Part II

Parking Places

Authorisation of Parking Places

- 4. Each area of land specified in Column 1 of Schedule 2 to this Order may be used as a parking place for such classes or types of vehicles on such days, during such hours and on payment of such parking charges as are specified, in relation to that parking place, in the relevant Columns of the said Schedule, subject to the following provisions of this Order.

Conditions of use of Parking Places

- 5.
 - (i) Where a parking place is described as available for vehicles of a specified class or type the driver of a vehicle shall not permit it to wait in that parking place unless it is of the specified class or type.
 - (ii) The driver of a vehicle shall not permit it to wait in a parking place for a continuous period longer than 24 hours, except with the permission of the Council.
 - (iii) The driver of a vehicle using a parking place shall stop the engine as soon as the vehicle is in position in the parking place and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place.
 - (iv) Every vehicle left in a parking place, specified in Column 1 of Schedule 2 to this Order, shall, where provided, be left in a parking bay for that class or type of vehicle so that every part of the vehicle shall be within the limits of the parking bay, provided that where no such limits are defined upon the parking place such vehicle shall be left in accordance with the directions of a civil enforcement officer or in such a position as will not obstruct any other vehicle from entering or leaving the parking place or a parking bay within the parking place.

PROVIDED THAT if the vehicle is too long to comply with the provisions of this paragraph, such vehicle shall be deemed to be within the limits of the parking bay if the extreme front or rear portion of the vehicle is within 300mm of the limit of the parking bay and provided that the vehicle or any part of it is not within the limits of any adjoining parking bay.

(v) No person shall use a parking place in connection with the sale of any article to persons in or near the parking place or in connection with the selling or offering for hire of his skill or services, except with the permission of the Council.

(vi) No person shall use any part of a parking place or cause or permit any vehicle to be left in a parking place:-

- (a) for sleeping or camping purposes;
- (b) for cooking purposes;
- (c) for lighting or causing to be lit any fire;
- (d) for the purpose of servicing or washing any vehicle or part thereof, other than is reasonably necessary to enable that vehicle to depart from the parking place;
- (e) for the purpose of advertisement.

(vii) Where, in a parking place, signs are erected or surface markings are laid for the purpose of indicating:-

- (a) The entrance or exit from the parking place, or that a vehicle using the parking place shall process in a specified direction within it, then no person shall drive any vehicle so that it enters the parking place otherwise than by an entrance or leaves the parking place otherwise than by an exit so indicated, or in a direction other than that specified, as the case may be; or
- (b) That certain parking bays are for the use of vehicles displaying a Disabled Person's Badge then no person shall park a vehicle within those parking bays or areas **UNLESS** it is a vehicle displaying in the relevant position a valid Disabled Person's Badge;
- (c) That certain parking bays or areas of a parking place are for the use of solo motorcycles then no person shall park a vehicle within those parking bays or areas **UNLESS** it is a motor cycle as defined in this Order;
- (d) That certain parking bays or areas of a parking place are for the use of buses or coaches then no person shall park a vehicle within those parking bays or areas **UNLESS** it is a bus or coach as defined in this Order;
- (e) That certain parking bays are for the use of Electric Vehicles to charge from an adjacent electric charging point then no person shall park a vehicle within those parking bays **UNLESS** it is an Electric Vehicle as defined in this Order in the process of charging;
- (f) That certain parking bays or areas of a parking place are for the use of a certain class or type of vehicle as indicated by an appropriate sign or road marking then no person shall park a vehicle within those parking bays or areas **UNLESS** it is a vehicle of the specified class or type;
- (g) That certain parking bays are for use of vehicles displaying a valid WD4 parking permit (applicable only to Back Park Road Car Park, Wallsend) then no person shall park a vehicle within those parking bays **UNLESS** it is a vehicle displaying in the relevant position a valid Disabled Person's Badge.

(viii) Where an area is designated as 'loading only' the driver of a vehicle shall not permit the vehicle to wait in the loading area unless it is actively loading or unloading. Loading and unloading must be a continuous activity and the vehicle must be moved once it is complete.

(ix) If the loading bay specified in paragraph (viii) of this Article is designated for 'goods vehicles only' by virtue of appropriate signage, then no person shall park a vehicle within the loading bay **UNLESS** it is a vehicle of the specified class or type.

(x) The driver of a vehicle shall not cause or permit that vehicle to wait in any parking place unless the vehicle is licensed in accordance with the provisions of Section 1 of the Vehicle Excise Registration Act 1994 and the driver is covered by a policy of insurance complying with the requirements of Part VI of the Road Traffic Act 1988 and that is current in respect of the use of the vehicle by that driver.

(xi) Paragraph (i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix) and (x) of this Article shall not apply to any person or vehicle with the written permission of the Council.

Parking Charges and Method of Payment

6. (i) Save as provided in Article 11 of this Order, no person shall leave or cause any vehicle to be left in those parking places, specified in Schedule 2 to this Order, at which a parking charge is applicable, as specified in Column 5 of the said Schedule, during the charging period except upon payment of the appropriate parking charge or if displaying a valid parking permit exempting the driver from the charge.

(ii) The parking charge shall be payable on the leaving of a vehicle in a parking place, at which a parking charge is applicable, by :-

- (a) The insertion into the ticket machine, relating to that parking place or parking bay in which the vehicle is left, a coin or coins of such denomination, as may be indicated on the ticket machine, making up the amount of the parking charge for the parking period required; or
- (b) The use of a credit card or debit card by telephone communication, in accordance with the provisions of paragraphs (iii) and (iv) of this Article, at those parking places at which the Council has displayed signs stating that such method of payment is applicable to that parking place;
- (c) Where a parking charge has been paid under paragraph (ii) (b) of this Article the parking period may be extended by payment by credit or debit card by telephone communication of such further amount as appropriate for the further period which is required at that parking place or parking bay, as specified in Column 6 of Schedule 2 to this Order provided that the maximum period for which vehicles may wait as set out in Column 5 of Schedule 2 to this Order is not exceeded.

(iii) Any person may register the following information to the Council in order to enable the payment of a parking charge using a credit card or debit card by telephone communication:-

- (a) the telephone number of the mobile phone, which for the purpose of this Order shall be described as the account number;
- (b) the credit card or debit card identification number, expiry date and such other details as may be requested by the Council; and
- (c) the registration number of a vehicle or vehicles.

(iv) Where payment of a parking charge is made in accordance with paragraph (ii) (b) and (c) of this Article the payee shall disclose:

- a) their account number;
- b) the credit card or debit card identification number, expiry date and such other details as may be requested by the Council;
- c) the name or location number of the parking place in respect of which payment is being made; and
- d) the registration number of the vehicle being parked.

- (v) Where a parking charge has been paid in accordance with the provisions of paragraph (ii) (a) of this Article, the driver thereof shall exhibit in the vehicle a ticket or tickets issued by the ticket machine, relating to the parking place in which the vehicle is left.
- (vi) The ticket or tickets referred to in paragraph (v) of this Article shall be exhibited in a prominent position on the front of the vehicle so that the day and time of issue or day and time of expiry and the parking place(s) for which it was issued, which are shown on the front of the said ticket(s), are clearly visible from outside the vehicle.
- (vii) Where a ticket has been exhibited on a vehicle in accordance with paragraph (vi) of this Article, no person, not being the driver of the vehicle, shall remove the ticket from the vehicle unless authorised to do so by the driver.

Indications as evidence of not paying a Parking Charge

- 7. (i) If at any time while a vehicle is left in a parking place during the charging period no ticket is exhibited on the vehicle in accordance with the provisions of this Order it shall be presumed, unless the contrary is proved that:
 - (a) A parking charge has not been duly paid; or
 - (b) Verification from the Council via an approved handheld parking device indicates that payment of the parking charge has not been received by credit card or debit card by telephone communication.
- (ii) If at any time while a vehicle is left in a parking place during the charging period the ticket, issued by a ticket machine or a civil enforcement officer, exhibited on the vehicle indicates that the parking period for which payment was made by the parking charge has already expired, then those indications shall be evidence that a contravention has occurred.
- (iii) If at any time while a vehicle is left in a parking place during the charging period verification from the Council via an approved handheld parking device indicates that the parking period for which payment was made, in accordance with Article 6(ii) (b) and (c), has expired, then those indications shall be evidence that a contravention has occurred.
- (iv) If any of the provisions of this Article are found to apply then that shall be confirmation that a contravention has occurred.

Power to suspend use of a Parking Place

- 8. (i) The Council or a civil enforcement officer may suspend the use of a parking place or any part thereof whenever such supervision is considered reasonably necessary:-
 - (a) for the purpose of facilitating the movement of traffic or promoting its safety;
 - (b) for the purpose of any building operation, demolition or excavation in or adjacent to the parking place or the maintenance, improvement or reconstruction of the parking places or the laying, erection, alteration removal or maintenance in or adjacent to the parking place of any sewer, main, pipe or apparatus for the safety of gas, water or electricity or of any telecommunications apparatus or traffic sign;
 - (c) on any occasion on which it is likely by reason of some special attraction that any parking place will be thronged or obstructed;

- (d) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions; or
 - (e) for any other purpose subject to the prior written agreement of the Council.
- (ii) Any person suspending the use of a parking place or any part thereof in accordance with the provisions of this Article shall place or cause to be placed in or adjacent to the parking place or any part thereof, which is being suspended, a traffic sign or signs indicating that the parking place or part thereof is suspended.
- (iii) No person shall cause or permit a vehicle to be left in a parking place or part thereof during the period there is in or adjacent to the parking place or part thereof a traffic sign or traffic signs placed in accordance with the provisions of paragraph (ii) of this Article other than:-
- (a) An operational vehicle being used for police, fire brigade or ambulance purposes as part of their statutory duties;
 - (b) Any vehicle left with the permission of the person suspending the parking place or part thereof in accordance with the provisions of paragraphs (i) or (ii) of this Article.

Occasional Reservation of Spaces

- 9 (i) The provisions of this Order shall not preclude the power of the Council, upon application from and organisation or body, to provide occasional reserved parking space in a parking place on the terms and conditions laid down for such reservations.
- (ii) The Council may levy a charge in connection with the suspension of a parking bay within an Off-Street Parking place designated under the relevant provisions of this Order, and where such charge is levied it shall be:-
- (a) £5 per parking bay per day in a free car park subject to a time restriction;
 - (b) £6 per parking bay per day in a charged car park;

Use of Parking Places during Charging Period without payment

10. (i) Without prejudice to the foregoing provisions of this Order, relating to vehicles which are left in a parking place, any other vehicle may wait during the charging period anywhere in a parking place if:-
- (a) The vehicle is waiting due to the driver being prevented from proceeding by circumstances beyond his control or to such waiting being necessary in order to avoid an accident;
 - (b) The vehicle is being used for the police, fire brigade or ambulance purposes in pursuance of statutory powers and duties;
 - (c) The vehicle waiting only for so long as may be necessary to enable it to be used in connection with the removal of any obstruction to traffic.
- (ii) No charge specified under the provisions of this Order shall be payable in respect of any vehicle waiting in a parking place in accordance with the provisions of this Article.

Exemptions from the Parking Charge

11. (i) If a vehicle is left in a parking place or bay, which is subject to a parking charge, during the charging period but there is no ticket machine in working order or signage in place within the car park indicating that payment can only be made by

the method specified in Article 6 (ii) (b) of this Order, the vehicle will be exempt from the parking charge **PROVIDED** that the parking place or part thereof has been suspended in accordance with the provisions of Article 8 of this Order.

- (ii) Any vehicle which displays in the relevant position a valid disabled persons badge shall, if left in a parking place during the charging period, be exempt from a parking charge or compliance with any time limit in relation to the leaving of any vehicle, during the charging period, as prescribed in the foregoing provisions of this Order.
- (iii) A vehicle parked in a parking place, during the charging period shall be exempt from a parking charge or compliance with any time limit, during the charging period if:-
 - (a) It is a motorcycle;
 - (b) The vehicle displays a valid car park permit for the parking place in which it is left, issued in accordance with the provisions of Article 12, 13, 14, 15 and such permit is displayed in accordance with the provisions of that Article;
 - (c) The vehicle displays a foreshore permit, for use only in a foreshore parking place as specified in Article 3 of this Order, issued in accordance with the provisions of Article 16 and such permit is displayed in accordance with the provisions of that Article.

PROVIDED THAT the exemptions in this Article do not apply to any parking bays which the Council may have signed as being reserved for a specific class or type of vehicle.

Application for and issue of Car Park permit(s)

- 12. (i) Any person may apply to the council for the issue of a Car Park permit which may be valid for use with a passenger vehicle, **ONLY** at a specified parking place, and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.
- (ii) The Council may at anytime require an applicant for a car park permit to produce to an officer of the Council such evidence in respect of an application, for a car park permit, made to them as they may reasonably require to verify any particulars or information given to them.
- (iii) The application shall be returned to the Council, duly completed, together with a remittance for the charge(s) specified in paragraph (5) of this Article relating to the issue of a car park permit.
- (iv) Upon receipt of an application duly made, under the foregoing provisions of this Article, together with the relevant charge the Council may issue to the applicant:-
