- 28. At all times during which a vehicle is in a permitted parking place identified on the plans as a permit parking place during the permitted hours and for more than the maximum

permitted stay, there shall be displayed in a conspicuous manner on the said vehicle a valid parking permit or have a valid parking dispensation issued in accordance with the provisions of this Order.

29. Nothing in articles 19 and 23 shall apply to a vehicle parked in a permitted parking place reserved for Disabled Blue Badge Holders.
30. At all times during which a vehicle is in a permitted parking place identified on the plans as a parking place reserved for recharging of electric vehicles during the permitted hours, the driver shall cause that vehicle to be connected to the charging post installed in respect of the parking place.

Exemptions from Pedestrian Zones

31. Nothing in Part V of this Order shall prohibit any vehicle to wait for the purpose of goods to be loaded or unloaded from the vehicle outside of the period where a prohibition of loading is specified in the Order.
32. Nothing in Part V of this Order shall prohibit any vehicle to wait for the purpose of goods to be loaded to a vehicle under the explicit direction of a duly authorised person on behalf of the Council during periods of inclement weather.

Part VII – Contraventions and Enforcement

33. Where the Council have reason to believe that a Penalty Charge is payable in relation to a vehicle which has contravened this Order the Council will serve a Penalty Charge Notice (PCN) in accordance with the 2007 General Regulations:-
- a. on the person appearing to be the owner or keeper of the vehicle; or
 - b. on the driver.
34. The Council will carry out civil enforcement of any contravention of any prohibitions, restrictions or provisions of this Order by permitting the imposition of a Penalty Charge only on the basis of a record produced by the means of "Approved Device".
35. If a vehicle owner, keeper or driver contravenes any prohibitions or restrictions of this Order, a charge set by the Council pursuant to Section 77 and Schedule 9 of the 2004 Act the Penalty Charge is to be paid in the manner described in the notice within 28 days of the Date of Service of the PCN, or within 14 days of the Date of Service of the PCN in the case it shall be reduced by one half.
36. A PCN must state: -
- a. the registration mark of the vehicle or where the vehicle is being used under a trade licence, the number of the trade plate carried by the vehicle involved in the alleged contravention;
 - b. the date and time at which the CEO first noticed that a contravention of this Order had occurred in respect of the date known as the Contravention Date;
 - c. the grounds on which the CEO believes that a Penalty Charge is payable with respect to that vehicle;
 - d. the amount of the Penalty Charge which is payable;
 - e. that the Penalty Charge must be paid before the end of the period of 28 days beginning with the date of service of the PCN;
 - f. that if the Penalty Charge is paid before the end of the period of 14 days beginning with the Date of Service of the PCN, it shall be reduced by one half;
 - g. that if the Penalty Charge is not paid on or before the end of the 28 period the Enforcement Authority may serve a Notice to Owner on the owner of the vehicle requiring payment of the penalty charge;
 - h. the postal address to which representations are to be sent;
 - i. any electronic mail address or FAX number to which representations may be sent as an alternative to the postal address;
 - j. the manner in which the penalty charge may be paid;

- k. the date of issue, being the date on which the PCN was produced by the Council or approved Local Authority;
- l. the address to which payment of the Penalty Charge must be sent.

37. Where a Notice to Owner is served it shall be to the registered owner at the time of the contravention.
38. Where a Police Officer in uniform is satisfied that a driver of a vehicle has committed an alleged offence under the provisions of this Order such that liability to a Fixed Penalty Notice arises, a Police Officer may issue such a notice at the time and date of the alleged offence to the driver of the vehicle, which shall include the particulars listed in Section 52 of The Road Traffic Offenders Act 1988.
39. Where the owner, keeper or driver has been issued a PCN by the Council and it is proven by the owner, keeper or driver that he was also issued a Fixed Penalty Notice or a Summons for the same day and time for the same contravention by a Police Officer, then the Council shall no longer proceed with its PCN or where the PCN was paid in accordance with this Order the amount that was paid will be refunded in full as soon as reasonably practicable.
40. If a Court, the Department for Transport, the Bus Lane/National Parking Adjudication Service or the Traffic Enforcement Centre declares any part of this Order to be invalid or unenforceable, such declaration shall not invalidate the remainder of the Order

Part VIII - Parking Dispensation

41. Application for and issue of a parking dispensation

A person who intends to use a vehicle in connection with building, construction, demolition, repair or maintenance or other operations or works to premises or land adjacent to a parking place, or their agent or the person commissioning the works; may apply to the Council for the issue of a parking dispensation which may be valid for use with that business user's vehicles and any such application shall be made to and issued by the Council and shall include the particulars and information required by such to be supplied.

The Council may at any time require an applicant for a parking dispensation to produce to an officer of the Council such evidence in respect of an application for parking dispensation made to them as they may reasonably call for to verify any particulars or information given to them or in respect of any parking dispensation issued by them as they may reasonably call for to verify that parking dispensation is valid.

Upon receipt of an application duly made under the foregoing provisions of this article and upon receipt of a charge specified, the Council upon being satisfied that in all the circumstances it is reasonably necessary for the vehicle to wait in a location where there is a prohibition of waiting or permitted parking place, shall issue to the applicant a parking dispensation valid during the permitted hours;

42. Refund of charge paid in respect of a parking dispensation

A parking dispensation holder who surrenders a parking dispensation to the Council when it is no longer required shall not be entitled to a refund in respect to the charge paid.

43. Surrender, withdrawal and validity of a parking dispensation

A parking dispensation holder may surrender a dispensation to the Council at any time and shall surrender a dispensation to the Council on the occurrence of any one of the events set out in paragraphs (a) to (e) of this article

The Council may, withdraw a parking dispensation if it appears to the Council that any of the events set out in paragraphs (a) to (e) of this article have occurred and the parking dispensation holder shall surrender the parking dispensation.

The events referred to in the foregoing provisions of this article are:

- (a) the parking dispensation holder ceasing to be the user of the vehicle in respect of which the parking dispensation was issued;
- (b) the withdrawal of such a parking dispensation by the Council;
- (c) a vehicle in respect of which such parking dispensation was issued being adapted or used in such a manner that it is not a vehicle of the class specified;
- (d) the issue of a duplicate parking dispensation by the Council;
- (e) the parking dispensation ceasing to be valid

44. Form of parking dispensation

A parking dispensation shall be in writing or verbally communicated and shall include the following particulars:

- (a) The registration mark of the vehicle in respect of which the parking dispensation has been issued;
- (b) The period during which, subject to the provisions of article 33, parking dispensation is valid;
- (c) An indication that the parking dispensation has been issued by the Council;
- (d) An indication of the zone, street, part of street, parking place, parking bay or parking space within which the parking dispensation is valid;
- (e) The reason for which the vehicle is necessary; and
- (f) Any other conditions of use that the Council may impose.

Part IX – Permits

Entitlement to and application for permits

45. Residents' permits

Where applicable, any resident or any person as specified in the appropriate Schedule may apply to the Council for the issue of a residents permit in respect of a vehicle(s) of the class specified and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied and accompanied by the Relevant Fee.

46. Workplace permits

47. Visitor permits

Where specified in the appropriate Schedule, any resident or business may apply to the Council for the issue of a visitor permit for use by visitors to the resident/business and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied and accompanied by the Relevant Fee.

48. Trade Visitor/Long Term Trade Visitor permits

Where specified in the appropriate Schedule, any resident or business may apply to the Council for the issue of a trade visitor/long term trade visitor permit for use to the resident/business and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied and accompanied by the Relevant Fee.

49. Classes of vehicles for which permits are applicable

Use of the residents' parking spaces will be restricted to the following classes of vehicles: Passenger Vehicles, Light Goods Vehicles, Dual Purpose Vehicle and Motor Cycles.

50. Evidence in respect of application

The Council may at any time require an applicant for a residents or visitor permit to produce to an officer of the Council or authorised agent such evidence in respect of an application for a permit made to them as they may reasonably require to verify any particulars or information given to them or in respect of any permit issued by them as they may reasonably require to verify that the permit is valid.

Issue of permits

51. Residents' permits

Upon receipt of an application duly made under the provisions of this Order, the Council, upon being satisfied that the applicant is a resident and has proof of vehicle ownership and on receipt of the Relevant Fee (if applicable), may issue to the applicant a residents permit for the parking of a vehicle during the permitted hours in a parking place to which such permit relates; provided that any limit on the number of permits per resident or per household has not been exceeded.

52. Workplace permits

Upon receipt of an application duly made under the provisions of this Order, the Council, upon being satisfied that the applicant is applying on behalf of a business and on payment of the relevant fee (if applicable), may issue to the applicant a workplace permit for the parking of a vehicle during the permitted hours in a parking place to which such permit relates; provided that any limit on the number of permits per business has not been exceeded.

53. Visitor permits

In accordance with the appropriate Schedules, upon receipt of an application duly made under the provisions of this Order, the Council, upon being satisfied that the applicant satisfies the requirements and on receipt of any fee that the Council may from time to time determine, may issue to the applicant residents/business visitor permits for the parking of a vehicle during the permitted hours in a parking place to which such permit relates; provided that any limit on the number of permits has not been exceeded.

54. Trade Visitor/Long Term Trade Visitor permits

In accordance with the appropriate Schedules, upon receipt of an application duly made under the provisions of this Order, the Council, upon being satisfied that the applicant satisfies the requirements and on receipt of any fee that the Council may from time to time determine, may issue to the applicant trade visitor/long term trade visitor permit for the parking of a vehicle during the permitted hours in a parking place to which such permit relates; provided that any limit on the number of permits has not been exceeded.

Use and condition of use for permits

55. Use of permits

A permit shall only be valid for use during the permitted hours in a parking place on a road within the zone or area identified on the permit and specified in schedule 1 and/or Schedule 3.

56. Not guaranteed space

The issue of a permit does not guarantee a parking space.

Surrender, withdrawal and validity of permits

57. Surrender of permits

A permit holder may surrender such permit to the Council at any time and shall surrender such permit to the Council or authorised agent on the occurrence of any one of the surrender events.

58. Surrender events

Each of the following is a surrender event:

- (i) the permit applicant ceasing to be a resident;
- (ii) the permit holder ceasing to be the owner of the vehicle in respect of which the permit was issued;
- (iii) the vehicle in respect of which such permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified;
- (iv) the issue of a duplicate permit by the Council under the provisions of this Order;
- (v) misuse or fraudulent use of the permit is deemed by the Council;
- (vi) at the request of the Council;

59. Withdrawal of permit

The Council may, by notice in writing served on the permit holder at the address shown by that person on the application for the permit or at any other address believed to be that person's residence or place of business, withdraw a permit if it appears to the Council that any one of the surrender events has occurred and the permit holder shall surrender the permit to the Council.

60. Validity of permit

A permit shall only be valid if displayed in the relevant position

A permit shall cease to be valid at the expiration of the period specified thereon or on the occurrence of any of the surrender events, whichever is the earlier.

Where a permit is issued to any person upon receipt of a cheque and the cheque is subsequently dishonoured, the permit shall cease to be of any effect and the Council shall by notice in writing served on the person to whom such permit or voucher was issued by sending the same to the permit holder at the address shown by that person on the application for the permit, or at any other address believed to be that person's place of abode, require that person to surrender the permit or voucher to the Council.

A permit shall cease to be valid if:

- (i) the details have been altered or defaced;
- (ii) any additional details required as a condition of the permit are not exhibited;
- or
- (iii) the details cannot be easily read from outside the vehicle.

61. Validity of visitor, trade visitor and long term trade visitor permit

A visitor permit shall only be valid if displayed in the relevant position and fully completed as per the instructions on the individual permit.

Application for and use of duplicate permits

62. Duplicate permits

If a permit is accidentally mutilated or defaced or the figures or particulars thereon have become illegible or the colour of the permit has become altered by fading or otherwise, the permit holder shall surrender it to the Council and apply to the Council for the issue of a replacement.

If a permit is lost or destroyed, the permit holder may apply to the Council for the issue of a duplicate permit.

On application under the provisions of this Order, the Council, being satisfied as to the circumstances as indicated, and on receipt of any fee that the Council may from time to time determine, shall issue a replacement or duplicate permit so marked and upon such issue the original permit or voucher shall become invalid.

All the provisions of this Order shall apply to a replacement or duplicate permit to the same extent as they applied to the original permit.

Form of permits

63. Residents permit

A permit shall be virtual or in writing and shall include the following particulars:-

- (i) the registration mark(s) of the vehicle(s) in respect of which the permit has been issued:
