary Planning Guidance that accompanies the Local Plan. Provided that any existing off street parking provision available to that business is taken into account and deducted from the maximum number of permits that business is allowed to purchase. The deduction of existing parking places shall not include the workshop areas of businesses associated with the servicing or repair of motor vehicles.

1.19 Business Permits will be provided for businesses that exist at the date that the Order comes into force. For any subsequent change of use of the properties the maximum number of permits that will be issued will not exceed the entitlement at the start of this scheme.

1.21 For businesses associated with the repair or servicing of motor vehicles a maximum of 3 Customer Permits per business shall be provided for the parking of customer's vehicles awaiting service, repair or collection.

1.22 In the case of buildings used for religious worship, community centres and charitable organisations providing a service to the local community up to three permits may be provided for use by staff and visitors. The permits shall confer the same parking rights as those afforded by a residents permit and shall cost the same as a residents permit. At the discretion of the officer responsible for the issuing of permits these permits may be issued without being marked with a vehicle registration number to allow them to be used by a variety of users. Such permits shall be valid for use only in the resident's zone in which the building is located.

SECTION 3 DOCTORS PARKING PERMITS

3.1 The City Council may from time to time introduce on a road by means of a traffic regulation order parking bays for the exclusive use of doctors either at all times or at such times as may be specified in the order. Only vehicles used by a doctor and for which the City Council has issued a doctors parking permit may wait in a doctor parking place during its hours of operation

3.2 Doctor parking permits shall only be issued to a legally qualified medical practitioner upon receipt of the fee set out in section 6 of this schedule and subject to the officer responsible for the issue of the permit being satisfied that the person is a legally qualified practitioner and that they are the owner, keeper or user of the vehicle for which the permit has been requested. Only qualified medical practitioners who are liable to be called, of necessity, to emergencies away from the surgery or consulting room located in the proximity of the doctor parking place shall be issued with a doctor parking permit.

3.3 Any doctor who proves to the satisfaction of the officer responsible for the issuing of doctors parking permits that they have lost, damaged or had stolen a doctors parking permit may be issued with a replacement permit free of charge provided that the original permit shall be cancelled and shall immediately cease to be valid.

3.4 Doctors parking permits no longer required may be returned to the City Council who will then refund a sum of money equivalent to one twelfth of the original purchase price of the permit for each full calendar month for which the permit remains valid.

3.5 Where it appears to the officer responsible for the issuing of doctor parking permits that such a permit has been issued or is or has been used in a manner contrary to the conditions set out in this schedule may require the return of the permit to the Council forthwith.

Doctor parking permits shall be valid for a maximum period of 12 months from the date of issue.

SECTION 4 *(not used)*

SECTION 5 **PERMITS TO ALLOW USE OF DESIGNATED PARKING BAYS CONTRARY TO THE NORMAL PARKING CONDITIONS**

When satisfied that it is necessary for a vehicle to be parked in a designated parking bay in a manner contrary to the normal conditions a parking attendant or a person appointed by the Council may issue a permit to allow the vehicle to be so parked. Such a permit may be issued free of charge and may only be issued for a period of up to 24 hours expiring at midnight on the day of issue. No further permit of the same type for use by the same vehicle may be issued for a period of 48 hours following the expiry of the initial permit.

Where a vehicle is required to be parked in a designated parking bay contrary to the normal conditions for a period exceeding 24 hours an application must be made to the Council. A person appointed by the Council may issue a permit provided that he or she is satisfied that it is necessary to do so and may issue such a permit free of charge or for such fees as the Council may from time to time determine and as specified in section 6 of this schedule.
