NORTH NORFOLK DISTRICT COUNCIL

THE NORTH NORFOLK DISTRICT COUNCIL (OFF-STREET PARKING PLACES) (VARIATION NO.3) ORDER 2014

REASONS FOR MAKING THE VARIATION ORDER

The North Norfolk District Council (Off-Street Parking Places) (Variation No.3) Order 2014 (hereinafter referred to as 'the proposed Order') is being made to implement new parking policies and to increase flexibility for car park users. In particular the following reasons justify the listed changes:-

Mundesley Road Car Park, North Walsham

It is considered that it is of greater benefit to local businesses, residents and future management of the Mundesley Road car park if the charging regime at this car park is consistent with other Pay and Display Car Parks in North Walsham and is not limited to permit parking.

Midland Road Car Park, North Walsham

The lower section of the Midland Road car park is to be removed from the Council's off-street parking places order prior to a lease on this part of the site being surrendered.

Garden Street Car Park, Cromer

The hourly charge at the Garden Street car park is to be increased to ensure consistency of charging with other Council car parks in the off-street parking places order.

Conditions applying to £5 Daily Parking tickets

The current position which allows £5 daily parking tickets to be used by the purchaser at Coastal Car Parks other than where purchased is to be extended to allow use of £5 daily parking tickets at other council pay and display car park in order to increase flexibility for car park users and will apply at the car parks listed in the proposed Order.

Increase in maximum waiting time

The maximum stay permitted without the necessity to move a vehicle is to be extended from 24 hours to 7 days in order to better accommodate resident and tourist long term parking at the car parks listed in the proposed Order.

Removal of evening charging

The current £1 evening charge which applies to parking from 6.00pm to 11.00pm each night is to be removed at the car parks listed in the proposed Order with the aim of assisting businesses, organisations, clubs and societies operating in the evening period.

Introduction of free 30 minutes parking bays in selected town centre car parks

The introduction of free 30 minutes parking bays at the car parks listed in the proposed Order is to assist those car park users wishing to use town centres for a short period only and is to encourage regular use of the area's town centres.
