## EXEMPTIONS

- 3)
- a) Nothing in Article 1 of Part II of this Order shall prevent any person from causing or permitting a vehicle to wait on any restricted road:-
    - (1) for so long as may be necessary to enable the vehicle, if it cannot conveniently be used for such purpose in any other road, to be used in connection with any of the following operations, namely –
      - (i) any funeral or any building, excavation or demolition operation in or adjacent to any restricted road;
      - (ii) the removal of any obstruction to traffic in any restricted road;
      - (iii) the maintenance, improvement or reconstruction of the said restricted road; and
      - (iv) the laying, erection, alteration or repair in or adjacent to any restricted road of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telegraphic line as defined in the Telegraph Act, 1878 or of any traffic sign.
    - (2) for so long as may be necessary to enable the vehicle, if it cannot conveniently be used for such purpose in any other road, to be used for fire brigade, ambulance or police purposes.

- (3) for so long as may be necessary to enable the vehicle, if it cannot conveniently be used for such purpose in any other road, to be used in the service of a local authority or of a water authority in pursuance of statutory powers or duties;
- (4) for so long as may be necessary to enable the vehicle to be used for the purpose of delivering or collecting postal packets as defined in section 125 (1) of Postal Services Act 2000;
- (5) if the vehicle is waiting owing to the driver being prevented from proceeding by circumstances beyond his control or to such waiting being necessary in order to avoid accident;
- (6) if the vehicle is a hackney carriage waiting upon any duly authorised taxi rank;
- (7) for so long as may be necessary to enable a person to board or alight from the vehicle or to load thereon or unload therefrom his personal luggage, provided that except where the said person is a disabled person no vehicle may so wait in the same place for longer than two minutes;
- (8) if the vehicle is a disabled person's vehicle which displays in the relevant position a disabled person's badge, and a parking disc (on which the driver, or other person in charge of the vehicle, has marked the time at which the period of waiting began) in any restricted road for a period not exceeding 3 hours (not being a period separated by an interval of less than 1 hour from a previous period of waiting by the same vehicle in the same road on the same day) **provided that** no disabled person's vehicle shall wait in any restricted road specified in any Schedule listed in Column 1 of Table 1 to this Order for the hours and days specified in Column 2 in relation to that Schedule.
- (9) for the purpose of loading or unloading the vehicle while the vehicle is in actual use in connection with the removal of furniture from one office or dwellinghouse to another or the removal of furniture from such premises to a depository or such premises from a depository except that no such vehicle shall wait for any such purpose in any road specified in any Schedule listed in Column 1 of Table 1 to this Order for the hours and days specified in Column 2 relating to that Schedule unless notice is given twenty-four hours in advance to the Council and their consent is obtained.
- (10) for as long as may be necessary for the purpose of delivering or collecting goods or merchandise or loading or unloading a vehicle at a premises adjoining that road, provided that:-
  - (a) no vehicle engaged in delivering or collecting goods or merchandise, including so far as a bank is concerned, cash or other valuables or valuable securities, or being loaded or unloaded shall wait during the restricted hours in the same place in any restricted road for a period of more than thirty minutes or such longer period as a civil enforcement officer may authorise and shall not wait again during the said hours on that length of road if a period of one hour has not elapsed since the termination of the last period of waiting; and

- (b) no vehicle shall wait for the purpose of delivering or collecting goods or merchandise or loading and unloading the vehicle in any road specified in any Schedule listed in Column 1 of Table 1 to this Order during the times relating to that Schedule as specified in Column 2;
  - (c) nothing in this Article shall apply so as to restrict the loading or unloading of any vehicle while the vehicle is in actual use in connection with the collection or delivery of goods which cannot reasonably be loaded or unloaded outside the restricted hours provided that notice is given twenty-four hours in advance to the Council and their consent is obtained;
  - (d) Nothing in this Article or in Article 1 of Part II to this Order shall render it unlawful to cause or permit a vehicle to wait in any part of a restricted road specified in Schedules 11.01 and 11.03 to this Order provided that the vehicle is being used for the purpose of delivering or collecting goods or merchandise or loading or unloading at premises adjoining that road.
- (11) If the vehicle is in use in connection with the servicing of telephone kiosks adjacent to that road.
- b) Notwithstanding anything in the preceding provisions of this Article, the driver of a vehicle shall move the same on the instruction of a police constable in uniform or a civil enforcement officer whenever such moving may be reasonably necessary for the purpose of preventing obstruction.

### Number and Situation of Parking Bays

- 2) The number of parking bays in each parking place shall not exceed the number specified in column 3 of any Schedule listed in Column 1 of Table 2 to this Order in relation to that parking place, and the number and situation of such parking bays in each parking place shall be as may be determined by the Council:

Provided that where a figure is specified in column 4 of any Schedule listed in Column 1 of Table 2 to this Order in relation to any area of carriageway described in column 2 of the said Schedules there shall at all times be a part or parts of the said area of a total length in metres not less than that figure and of a width equal to the width of the said area in which there shall be no parking bay or part of a parking bay.

### Marking on the Carriageway of Parking Places and Parking Bays

- 3)
  - a) The limits of each parking place and the limits of any parking bays in a parking place shall be indicated on the carriageway in such manner as the Council may determine by lines, studs or other indications.
  - b) Parking places reserved for the use of car club vehicles shall be additionally indicated by the use of carriageway markings and signs including the legend 'car club'.

### Vehicles for which Parking Places are Designated

- 4)
  - a) Each parking place specified in any Schedule listed in Column 1 of Table 2 to this Order may be used, subject to the provisions of this Order, for the leaving of such vehicles as are passenger vehicles, goods vehicles, motor cycles or invalid carriages.
  - b) No person shall cause or permit any vehicle other than a car club vehicle to use a parking place which is marked in accordance with the provisions of Article 3 of Part III, Section A of this Order as being reserved for the use of car club vehicles.

### Amount of Parking Charges at Parking Places

- 5)
  - a) The parking charges for a vehicle left in a parking place described in any Schedule listed in Column 1 of Table 2 to this Order are as described in Columns 4 to 11 in relation to the length of stay shown in the applicable column of that Table relating to that Schedule in Column 1.
  - b) Where no charge appears in relation to any Schedule listed in Column 1 of Table 2 in a column in Table 2 the charge will be that stated in the subsequent column in relation to that Schedule.

### Method of Payment of Parking Charge

- 6)
  - a) Upon payment of the parking charge for a vehicle left in a parking place controlled by the display of a ticket from a ticket issuing machine, the driver thereof shall display or cause to be displayed on the vehicle, in accordance with the provisions of the next

following paragraph, the ticket issued by the ticket issuing machine on payment of the charge in accordance with the provisions of Article 5 of this Section.

- b) The ticket referred to in the last preceding paragraph shall be displayed on the vehicle in respect of which it was issued at all times during which the vehicle is left during the permitted hours in the parking place on the front or near side of the vehicle so that all the particulars on that side of the ticket which bears the indication that a charge has been paid are readily visible from the front or near side of the vehicle.

#### Staying Longer than the Initial Period at Parking Places

- 7) If a vehicle is left in a parking place for longer than the initial period for which payment was made by the parking charge, it shall be a contravention of this traffic regulation order.

#### Restriction on removal of Penalty Charge Notices

- 8) Where a Penalty Charge Notice has been attached to a vehicle no person, not being the driver of the vehicle or a civil enforcement officer, shall remove the notice from the vehicle unless authorised to do so by the driver.

#### Ticket Issuing Machines to be installed at Parking Places

- 9) When parking is controlled by the display of a ticket from a ticket issuing machine, there shall be a ticket issuing machine situated within a reasonable walking distance of the parking place.

#### Indications by Ticket Issuing Machines or by Ticket

- 10) For a parking place controlled by the display of a ticket from a ticket issuing machine:-
  - a) Payment of the parking charge for a vehicle left in a parking place shall be indicated by the issue by a ticket issuing machine relating to that parking place of a ticket indicating that a charge has been paid for that occasion, and by the display of that ticket in the manner specified in Article 6(b) of this section.
  - b) The expiry of the initial period for which the parking charge has been paid shall be indicated on the ticket issued by the ticket issuing machine relating to that parking place.

#### Ticket Issuing Machine Indications as Evidence

- 11) If at any time while a vehicle is left in a parking place controlled by the display of a ticket from a ticket issuing machine during the permitted hours no ticket issued by a ticket issuing machine relating to that parking place is displayed on that vehicle in accordance with the provisions of Article 6 of this section, it shall be presumed, unless the contrary is proved, that the parking charge has not been paid.

No additional coins to be inserted after payment of parking charge

- 12) No person shall insert in a ticket issuing machine relating to a parking place in which a vehicle is left any coins additional to those inserted by way of payment of the initial parking charge in respect of that vehicle.

Interval before vehicle again to be left

- 13) No vehicle which has been taken away from a parking bay in a parking place, after the parking charge has been incurred, shall until the expiration of one hour from the time it was taken away again be left in that parking place during the permitted hours.

Manner of standing in parking places

- 14) Every vehicle left in a parking place in respect of which a charge has been incurred shall so stand –
- a) In the case of a parking place in relation to which special provisions as to the manner of standing of vehicles in that place are specified in column 5 of any Schedule listed in Column 1 of Table 2, to this Order in accordance with those provisions:
  - b) In the case of any other parking place –
    - i) If the parking place is not in a one-way street, that the left or near side of the vehicle is adjacent to the left-hand edge of the carriageway;
    - ii) If the parking place is in a one-way street, that the left or near side of the vehicle is adjacent to the left-hand edge of the carriageway or that the right or offside of the vehicle is adjacent to the right-hand edge of the carriageway; and
    - iii) That the distance between the edge of the carriageway and the nearest wheel of the vehicle is not more than twelve inches; and
  - c) That every part of the vehicle is within the limits of a parking bay which shall be the appropriate bay in relation to the ticket issuing machine in which a coin or coins for the amount of the parking charge has or have been or should have been inserted.

Restriction of use of vehicles at parking places

- 15) No person shall use any vehicle, while it is in a parking place during the permitted hours, in connection with the sale of any article to any person in or near the parking place or in connection with the selling or offering for sale of his skill in handicraft or his services in any other capacity:

Provided that nothing in this Article shall prevent the sale of goods from a vehicle:-

- a) if the vehicle is one which may be left in a parking place in accordance with Article 4 of Section A of this Order and the goods are immediately delivered at or taken into premises adjacent to the vehicle from which the sale is effected; or

- b) if the vehicle is one to which the provisions of Articles 16(a)(7) or 16(a)(9) of Section A of this Order apply.

### Exemptions

16)

- a) Without prejudice to the foregoing provisions of this Section with respect to vehicles which are left in a parking place in accordance with those provisions, any vehicle may wait anywhere in a parking place described in any Schedule listed in Column 1 of Table 2 to this Order during the days and hours of operation listed in Column 2 of Table 2 relating to that parking place, other than in a parking place or part of a parking place the use of which has been suspended, if –
- (1) The vehicle is waiting only for so long as is necessary to enable a person to board or alight from the vehicle;
  - (2) The vehicle is waiting owing to the driver being prevented from proceeding by circumstances beyond his control or to such waiting being necessary in order to avoid an accident;
  - (3) the vehicle is a vehicle used for fire brigade purposes or an ambulance, or any vehicle (other than a passenger vehicle) in the service of a local authority or police force in either case being used in pursuance of statutory powers or duties;
  - (4) the vehicle is waiting only for so long as may be necessary to enable it to be used in connection with the removal of any obstruction to traffic;
  - (5) the vehicle is being used for the purpose of delivering or collecting postal packets as defined in section 125(1) of Postal Services Act 2000 or is in use in connection with the servicing of telephone kiosks adjacent to that parking place;
  - (6) the vehicle, not being a passenger vehicle, is waiting only for so long as may be reasonably necessary to enable it to be used for any purpose specified in Article 18(a)(ii) of this Section;
  - (7) goods are being sold from the vehicle by a person who is licensed by the Council to sell goods from a stationary pitch situated in the parking place, not being a parking bay;
  - (8) the vehicle is waiting for the purpose of delivering or collecting goods or merchandise, including, so far as a Bank is concerned, cash or other valuables or valuable securities, or loading or unloading the vehicle at premises adjacent to the parking place in which the vehicle is waiting and the vehicle does not wait for such purpose for more than thirty minutes or for such longer period as a civil enforcement officer may authorise; or
  - (9) the vehicle, not being a passenger vehicle, is in actual use in connection with the removal of furniture from one office or dwellinghouse to another or the removal of furniture from such premises to a depository or to such premises from a depository.

- b) No charge specified in the foregoing provisions of this Order shall be payable in respect of any vehicle waiting in a parking place in accordance with the foregoing provisions of this Article.
- c) Except as provided in the foregoing provisions of this Article, the driver of a vehicle shall not cause or permit the vehicle to wait in a parking place during the permitted hours.
- d) Nothing in the foregoing provisions of this Article shall be taken as authorising anything which would be a contravention of any regulation made or having effect as if made under Section 23 of the Road Traffic Regulations Act 1984.

#### Manner of Waiting in Parking Places

- 17) A person causing or permitting a vehicle to wait in a parking place by virtue of the provisions of Articles 16(a)(5), (6), (7) or (9) shall take all such steps as are necessary to ensure:
- a) in the case of a parking place in relation to which special provisions as to the manner of standing of vehicles in that place are specified in column 5 of any Schedule listed in Column 1 of Table 2 to this Order that the vehicle shall so stand –
    - i) unless the length of the vehicle precludes compliance with this sub-paragraph, in accordance with those provisions and so that every part of the vehicle is within the limits of the parking place; or
    - ii) if the length of the vehicle does preclude compliance with the last preceding sub-paragraph that the longitudinal axis of the vehicle is parallel to the edge of the carriageway nearest to the vehicle and the distance between the said edge and the nearest wheel of the vehicle is not more than twelve inches; and
  - b) in the case of any other parking place that the longitudinal axis of the vehicle is parallel to the edge of the carriageway nearest to the vehicle and the distance between the said edge and the nearest wheel of the vehicle is not more than twelve inches.

#### Suspension of Parking Place

- 18)
- a) Any person duly authorised by the Council may suspend the use of a parking place described in any Schedule listed in Column 1 of Table 2 to this Order or any part thereof whenever he considers such suspension reasonably necessary:-
    - i) for the purpose of facilitating the movement of traffic or promoting its safety;
    - ii) for the purpose of any building operation, demolition or excavation in or adjacent to the parking place or the maintenance, improvement or reconstruction of the parking place or the laying, erection, alteration, removal or repair in or adjacent to the parking place of any sewer or of any main, pipe or apparatus for the supply or gas, water or electricity or of any telegraphic line or traffic sign or ticket issuing machine;

- iii) for the convenience of occupiers of premises adjacent to the parking place on any occasion of the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository;
  - iv) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or
  - v) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions.
- b) Any person suspending the use of a parking place or any part thereof in accordance with the provisions of paragraph (a) of this Article shall thereupon place or cause to be placed in or adjacent to any part of that parking place a traffic sign indicating that waiting by vehicles is prohibited.
  - c) On any suspension of the use of a parking place described in any Schedule listed in Column 1 of Table 2 to this Order or any part thereof in accordance with the provisions of paragraph (a) of this Article, any person duly authorised by the Council may temporarily remove any ticket issuing machine relating to any parking bay within that parking place or, as the case may be, that part thereof and any post, bracket or other support on which that ticket issuing machine is fitted and shall thereupon place or cause to be placed in or adjacent to that parking bay a traffic sign giving the indication referred to in paragraph (b) of this Article.
  - d) No person shall cause or permit a vehicle to be left –
    - i) in a parking bay during such period as there is over the ticket issuing machine relating to that bay a hood or other cover indicating that the use of the bay is suspended or during such period as there is in or adjacent to that bay a traffic sign placed in pursuance of paragraph (c) of this Article;
    - ii) in any part of a parking place, not being a parking bay, during such period as there is in or adjacent to that part of the parking place a traffic sign placed in pursuance of paragraph (b) of this Article;

provided that nothing in this paragraph shall render it unlawful to cause or permit:

- 1) a vehicle to be left in the parking bay during either such period as is referred to in sub-paragraph (i) or in the part of a parking place, not being a parking bay, during such period as is referred to in sub-paragraph (ii) if the vehicle is left within the permission of the person suspending the use of the parking place or the part thereof in pursuance of paragraph (a) of this Article or of a civil enforcement officer; or
- 2) any vehicle being used for fire brigade, ambulance or police purposes or any vehicle being used for any purpose specified in Articles 16(a)(2), (4) and (5) of Section A of Part III of this Order to be left in a parking bay during either such period as is referred to in sub-paragraph (i) or in the part of the parking place, not being a parking bay, during such period as is referred to in sub-paragraph (ii).

## Exemptions from Charges

19)

- a) If at the time when a vehicle is left in a parking place there is on every ticket issuing machine relating to that parking place a notice placed by a person duly authorised by the Council, indicating that the ticket issuing machine is out of order, that vehicle shall be exempt from the parking charge provided that it is removed within the maximum permitted initial period after a ticket machine relating to that parking place is rectified.
- b) If the vehicle exempted from the parking charge by virtue of the provisions of the last preceding paragraph is not removed within the maximum permitted period appropriate to that parking place the parking charge payable in respect of that period shall be treated as having been incurred and paid at the time when the vehicle was left in the parking place and all the provisions of the order shall apply accordingly.
- c) Notwithstanding the provisions of this Order a vehicle which displays a parking permit in the manner directed by the Council, may be left in a parking place during the permitted hours without further charge or compliance with any limitation of time.
- d) Notwithstanding the foregoing provisions of this Order, a vehicle which displays in the relevant position a disabled person's badge may be left in a parking place during the permitted hours without charge or compliance with any limitation of time.
- e) Without prejudice to the generality of this Article, a vehicle to which this Article applies shall stand in the parking place in accordance with the provisions of Article 14 of this Section of this Order.

20) No person shall display on a vehicle left in a parking place during the permitted hours any ticket issued by a ticket issuing machine other than the ticket issued by a ticket issuing machine relating to that parking place upon payment of the initial parking charge in respect of that vehicle.

21) When a vehicle is left in any parking place in contravention of any of the provisions contained in this Order, or in case of any emergency, the Council may move or remove, or arrange to be moved or removed, that vehicle from or within that parking place.

22) Any person moving a vehicle by virtue of Article 21 of this Section:-

- a) may do so in any manner so as to reasonably alter its position;
- b) shall make any arrangements as may be reasonably necessary for the safe custody of the vehicle and the Council may recover any costs involved as a civil debt.

23) The Council may –

- a) install in such position on or in the vicinity of a parking place as they may think fit such ticket issuing machines as are required by this Order for the purposes of that parking place; and
- b) carry out such other work as is authorised by this Order or is reasonably required for the purposes of the satisfactory operation of a parking place.

## **Section B: Disabled Persons' Parking**

- 1) Each of the roads specified in any Schedule listed in Column 1 of Table 3 to this Order, is authorised to be used, subject to the provisions of this Section, as a parking place for disabled persons' vehicles in such positions as are specified in relation to that road in the said Schedule.

TABLE 3 – DISABLED PERSON'S PARKING

<b>Column 1</b>	<b>Column 2</b>
<b>Schedule Number</b>	<b>Permitted hours</b>
7.01	At any time on any day
7.03	3 hours no return within 1 hour
7.04	4 hours
7.05	3 hours

- 2) The driver of a vehicle shall not permit it to wait in any parking place specified in any Schedule listed in Column 1 of Table 3 to this Order, unless it is a disabled persons' vehicle which displays in the relevant position a disabled persons' badge.
- 3)
- a) Where in any Schedule listed in Column 1 of Table 3 to this Order, a parking place is described, no person shall cause or permit a vehicle to stand in that parking place for a period of time in excess of the time specified in Column 2 of that table in relation to that Schedule.
  - b) Where in any Schedule listed in Column 1 of Table 3 to this Order, a parking place is described as available for a vehicle in a specified position, the driver of a vehicle shall not permit it to wait in that parking place in a position other than specified.
  - c) Where in those Schedules a parking place is not described as available for a vehicle in a specified position, the vehicle must be left wholly within the limits of the parking place and parallel to the kerb.
- 4) A driver of a vehicle shall not use a parking place so as unreasonably to prevent access to any premises adjoining the road, or the use of the road by other persons, or so as to be a nuisance.
- 5) The driver of a motor vehicle using a parking place shall stop the engine as soon as the vehicle is in position in the parking place, and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place.
- 6) No person shall use a vehicle, while it is in a parking place, in connection with the sale of any article to persons in or near the parking place or in connection with the selling or offering for hire of his skill or services.
- 7)
- a) Any person duly authorised by the Council may suspend the use of a parking place or any part thereof whenever he considers such suspension reasonably necessary:-
    - i) for the purpose of facilitating the movement of traffic or promoting its safety;

- ii) for the purpose of any building operation, demolition or excavation in or adjacent to the parking place or the maintenance, improvement or reconstruction of the parking place or the laying, erection, alteration, removal or repair in or adjacent to the parking place or any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telegraphic line or traffic sign or ticket issuing machine;
  - iii) for the convenience of occupiers of premises adjacent to the parking place on any occasion of the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository;
  - iv) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or
  - v) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions.
- b) Any person suspending the use of a parking place or any part thereof in accordance with the provisions of paragraph (a) of this Article shall thereupon place or cause to be placed in or adjacent to any part of that parking place a traffic sign indicating that waiting by vehicles is prohibited.
  - c) No person shall cause or permit a vehicle to be left in any part of a parking place during such period as there is in or adjacent to that part of the parking place a traffic sign placed in pursuance of paragraph (b) of this Article;

provided that nothing in this paragraph shall render it unlawful to cause or permit:

- 1) a vehicle to be left in the parking place if the vehicle is left with the permission (1) of the person suspending the use of the parking place or the part thereof in pursuance of paragraph (a) of this Article or (2) of a civil enforcement officer; or
  - 2) any vehicle being used for fire brigade, ambulance or police purposes or any vehicle being used for any purpose specified in Articles 16(a)(2), (4) and (5) of Section A of Part III of this Order to be left in a parking place.
- 8) When a vehicle is left in any parking place in contravention of any of the provisions contained in this Order, or in case of any emergency, the Council may move or remove, or arrange to move or remove, that vehicle from or within that parking place.
  - 9) Any person moving a vehicle by virtue of Article 8 of this Section:-
    - a) may do so in any manner so as to reasonably alter its position;
    - b) shall make any arrangements as may be reasonably necessary for the safe custody of the vehicle and the Council may recover any costs involved as a civil debt.

### **Section C: Motor Cycle Parking Places**

- 1) Each of the roads or parts of road specified in Schedule 8.02 to this Order is authorised to be used, subject to the following provisions of this Article, as a parking place for motor cycles.

- 2) The limits of each parking place and the limits of any parking bays in a parking place shall be indicated on the carriageway in such manner as the Council may determine by lines, studs or other indications.
- 3) Every motor cycle left in a parking place shall so stand:-
  - a) that the vehicle is in the position specified in column 3 of Schedule 8.02 to this Order;  
and
  - b) that every part of the vehicle is within the limits of the parking place.
- 4) The driver of a vehicle, not being a motor cycle, shall not leave such vehicle in a parking place specified in Schedule 8.02 to this Order.
- 5) The driver of a motor cycle using a parking place shall not permit the carrying out of any work of construction or repair except such as may be necessary to enable the motor cycle to be moved from the parking place.
- 6) The driver of a motor cycle shall not use a parking place so as unreasonably to restrict access to any premises adjoining the road, or the use of the road by other persons, or so as to be a nuisance.
- 7) The driver of a motor cycle using a parking place shall stop the engine as soon as the motor cycle is in position in the parking place, and shall not start the engine except when about to change the position of the motor cycle in or to depart from the parking place.
- 8) No person shall use any motor cycle while it is in a parking place in connection with the sale of any vehicle or of any other article to any person in or near the parking place or in connection with the selling or offering for hire of his skill or services.
- 9) When a motor cycle is left in a parking place in contravention of the provisions contained in Articles 5, 6, 7 and 8 of this Section, or when a vehicle, other than a motor cycle, is left in a parking place in contravention of Article 4 of this Section, a civil enforcement officer may remove or arrange for the removal of the motor cycle or the vehicle, as the case may be, from that parking place.
- 10) A civil enforcement officer removing a motor cycle or a vehicle, other than a motor cycle, by virtue of the last preceding Article of this Order may do so by towing or driving the motor cycle or the vehicle or in such a manner as he may think necessary and may take such measures in relation to the vehicle as he may think necessary to enable him to remove it as aforesaid.
- 11) When a civil enforcement officer removes or makes arrangements for the removal of a motor cycle or a vehicle from a parking place by virtue of the last preceding Article to this Order, he shall make such arrangements as may be reasonably necessary for the safe custody of the motor cycle or the vehicle.
- 12) Where a motor cycle is standing in a parking place in contravention of the provisions of Article 3 of this Section, a civil enforcement officer may alter or cause to be altered the position of the motor cycle in order that its position shall comply with those provisions.

- 13) Any person duly authorised by the Council, or a police constable in uniform may move or cause to be moved, in case of emergency, to any place he thinks fit, motor cycles left in a parking place.

#### **Section D: Taxi Ranks**

- 1) Subject to the provisions of this Section no person shall cause or permit any vehicle, other than a Licensed Hackney Carriage, to wait in any of the roads specified in Column 1 of Schedule 10 to this Order during the hours specified in Column 2 of the said Schedule.
- 2) No Person shall cause or permit any Licensed Hackney Carriage to wait in any Taxi Rank:-
  - a) so as to unreasonably prevent access to any premises adjoining the road, or use of the road by other persons or so as to be a nuisance;
  - b) if the Council has suspended use of the Taxi Rank or part thereof; or
  - c) if by doing so the number of Hackney Carriages waiting in the Taxi Rank exceeds the maximum number of vehicles allowed for that Taxi Rank as specified in Column 3 of Schedule 10 to this Order.
- 3) The driver of a Licensed Hackney Carriage using a Taxi Rank:-
  - a) shall park wholly within the limits of the Taxi Rank facing in the direction of traffic; and
  - b) shall stop the engine as soon as the vehicle is in position in the Taxi Rank and shall not start the engine except when about to change position of the vehicle in, or to depart from, the taxi rank.
- 4) **Suspension of Taxi Ranks**
  - a) The Council may suspend the use of a Taxi Rank, or any part thereof, if such suspension is deemed to be reasonably necessary:-
    - i) for the purpose of facilitating the movement of traffic or promoting its safety;
    - ii) for the purpose of any building operation, demolition or excavation in or adjacent to the Taxi Rank; or
    - iii) for the convenience of occupiers of premises adjacent to the Taxi Rank for the removal or delivering of furniture or goods or at times of weddings or funerals or on other special occasions.
  - b) Any person suspending the use of a Taxi Rank or any part thereof, shall place or cause to be placed a traffic sign in or adjacent to the Taxi Rank, indicating that the Taxi Rank is suspended.

## Removal of Vehicles

- 5) When a vehicle is left in a Taxi Rank in contravention of any of the provisions of this Section the Council may arrange for that vehicle to be moved or removed and may do so in any manner considered necessary and shall make such arrangements as may be reasonably necessary for the safe custody of the vehicle.

## **Section E: Loading Bays**

- 1) No person shall, except upon the direction or with the permission of a civil enforcement officer, cause any vehicle to wait at any time of any day in any part of a road specified in Schedule 11.01 unless that vehicle is being used for the purpose of delivering and collecting goods or merchandise or loading or unloading the vehicle at premises adjoining that road.
- 2) Nothing shall render it unlawful for a vehicle to wait between the hours of 8.00 a.m. and 6.30 p.m. on any day for the purpose of delivering and collecting goods or merchandise or loading or unloading the vehicle at premises adjoining the roads specified in Schedule 11.03;
- 3) Nothing shall render it unlawful for a vehicle to wait between the hours of 8.00 a.m. and 7.00 p.m. on any day for the purpose of delivering and collecting goods or merchandise or loading or unloading the vehicle at premises adjoining the roads specified in Schedule 11.05;

## **Part IV** **Revocations**
