26. (2) The Council may at any time require an applicant for a permit to produce to an officer of the Council such evidence in respect of an application for a permit made to them as they may reasonably require to verify any information given to them.

26. (3) On receipt of an application made under the foregoing provisions of this Article, and of the fee specified in Article 30 of this Order, the Council, upon being satisfied that the applicant satisfies the relevant conditions for the issue of such

Permit, shall issue to that applicant: - (a) one permit for the leaving during the permitted hours in any parking place to which such Permit relates of the vehicle to which such permit relates by the owner of such vehicle or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward, provided that, subject to the provisions of Article 28 of this Order, the Council shall not issue a permit to any resident, carer, visitor, disabled resident, doctor, coach operator, business operator, landlord or community centre operator which would be valid for any period during which any other permit issued to that resident, carer, visitor, disabled resident, doctor, coach operator, business operator or community centre operator extends; (b) one protective cover for the display of the permit.

26. (4) Should a Permit be lost damaged or defaced a charge of £25.00 will be levied for a replacement Permit.

Surrender, Withdrawal And Validity Of Permits

27. (1) A permit holder may surrender a permit to the Council at any time and shall surrender a permit to the Council on the occurrence of any of the events set out in paragraph (3) of this Article.

27. (2) The Council may, by notice in writing served on the permit holder at the address shown by that person on the application for the permit or at any other address believed to be that person's residence, surgery, consulting room, business or community centre withdraw a permit if it appears to the Council that any one of the events set out in paragraphs 3(a), 3(b) or 3(c) of this Article has occurred and the permit holder shall surrender the permit to the Council with forty-eight hours of the receipt of such notice.

27. (3) The events referred to in the foregoing provisions of this Article are: - (a) the permit holder ceasing to be a resident, carer, visitor, disabled resident, doctor, coach operator, business operator, landlord or community centre operator; (b) the permit holder ceasing to be the owner of the vehicle in respect of which the permit was issued (or permission of the owner to use the vehicle is revoked); (c) the vehicle in respect of which such permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in Article 26 of this Order; (d) the issue of a duplicate permit by the Council under the provisions of Article 28 of this Order.

27. (4) A permit shall cease to be valid without notice at the expiration of the period specified thereon (which period shall be that in respect of which payment has been made) or immediately on the occurrence of any one of the events set out in paragraph (3) of this Article, which ever is the earlier.

27. (5) Where a permit is issued to any person upon receipt of a cheque and the cheque is subsequently dishonoured, the permit shall cease to be of any effect and the Council shall (by notice in writing served on the person to whom such permit was issued by sending the same by the recorded delivery service to the permit holder at the address shown by that person on the application for the permit or at any other address believed to be that person's place of abode, surgery, consulting room, business or community centre) require that person to surrender the permit to the Council within forty-eight hours of receipt of the afore-mentioned notice.

27. (6) The Council may at any time require a permit holder to produce to the officer of the Council such evidence in respect of any permit issued by them as they may reasonably require.

27. (7) A Permit remains at all times the property of the Council and is not for sale or resale.

Application For And Issue Of Duplicate Permits

28. (1) If a permit is mutilated or defaced or the figures or particulars on it have become illegible or the colour of the permit has become altered by fading or otherwise, the permit holder shall surrender it to the Council and may then apply to the Council for the issue to him of a duplicate permit and the Council upon receipt of the permit if such receipt is accompanied by an application for a duplicate permit shall issue a duplicate permit so marked.

28. (2) If a permit is lost or destroyed, the permit holder may apply to the Council for the issue to him of a duplicate permit at a cost of £25.00 and the Council, upon being satisfied as to such loss or destruction, shall issue a duplicate permit so marked.

28. (3) Any duplicate Permit issued under the provisions of paragraph 28(1) or 28(2) of this Article shall be marked as a duplicate, and upon the issue of a duplicate Permit the original Permit which it duplicates shall become invalid.

28. (4) The provisions of this Order relating to Permits and Duplicate Permits generally shall apply to applications for Permits and duplicate Permits generally and an application for a duplicate Permit as if it were a Permit or, as the case may be, an application therefore.

28. (5) If a Visitors Parking Permit issued under the provisions of Article 18 of this Order is lost or sold on, the Council shall not issue a duplicate permit for a period of two years.

Form Of Permits

29. A permit shall be in writing and shall include the following particulars: - (a) the registration mark of the vehicle in respect of which the permit has been issued (unless vehicle non-specific); (b) the period during which, subject to the provisions of Article 27(4) of this Order, the permit shall remain valid; (c) an authentication that the permit has been issued by the Council; (d) the hours during which the vehicle in respect of which the permit has been issued may be left in a parking place; (e) an indication that the charge appropriate to the period during which the permit shall remain valid has been paid to the Council; (f) in the case of a Visitors Parking Permit, the name of the street or the road in which the visitor is permitted to park.

Amount Of Charge At Parking Places

30. The charge in connection with the issue of a doctors parking permit for the leaving of a vehicle in a specified parking place during the permitted hours shall be £50.00 for a period of twelve months running from the beginning of the month in which the doctors parking permit first becomes valid.

Refund Of Charge Paid In Connection With The Issue Of A Permit

31. (1) A permit holder who surrenders a permit to the Council before the permit becomes valid shall be entitled to a refund of the charge paid in respect of the issue thereof.

31. (2) A permit holder who surrenders a permit to the Council after the permit has become valid shall be entitled to a refund of that part of the charge paid in respect of the issue of the permit as is attributable to the period from the receipt by the Council of the surrendered permit to the expiry of the period for which the permit was issued.

Display Of Permits

32. At all times during which a vehicle is left in a parking place during the permitted hours there shall be displayed in the protective cover referred to in Article 26(3) (b) of this Order on the front or near side of the vehicle a valid permit issued in respect of that vehicle so that all the particulars referred to in Article 29 of this Order are readily visible from the front or near side of the vehicle.

Restriction On The Removal Of Permits And Disabled Persons Badges

33. Where a permit or disabled persons badge is displayed on a vehicle in accordance with Article 32 or 34(1)(d) of this Order, no person, not being the driver of the vehicle, shall remove the permit or disabled persons badge from the vehicle unless authorised to do so by the driver of the vehicle.

Exemptions For Disabled Drivers

34. (1) Notwithstanding the provisions of Articles 15 and 20 of this Order the following vehicles may be left during the permitted hours in a parking place and any such vehicle shall be exempt from the payment of any charge specified in this Order: - (a) an invalid carriage; (b) a vehicle issued to a disabled person by the Department Of Health And Social Security in lieu of an invalid carriage; (c) a vehicle of which the driver is a person who on account of his severe physical disability has been given notice by the Council that he is exempt from any such charge, if the notice is displayed in a conspicuous position; (d), a disabled person's vehicle which displays, for a period not exceeding three hours, in the relevant position a

disabled person's badge and parking disc/clock in the form prescribed in The Disabled Persons (Badges for Motor Vehicles) (England) Regulations, 2000, as amended by Regulation 10 of The Disabled Persons (Badges for Motor Vehicles) (England) (Amendment) Regulations, 2007, which is displayed in the manner prescribed in the Department of Transport Leaflet (T/INF/1214) "The Blue Badge Scheme: Rights And Responsibilities In England", and issued by any Local Authority for display on a motor vehicle to be used by a disabled person or used for the carriage of a disabled person or of several disabled persons whose badge and parking disc/clock is correctly on display including a duplicate badge issued pursuant to the above Regulations, and for the purposes of this sub-paragraph a badge shall be in the relevant position:- (i) in the case of a vehicle fitted with a dashboard or fascia panel on such dash-board or fascia panel so that the front face of the badge is legible from outside the vehicle; or (ii) in the case of a vehicle not fitted with a dashboard or fascia panel in a conspicuous position on the vehicle so that the front face of the badge is legible from outside the vehicle.

34. (2) A vehicle which is so exempted from payment of any charge shall stand in the parking place in accordance with the provisions of Articles 36(a) and 36(b) of this Order and wholly within the limits of that parking place.

Placing Of Traffic Signs

35. The Council shall: - (a) cause the limits of each parking place to be indicated on the carriageway by placing and maintaining thereon the appropriate traffic signs; (b) place and maintain on or in the vicinity of each parking place appropriate traffic signs for indicating that such parking place may be used during the permitted hours for the leaving only of the vehicles specified in Articles 14, 14A, 15, 19, 20, 22, 24, 24A, 24B, 24C, 24D, 24F, 24G, 24H, 25 & 25A of this Order; and (c) carry out such other work as is reasonably required for the purposes of the satisfactory operation of a parking place.

Manner Of Standing In Parking Places

36. Every vehicle left in a parking place in accordance with the foregoing provisions of this Order shall so stand: - (a) in the case of a parking place in relation to which special provisions as to the manner of standing of vehicles in that place are specified in Column 2 of Schedules 2, 3, 4, 7, 8, 9 and 14 of this Order and Column 3 of Schedules 5 and 6 of this Order, so as to be in accordance with those provisions; (b) in the case of any other parking place: - (i) if the parking place is not in a one-way street, that the left or near side of the vehicle is adjacent to the left hand edge of the carriageway; (ii) if the parking place is in a one-way street, that the left or near side of the vehicle is adjacent to the left hand edge of the carriageway or that the right or off side of the vehicle is adjacent to the right hand edge of the carriageway; and (iii) that the distance between the edge of the carriageway and the nearest wheel of the vehicle is not more than 300 millimetres; (c) that every part of the vehicle is within the limits of a parking space (where marked).

Alteration Of Position Of Vehicle In Parking Places

37. Where any vehicle is standing in a parking place in contravention of the provisions of Articles 36 and 43 of this Order a civil enforcement officer may alter or cause to be altered the position of the vehicle in order that its position shall comply with those provisions.

Removal Of Vehicles From Parking Places

38. (a) Where a civil enforcement officer is of the opinion that Article 42(3) of this Order has been contravened or not complied with in respect of a vehicle left in a parking place, he may remove or cause to be removed the vehicle from the parking place, and where it is so removed, shall provide for the safe custody of the vehicle.

38. (b) The Council may as respects a vehicle which has been removed from a Parking Place in pursuance of Article 38(a) of this Order, if it appears to them to have been abandoned, sell or otherwise dispose of the vehicle after having made reasonable enquiry to ascertain the name and address of the owner of the vehicle in accordance with the procedure set out in The Refuse Disposal (Amenity) Act, 1978, or regulations made there under.

Movement Of Vehicles In Parking Places In Emergencies

39. A police constable in uniform or a civil enforcement officer may in case of emergency move or cause to be moved any vehicle left in a parking place to any place he thinks fit.

Power To Suspend Use Of Parking Places

40. (1) Any person authorised by the Council may suspend the use of a parking place or any part thereof whenever he considers such suspension reasonably necessary: - (a) for the purpose of facilitating the movement of traffic or promoting its safety; (b) for the purpose of any building operation, demolition or excavation in or adjacent to the parking place or the maintenance, improvement or reconstruction of the parking place or the laying, erection, alteration, removal or repair in or adjacent to the parking place of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telecommunications apparatus or traffic sign; (c) for the convenience of occupiers of premises adjacent to the parking place on any occasion of the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository; (d) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or (e) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions.

40. (2) A civil enforcement officer may suspend for not longer than twenty-four hours the use of a parking place or any part thereof whenever he considers such suspension reasonably necessary for the purpose of facilitating the movement of traffic or promoting its safety.

40. (3) Any person suspending the use of a parking place or any part thereof in accordance with the provisions of paragraph (1) or paragraph (2) of this Article shall thereupon place or caused to be placed in or adjacent to that parking place or the part thereof the use of which is suspended a traffic sign indicating that waiting by vehicle is prohibited.

40. (4) No person shall cause or permit a vehicle to be left in any parking place or part of a parking place during such period as there is in or adjacent to that parking place or part of a parking place a traffic sign placed in pursuance of paragraph (3) of this Article;

Provided that nothing in paragraph (4) of this Article shall render it unlawful to cause or permit any vehicle being used for any purpose specified in Article 42(1)(b), 42(1)(c), 42(1)(d) or 42(1)(e) of this Order to be left in the parking place or part of a parking place during any such period, or to any other vehicle so left if that vehicle is left with the permission: - (i) of the person suspending the use of the parking place or the part thereof in pursuance of paragraph (1) of this Article; (ii) of a police constable in uniform; or (iii) of a civil enforcement officer.

Restriction Of Use Of Vehicles At Parking Places

41. While any vehicle is left in a parking place during the permitted hours, no person shall use the vehicle in connection with the sale of any article to any person in or near the parking place or in connection with the selling or offering for sale of his skill or services. Provided that nothing in this Article shall prevent the sale of goods from a vehicle: - (a) if the vehicle is a passenger vehicle, a dual purpose vehicle, a goods vehicle or a motor cycle (or an invalid carriage) and the goods are immediately delivered at or taken into premises adjacent to the vehicle from which the sale is affected; or (b) if the vehicle is one to which the provisions of Article 42(1)(h) or 42(1)(j) of this Order apply.

Restriction Of Waiting Of Vehicles In Parking Places

42. (1) Notwithstanding the foregoing provisions of this Order, any vehicle may wait during the permitted hours anywhere on the carriageway in a parking place (other than a parking place or part of a parking place the use of which has been suspended under Article 40 of this Order) for so long as may be necessary if: - (a) the vehicle is waiting to enable a person to board or alight from the vehicle; (b) the vehicle is waiting owing to the driver being prevented from proceeding by circumstances beyond his control or to such waiting being necessary in order to avoid an accident; (c) the vehicle is a vehicle used for police, fire brigade or ambulance purposes, or a vehicle (other than a passenger vehicle) in the service of a local authority which is being used in pursuance of statutory powers or duties; (d) The vehicle, if it cannot conveniently be used for such purposes in any other road, to be used in connection with any of the following operations, namely: - (i) Building, industrial or demolition operations; (ii) The removal of any obstruction to traffic; (iii) The maintenance, improvement or reconstruction of the said roads, lengths of roads or sides of lengths of roads; (iv) The laying, erection, alteration or repair in, or in land adjacent to, the said roads, lengths of roads or sides of lengths of roads of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telecommunications apparatus as defined in Section 4 of The Telecommunications Act, 1984, including telephone kiosks; (e) The vehicle to be used by a postal

operator for the purpose of delivering or collecting postal packets from premises or postal boxes adjacent to the road; (f) the vehicle (not being a passenger vehicle) is waiting to enable it to be used for any purpose specified in Article 40(1)(b) of this Order; (g) the vehicle (not being a passenger vehicle) is in actual use in connection with the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository; (h) the vehicle is waiting if goods are being sold or offered for sale from the vehicle by a person who is licensed by the Council to sell goods from a stationary pitch situated in the parking place; (i) the vehicle is waiting to enable it to be used in connection with lawfully posting or removing advertising material in the form of posters on or from, or cleaning windows or chimneys in, premises adjacent to the parking place in which the vehicle is waiting; or (j) in any other case the vehicle is waiting, for so long as may be necessary, for the purpose of delivering or collecting goods including, so far as a Bank is concerned, cash or other valuables or valuable securities, or loading or unloading the vehicle at premises adjacent to the parking place in which the vehicle is waiting.

42. (2) No charge specified in the foregoing provisions of this Order shall be payable in respect of any vehicle waiting in a parking place in accordance with the foregoing provisions of this Article.

42. (3) Except as provided in the foregoing provisions of this Order, the driver of a vehicle shall not cause or permit the vehicle to wait in a parking place.

42. (4) Nothing in the foregoing provisions of this Article shall be taken as authorising anything which would be a contravention of any regulations made or having effect as if made under Section 25 of the Act of 1984.

Manner Of Waiting In Parking Places

43. (1) A person causing or permitting a vehicle to wait in a parking place by virtue of the provisions of Article 42(1)(e), 42(1)(f), 42(1)(g), 42(1)(h), 42(1)(i), or 42(1)(j) of this Order shall take all steps as are necessary to ensure (subject to paragraph (2) below): - (a) in the case of a parking place in relation to which special provisions as to the manner of standing of vehicles in that place are specified in Column 2 of Schedules 2, 3, 4, 7, 8, 9 and 14 of this Order and Column 3 of Schedules 5 and 6 of this Order, that the vehicle shall so stand; and (b) in the case of any other parking place, that the longitudinal axis of the vehicle is parallel to the edge of the carriageway nearest to the vehicle and the distance between the said edge and the nearest wheel of the vehicle is not more than 300 millimetres.

43. (2) Where the length of a vehicle is such that if it stood in a parking place referred to in paragraph (1)(a) of this Article in the special manner of standing prescribed for that parking place, some part or parts of the vehicle would be outside the limits of the parking place, that vehicle may stand in that parking place in the manner indicated in paragraph (1)(b) of this Article.

44. Evidential Matters – Permits

(a) The absence of a valid Permit on a vehicle in respect of the Parking Place at which the vehicle was left shall be treated as evidence that no valid Permit was held by the Driver to park in that Parking Place.

(b) An indication on a Permit of any date shall be treated as evidence of the date on which the Permit ceases to be valid.

(c) An indication on a Permit as to any date, month and year shall be treated as evidence of the date, month and year on which the Permit expires.

(d) An indication on a Permit as to a vehicle registration mark shall be treated as evidence of the vehicle in respect of which the Permit applies.

Pay and Display Parking Places

45A. No person shall leave a vehicle other than a Passenger Vehicle, Dual Purpose Vehicle, Light Goods Vehicle, Motor Cycle with a side car fitted or Invalid Carriage at any Pay and Display Parking Place during the Permitted Hours.

45B. No person shall leave a vehicle in a Pay and Display Parking Place at any time during the Permitted Hours unless he:-

(i) has paid the Parking Charge, relevant for that parking place, as specified in Article 46 in accordance with Article 47 and displays the valid Parking Ticket on that vehicle in accordance with Article 48; or

(ii) is the holder of a valid Disabled Persons Badge which has been issued to him and he displays such Badge on that vehicle in accordance with Article 34.

45C. In the event that a person leaves a vehicle in a Pay and Display Parking Place at any time outside the Permitted Hours and that vehicle remains at that Pay and Display Parking Place at the commencement of the next Permitted Hours that person shall then:-

(i) pay the Parking Charge specified in Article 46 in accordance with the provisions of Article 47 and displays the Parking Ticket on that vehicle in accordance with Article 48; or

(ii) display a valid Disabled Persons Badge on that vehicle in accordance with Article 34.

45D. Subject to the exceptions set out in Article 34 no person shall leave a vehicle at a Pay and Display Parking Place during the Permitted Hours for a period exceeding 8 hours.

45E. Subject to the exceptions set out in Article 34 where a vehicle has been left at a Pay and Display Parking Place during the Permitted Hours and is then taken away from that Parking Place, the vehicle shall not be left at that Parking Place again until one hour has elapsed from the time at which the vehicle was taken away from that Parking Place or the Permitted Hours have expired whichever is the earlier.

45F. The restrictions as to the maximum length of time for which a vehicle may be left in a Pay and Display Parking Place specified in Article 45D and the restrictions on returning to a Pay and Display Parking Place specified in Article 45E shall not apply to vehicles on which a valid Disabled Persons Badge is displayed in accordance with Article 34.

Amount of Parking Charge – For Pay and Display Parking Places - Mondays to Fridays

46. The Parking Charge payable for a vehicle to be left at a Pay and Display Parking Place specified in Schedule 22 to this Order, on the days specified in Column 5 of the said Schedule, in the lengths of roads or sides of lengths of roads specified in Column 2 of the said Schedule to this Order, for a period not exceeding that specified in Column 1 below shall be the sum specified in the corresponding part of Column 2 below:-

Column 1 – Initial Period	Column 2 – Parking Charge
1 hour	£0.50
2 hours	£1.00
4 hours	£2.00
6 hours	£3.00
8 hours	£4.00

Payment Of Parking Charge

47A. The driver of a vehicle who leaves that vehicle in a Pay & Display Parking Place specified in Schedule 22 to this Order shall pay the appropriate charge in accordance with the scale of charges specified in Article 46. Such payment is to be made by pay and display machine.

47B. Where the service is available, payment of the Parking Charge can be made using the phone and pay system. Payments made using the phone and pay system will incur an administration charge.

47C. Phone and pay information notices are located adjacent to each Pay & Display Parking Place where the phone and pay system is in operation. These notices provide information in relation to the operation and use of phone and pay and identify the relevant location number.

47D. The payment of the charge using phone and pay will relate only to the parking places as indicated by the location identification number displayed on the phone and pay notices situated at that specific Pay & Display Parking Place.

47E. Where a vehicle has been left in a parking place operating phone and pay an indication that the charge has been made in respect of that vehicle using phone and pay, together with an indication of the parking periods for which payment has been made, shall appear on the hand-held device.

47F. Where a driver attempts to pay the appropriate charge in accordance with Article 47B, but is unable to do so, he shall pay the appropriate charge in accordance with Article 47A.

Display of Parking Ticket

48A. The Parking Ticket issued by the Pay and Display machine shall be displayed in the vehicle in respect of which the Parking Charge has been paid, in a conspicuous position on the vehicle dashboard or fascia so that the date and time recorded on the Parking Ticket are clearly visible to a person standing at the front, or nearside of such vehicle, for the whole of the time during which such vehicle is left at the Pay and Display Parking Place.

48B. Where notices are displayed at a Parking Place advising of the option of making payment of the Parking Charge by Mobile Telephone (Phone-and-Pay) or by other electronic system (including via the internet) by Credit or Debit card or any other means of secure authorised payment, to facilitate a cashless and ticketless parking transaction and the Parking Charge is duly paid either by Credit Card or Debit Card, in accordance with the instructions indicated on the said notices, then Article 48A of this Order shall not apply.

48C. If during the permitted hours a vehicle is left in a parking place and the Parking Charge has been paid using the 'Phone-and-Pay' method, evidence shall be provided by/obtained from the City Council's appointed Service Provider as to whether the Initial Period has expired for which the Parking Charge shown on the mobile telephone was paid.

Not to insert further coins

49. No person shall insert in any Pay and Display Machine any coin or coins additional to the coin or coins inserted in a Pay and Display Machine by way of payment of the Parking Charge in respect of that vehicle.

Penalty Charge

50. Subject to Article 53 a Penalty Charge of £70.00 or £50.00 shall be incurred if a vehicle is left at any time during the Permitted Hours in a Pay and Display Parking Place and:-

(i) the Parking Charge has not been paid in respect of that vehicle; or

(ii) the Parking Charge has been paid in respect of that vehicle but the Initial Period in respect of which the Parking Charge has been paid has expired; or

(iii) the Parking Ticket is not displayed, in accordance with Article 48, for the whole of the time during which such vehicle is left at the Pay and Display Parking Place; or

(iv) If the vehicle is left in a Pay & Display Parking Place where the phone and pay system is in operation and no indication appears on a hand-held device that payment of the charge has been made using phone and pay, or a hand-held device indicates that the payment period for which payment was made using phone and pay has expired (by a period exceeding 10 minutes), and/or no valid pay and display parking ticket is correctly displayed in that vehicle, it shall be presumed that either: - (i) the charge has not been duly paid in respect of that vehicle in accordance with the provisions of Article 47A or Article 47B of this Order; or (ii) the parking period for which payment was made using phone and pay has expired.

Exemption from Penalty Charge

51. No penalty charge shall be incurred in respect of a vehicle left in a Pay and Display Parking Place in which is displayed a valid Disabled Persons Badge in accordance with Article 34.

Evidential Matters – Pay and Display Parking

52A. The absence of a Parking Ticket on a vehicle left at a Pay and Display Parking Place shall be treated as evidence that the Parking Charge may not have been paid in respect of that vehicle, except in circumstances in which a successful transaction for parking has been made using the Phone and Pay system.

52B. An indication on a Parking Ticket of a date shall be treated as evidence of the date on which the Parking Charge was paid.

52C. An indication on a Parking Ticket of a sum of money shall be treated as evidence that that sum (and only that sum) was paid as a Parking Charge.

52D. An indication on a Parking Ticket of a time shall be treated as evidence of the time of expiry of the Period for which the Parking Charge has been paid.

52E. If during the permitted hours a vehicle is left in a parking place and the Parking Charge has been paid using the 'Phone and Pay' method, evidence shall be provided by/obtained from the City Council's appointed Service Provider as to whether the Parking Charge has been paid and whether the period for which that charge has been paid has expired.

Section Five – Revocations

53. This Order shall revoke all provisions relating to Stationary Vehicle Offences within all of the current Traffic Regulation Orders affecting the North of Liverpool (but only to the extent that they relate to that area) and consolidate their effects into this Order. Stationary Vehicle Offences for the purposes of this Consolidation Order are defined as those relating to restrictions on the waiting, loading, unloading and parking of vehicles.
