David J Clough,
 Assistant Principal Engineer
 Environment & Economy, Transport Projects Implementation
 Oxfordshire County Council
 Speedwell House, Speedwell Street,
 Oxford
 OX1 1NE

Our Ref: VCA EDG077151

Tuesday, 24 April 2007

Dear Mr Clough,

TRANSPORT ACT 2000 - CIVIL BUS LANE ENFORCEMENT

**CERTIFICATION OF "APPROVED DEVICES" UNDER THE BUS LANES
 (APPROVED DEVICES) (ENGLAND) ORDER 2005 REGULATION 2(b)**

(i.e. for a device that is not: of a description specified in an order made by the Secretary of State under section 20(9) of the Road Traffic Offenders Act 1988 (prescribed devices for the purposes of speeding and other offences); nor a device of a type that was used prior to 1 November 2005 for the purpose of bus lane enforcement under Part II (bus lanes) of the London Local Authorities Act 1996.

Certificate Number: BLAD 002
 System: JIA Streetwatch 2
 Council: Oxfordshire
 Camera: MIC-1-400
 Lens: 4.1-73.8mm
 Locations: Castle Street, High Street, George Street

27 APR 2007

The Secretary of State for Transport has appointed the Vehicle Certification Agency to grant "Approved Device" certifications under the above order on his behalf.

After a review of the information provided in your technical submissions, the proposed MIC-1-400 cameras with 4.1-73.8 mm lens are considered to have sufficient performance compared to the specification given in Annex 2 of the Department for Transport's Provisional Guidance for Civil Bus Lane Enforcement dated November 2005. They are, therefore, suitable for use with your JIA Streetwatch 2 system (which is deemed approved as being in use before 1 November 2005) for use in civil enforcement of bus lanes at the (above) specified locations in the Oxfordshire area. These locations being limited to those for which you have submitted example views.

Yours sincerely

Tony Stenning,

Member of the Board, Technical & Quality Support
