Section 8 Permits

1. The Council may at its discretion when satisfied that it is expedient to do so issue permits to allow vehicles to wait or to load and unload on sections of road in a manner contrary to the restrictions imposed on that section of road or to allow the use of parking places on a road by specified classes of vehicle or by specific persons.
2. The Council may issue such permits either free of charge or on payment of such fees as the council may from time to time determine as specified in schedule 2 of this Order.
3. The Council may from time to time make rules as to the issuing and use of permits and permits issued will only be valid if issued and used in accordance with those rules as specified in schedule 2 of this Order.
4. Any permit issued remains the property of the Council and must be returned to the Council if required.
5. Only original permits issued by the Council shall have the effect of allowing a vehicle to wait or to load or unload in contravention of the waiting or loading restrictions, to park in a permit controlled parking place.
6. Permits must be clearly displayed at all times that a vehicle occupies a parking place requiring the display of a permit. On any vehicle fitted with a front windscreen the permit must be displayed on that front windscreen in a manner which allows the details of the permit to be clearly seen from outside of the vehicle. On vehicles not fitted with a front windscreen the permit must be displayed in such a position as to make the details of the permit clearly visible from outside of the vehicle. Only permits displayed in this manner will have the effect of allowing a vehicle to wait or to load or unload in contravention of the waiting or loading restrictions or to use the permit controlled parking place.
7. All permits issued by the Council intended to be used to allow a vehicle to enter a restricted street or to wait or to load or unload on part of a road contrary to the waiting or loading restrictions or to wait in a part of a road where the display of a permit is required shall be marked with the registration number of the vehicle and shall only be valid when displayed on the vehicle bearing that registration number.
8. Any vehicle parked in a car club parking place as defined in Column 2 of Section 5 of this Order is required to display a valid permit authorised by the Council at all times

Section 9 Regulations and Charges for use of Designated Parking Places

1. The charge to be paid for the use during the permitted hours of any designated pay & display parking place specified in column 2 of section 5 of this Order shall be as may be determined from time to time by the Council and notified to the public by the publication of a Notice Of Variation under

section 46a of the 1984 Act. The scale of charges at the time being in force will be displayed at the pay and display machine. A copy of the scale of charges for the time being in force is contained in Schedule 3 of this Order.

2. The driver of a vehicle using a designated pay & display parking place during the permitted hours shall on leaving the vehicle in the parking place pay the appropriate charge in accordance with the scale of charges and shall display in the vehicle in accordance with the provisions of article 5, a numbered ticket issued by the pay and display machine indicating the date of the payment, the fee paid, the departure time and digits or digits and letters corresponding with the digits and letters on the vehicle registration plate.
3. Expiry of the period for which the charge has been paid shall be indicated when there is exhibited on the vehicle a ticket issued by a pay and display machine relating to the pay and display parking place in which the vehicle is left showing the date of payment of the charge, and the departure time, and the time shown on the clock on the said machine is later than the aforementioned departure time.
4. The charge shall be payable by the insertion of appropriate coin, coins or other means provided for into the apparatus or device provided, being an apparatus or device approved in accordance with section 46 of the Act, and section 47(5) of the Act shall apply in respect of such apparatus.
5. The ticket or tickets shall be exhibited on the vehicle :-
 - (i) where the vehicle is fitted with a front glass windscreen facing forwards, on the inside of the glass of such windscreen such that the ticket can be easily read from outside of the vehicle; or
 - (ii) where the vehicle is not fitted with a front glass windscreen at such other position which enables the ticket to be easily read from outside of the vehicle.
6. The use of any designated parking place or part of such a parking place may be suspended by a police officer, traffic warden, parking attendant or other officer authorised by the Chief Constable for Leicestershire or the Council by means of the placing of traffic cones marked with the words "no waiting" and by the display of a notice giving the reason for the suspension and its likely duration. The parking place suspension may apply to all vehicles or may apply to all vehicles except certain specific vehicles or classes of vehicle.
7. An officer appointed by the Chief Constable for Leicestershire, a parking attendant or officer authorised by the Council may move or cause to be moved any vehicle which is parked in a designated parking place in contravention of the conditions which are at that time applied to that parking place.
8. When purchasing a pay & display ticket from a pay & display machine provided with an alpha-numeric key pad the purchaser must key into the machine the letters and digits corresponding with the those on the vehicle registration plate. A pay & display ticket shall only be valid when it is marked by the pay & display machine with digits and letters corresponding with the registration plate of the vehicle in which the ticket is displayed. When purchasing a pay & display ticket from a pay & display machine provided with a numeric key pad the purchaser must key into the machine the digits corresponding with those on the vehicle registration plate. A pay & display ticket shall only be valid when it is marked by the pay & display machine with

digits corresponding with the registration plate of the vehicle in which the ticket is displayed.

Section 10

Contraventions & Enforcement of Restrictions Imposed By This Order.

1. If a vehicle is left in a parking place during the permitted hours or in any road or length of road in contravention of any provision of Sections 3,4,5 and 6 of this Order, a penalty charge may be payable and /or the vehicle may be immobilised or removed from that location.
2. Enforcement of waiting, loading and parking prohibitions and restrictions set out in sections 3, 4, 5 and 6 of this Order will be carried out by Parking Attendants employed by or on behalf of Leicester City Council by the issuing of Penalty Charge Notices. Enforcement and the issuing of Penalty Charge Notices will be undertaken as prescribed by the Road Traffic Act 1991 (as amended) and will be subject to such rules regulations and guidelines that may be prescribed from time to time by the Secretary of State for Transport.
3. The level of Penalty Charge to be imposed including any discounts or increases due to early or late payment will be as determined from time to time by the Council in accordance with any rules, regulations or guidance given by the Secretary of State for Transport and will be notified by public advertisement in the manner prescribed in the above legislation.
4. Vehicles parked in contravention of waiting, loading and parking prohibitions and restrictions may also be either fitted with an immobilisation device or be removed to a storage facility subject to such rules regulations and guidelines as may be issued by the Secretary of State for Transport. The fees to be paid for the removal of an immobilisation device or the return of the vehicle to its owner will be as determined from time to time by the Council in accordance with any rules, regulations or guidance given by the Secretary of State for Transport and will be notified by public advertisement in the manner prescribed in the above legislation. The Council may require the payment of all outstanding penalty charges incurred by the owner of a vehicle before removing an immobilisation device or returning a vehicle to its owner.
5. Moving traffic offences relating to the manoeuvre restrictions set out in Section 2 of this Order will be enforced by such uniformed officers employed by the Chief Constable for Leicestershire as specified in legislation. In addition any contraventions that the Secretary of State determines may be dealt with under civil enforcement powers may be dealt with by officers appointed by or on behalf of Leicester City Council in accordance with any rules, regulations or guidelines that may be prescribed.

Section 11

Validity

1. If a Court, the Department for Transport, the National Parking Adjudication Service or the Traffic Enforcement Centre declares any part of this Order to be invalid or unenforceable, such declaration shall not invalidate the remainder of the Order.

SCHEDULE 2 PERMITS

SECTION 1 CAR CLUB PARKING PLACE PERMITS

- 1.1 Car Club Parking Places defined in Column 2 of Section 5 of this Order will require the authorised vehicle to display a permit authorised by the Council. The rules for those vehicles qualifying for a permit are determined by the Council and may be subject to change from time to time. The rules regarding eligibility of a vehicle to qualify for a permit are published separately.

SECTION 5 PERMITS TO ALLOW USE OF DESIGNATED PARKING BAYS CONTRARY TO THE NORMAL PARKING CONDITIONS.

- 5.1 When satisfied that it is necessary for a vehicle to be parked in a designated parking bay in a manner contrary to the normal conditions a parking attendant or a person appointed by the Council may issue a permit to allow the vehicle to be so parked. Such a permit may be issued free of charge and may only be issued for a period of up to 24 hours expiring at midnight on the day of issue. No further permit of the same type for use by the same vehicle

may be issued for a period of 48 hours following the expiry of the initial permit.

- 5.2 Where a vehicle is required to be parked in a designated parking bay contrary to the normal conditions for a period exceeding 24 hours an application must be made to the Council. A person appointed by the Council may issue a permit provided that he or she is satisfied that it is necessary to do so and may issue such a permit free of charge or for such fees as the Council may from time to time determine and as specified in section 6 of this schedule.

SECTION 6 CHARGES FOR PERMITS

- 6.1 With effect from 4th August 2008 the cost of all forms of permits will be as determined from time to time by the Council and published as a list of permit charges available to the public.

SCHEDULE 3 CHARGES FOR DESIGNATED PARKING PLACES
