EXPERIMENTAL ORDER 2015 (TRO\_010\_09)**

**STATEMENT OF THE COUNCIL'S REASONS FOR MAKING THE ORDER**

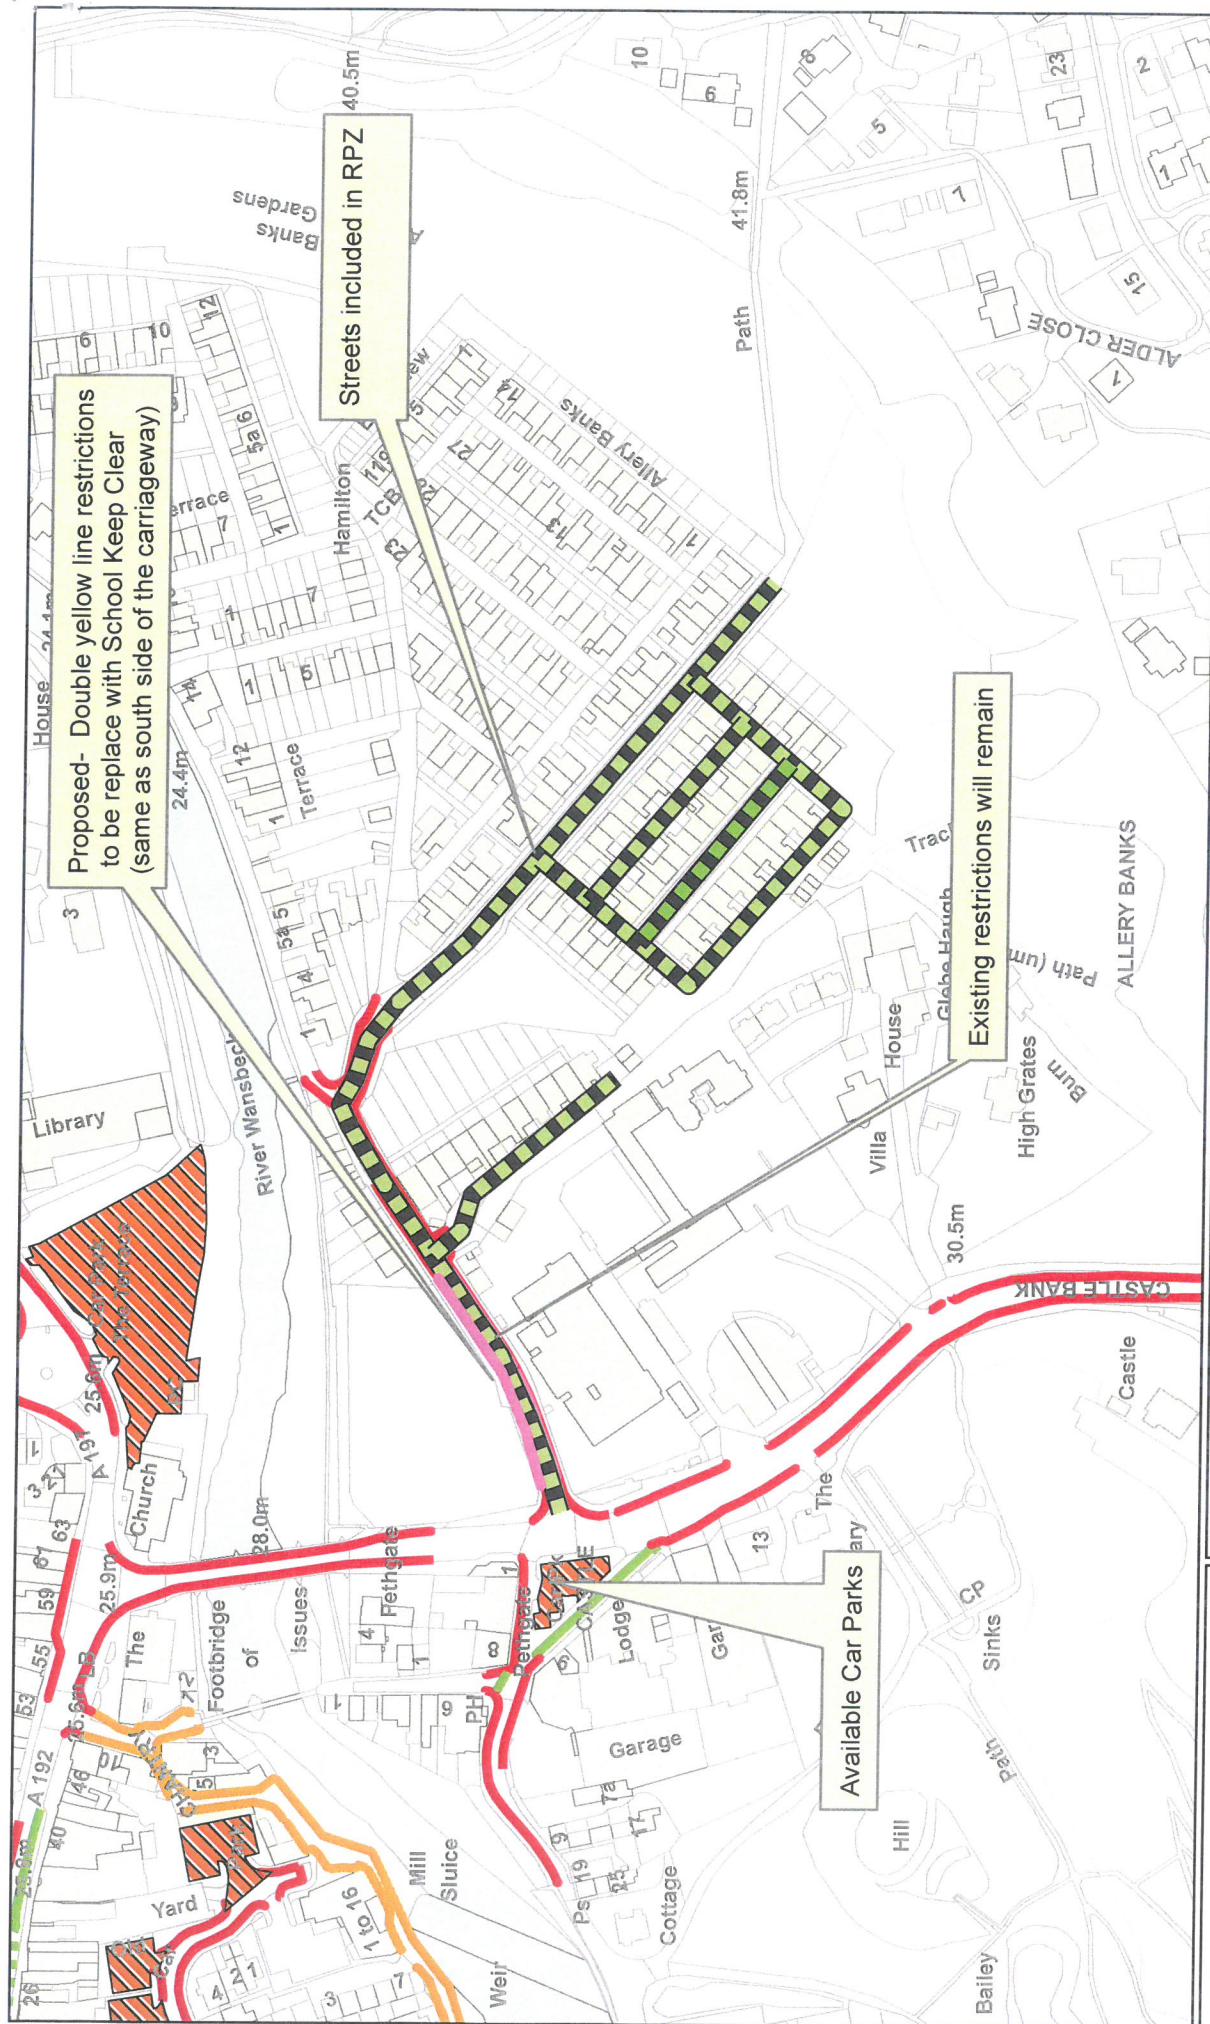

The general effect of this Experimental Order will be to introduce Resident Parking Zone in an area of Middle Greens, Morpeth. Together with associated minor changes to No Waiting at Any Time restrictions and an additional No Stopping restriction adjacent to the school on Goose Hill, of Middle Greens, Morpeth on an experimental basis

The reasons for introducing this by way of an Experimental Order are to assess the impact on parking and traffic flows with the introduction of a Resident Parking Zone in the Middle Greens area of Morpeth i.e. potential displacement of parking, use of existing car parks and so on.

Consideration will be given after a trial period as to whether or not the provisions of this Experimental Order should be made permanent. Currently, at the end of the trial period, the Council intends to consider making an order which will continue in force indefinitely having the same effect as the Experimental Traffic Regulation Order.

The effects of this Order will be reviewed after 6 months
