- 8A Shropshire Council will set the level of any charge for on-street parking by Notice, according to the provisions of the Road Traffic Regulation Act 1984.

## **SECTION 2 – PROHIBITION AND RESTRICTION OF WAITING AND LOADING**

### Prohibition and restriction of waiting

9. Save as provided in Articles 13 to 19 and 21 no person shall, except upon the direction or with the permission of a police officer or community safety officer, cause or permit any vehicle or a vehicle of a specific class to wait on any restricted street during the restricted hours as specified on the Plans.

### Prohibition and restriction on loading and unloading

10. Save as provided in Articles 13, 14, 17 and 18 no person shall, except upon the direction of or with the permission of a police officer, cause or permit any vehicle or a vehicle of a specific class to wait on any restricted street for the purpose of enabling goods to be loaded to or unloaded from the vehicle during the no loading hours as specified on the Plans.

### School Keep Clear Markings

- 10A. Save as provided in Articles 13 and 14 no person shall, except upon the direction or with the permission of a police officer or community safety officer, cause or permit any vehicle or a vehicle of a specific class to wait on any School Keep Clear Marking during the restricted hours as specified on the Plans.”

### Prohibition and restriction on stopping

11. For the avoidance of doubt, save as provided in Articles 13, 14 and 18 no person shall, except upon the direction or with the permission of a police officer, cause or permit any vehicle to stop on any restricted street or clearway during the no stopping hours as specified on the Plans.

### Controlled parking zones

12. Nothing in Articles 9 to 11 shall render it unlawful to cause or permit any vehicle to park upon a permitted or designated parking place during the permitted hours in a controlled parking zone, restricted zone or pedestrian zone, where waiting is generally prohibited in the streets, during the hours specified in the Plans and/or the Schedules.

### Emergencies

13. Nothing in Articles 9 to 11 shall render it unlawful to cause or permit any vehicle to wait in any of the roads, lengths of road or on the sides of road specified therein for so long as may be necessary to enable the vehicle to be used in an emergency for fire and rescue, ambulance or police purposes:

## General exemptions

14. Nothing in Articles 9 to 11 shall render it unlawful to cause or permit any vehicle to wait in any of the roads, lengths of road or on the sides of road specified therein for so long as may be necessary to enable:
- (a) the vehicle, if it cannot conveniently be used for such purpose in any other road, to be used in connection with any of the following operations, namely:-
    - (i) being actively engaged in essential building, industrial or demolition operations;
    - (ii) the removal of any obstruction to traffic;
    - (iii) the maintenance, improvement or reconstruction of the said lengths or sides of road; and
    - (iv) the laying, erection, alteration or repair in or on land adjacent to the said lengths or sides of road of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telecommunications system,
  - (b) the vehicle, if it cannot conveniently be used for such purposes in any other road, to be used in the service of a local authority, water authority, sewerage authority or the Environment Agency or their contractors in pursuance of that authority's statutory powers or duties;
  - (c) the vehicles of the Royal Mail or other universal service provider (as defined in section 4(3) and (4) of the Postal Services Act 2000) to be used for the purpose of delivering and/or collecting packets as defined in Section 125(1) of the Postal Services Act 2000;
  - (d) any vehicle so left if that the vehicle is left with the permission
    - (i) of a police constable or community safety officer in uniform; or
    - (ii) of a civil enforcement officer;
  - (e) the vehicle to be used for the purpose of delivering or collecting cash or valuables;
  - (f) in any case where the person in control of the vehicle,
    - (i) is required by law to stop;
    - (ii) is obliged to stop so as to prevent an accident, or

- (iii) is prevented from proceeding by circumstances outside his/her control;
- or
- (g) the vehicle being actively engaged in connection with the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository.

#### Loading and unloading

- 15. Nothing in Article 9 shall render it unlawful to cause or permit any vehicle to wait in any of the roads, lengths of road or on the sides of road specified therein (provided that there is no prohibition on loading and unloading or stopping in place) for so long as may be necessary to enable goods to be loaded to or unloaded from a vehicle (or goods or merchandise to be delivered or collected).

#### Board and alight from a vehicle

- 16. Nothing in Article 9 shall render it unlawful to cause or permit any vehicle to wait in any of the roads, lengths of road or on the sides of road specified therein (provided that there is no prohibition on loading and unloading or stopping in place) for so long as may be necessary to enable a person to board or alight from the vehicle.

#### Funerals and weddings

- 17. Nothing in Articles 9 and 11 shall render it unlawful to cause or permit any vehicle to wait near at or near to any premises situated on or adjacent to said lengths of road or sides of road for so long as such waiting by that vehicle is reasonably necessary in connection with any wedding or funeral.

#### Waiting by disabled persons' vehicle

18. Nothing in Article 9 shall render it unlawful to cause or permit a vehicle which displays in the relevant position a disabled person's badge and a parking disc, on which the driver or other person in charge of the vehicle has marked the time at which the period of waiting began, to wait in a restricted street during the restricted hours for a period not exceeding 3 hours (not being a period separated by an interval of less than that specified on the Plans from a previous period of waiting by the same vehicle in the same length of road or on the same side of road on the same day) provided that there is no prohibition on loading and unloading or stopping in place.

#### Taxi ranks

19. Nothing in Article 9 shall prevent any person from causing or permitting a licensed hackney carriage to wait in any duly authorised taxi rank during the period of operation specified on the Plans.
20. No person shall cause or permit any vehicle other than a hackney carriage to wait on a taxi rank during the period of operation.

#### Ambulance ranks

21. Nothing in Article 9 shall prevent any person from causing or permitting a liveried ambulance to wait in any duly authorised ambulance rank during the period of operation specified on the Plans.
22. No person shall cause or permit any vehicle other than a liveried ambulance to wait in any duly authorised ambulance rank during the period of operation.

### Pedestrian crossings

23. Nothing in the provisions of this Order shall be taken as authorising anything which would be a contravention of any regulations made or having effect as if made under Section 25 of the Act of 1984.

## **SECTION 3 – PERMITTED AND DESIGNATED PARKING PLACES**

### Permitted parking places

24. The parts of roads identified as such on the Plans are hereby designated to be used subject to the following provisions of this Order as permitted parking places and may be used subject to the provisions of this Order on such days and during such hours as are specified on the Plans.
25. Where in respect of a permitted parking place there is specified on the Plans a maximum period of waiting, no person shall cause or permit any vehicle to remain in a permitted parking place during the permitted hours
- (a) for a period longer than the maximum period of waiting specified on the Plans, or
  - (b) if a period less than that specified on the Plans as being the period in which the vehicle shall not return has elapsed since a previous period of waiting by the same vehicle.

### **Specific exemptions in permitted parking places**

#### Permits

26. The driver of any vehicle displaying in the relevant position a permit valid for that permitted parking place shall be exempt from any time limit provided that the vehicle is being used in accordance with the conditions applying to the said permit.

### Disabled person's badge

27. Save for the provisions of Article 53, the driver of any vehicle displaying in the relevant position a valid disabled persons badge shall be exempt from any time limit provided that the vehicle is being used in accordance with the conditions applying to the said badge.

### Loading areas

28. The parts of roads identified as such on the Plans are hereby designated to be used subject to the following provisions of this Order as loading areas and may be used subject to the provisions of this Order on such days and during such hours as are specified on the Plans.
29. No person shall, except upon the direction or with the permission of a police officer, cause or permit any vehicle to wait during the permitted hours in any loading area specified on the Plans unless it is of the specified class and except for the loading or unloading of goods in connection with nearby trade or business premises.

### 30A. Dual Use Loading and Taxi Bays

- (i) The parts of roads identified as such on the Plans are hereby designated to be used subject to the following provisions of this Order as dual use loading areas and taxi parking bays, and may be used subject to the provisions of this Order on such days and during such hours as are specified on the Plans.
- (ii) No person shall, except upon the direction or with the permission of a police officer, cause or permit any vehicle to wait during the permitted hours in any dual-use loading area or taxi bay specified on the Plans unless it is of the specified class and except for the loading or unloading of goods in connection with nearby trade or business premises, or for a hackney carriage or licensed taxi, attended by its driver, to wait.

## **Pay and Display parking places**

### Designation of pay and display parking places

30. The parts of roads identified as such on the Plans are hereby designated to be used subject to the following provisions of this Order as pay and display parking places and may be used subject to the provisions of this Order on such days and during such hours as are specified on the Plans.
31. No person shall cause or permit any vehicle to be parked in a pay and display parking place during the permitted hours unless there is displayed on that vehicle in the relevant position a pay and display ticket or permit valid for that time and for that parking place.

### Classes of vehicles for which pay and display parking places are designated

32. Subject to the provisions of this Order, pay and display parking places may be used during the permitted hours for the parking of any vehicle displaying a pay and display ticket or permit valid for that pay and display parking place.

### Ticket machines to be installed at pay and display parking places

33. The Council will
  - (a) install in such positions at or in the vicinity of a payment parking place as it may think fit such pay and display ticket machines as are required by this Order for the purposes of that parking place; and
  - (b) carry out such other work as is authorised by this Order or is reasonably required for the purposes of the satisfactory operation of a parking place.

### Maximum period of parking

34. Subject to the provisions of this Order, no person shall cause or permit any vehicle to be parked during the permitted hours in a pay and display parking place

- (i) beyond the time of expiry of the period for which the charge has been paid, or
- (ii) for longer than the maximum period specified for that parking place in the Plans.

#### No return

35. Subject to the provisions of this Order, where a period within which a vehicle must not be parked again in the pay and display parking place during the permitted hours is specified in the Plans, no person shall permit or cause the vehicle to park again in that parking place during the permitted hours until the expiry of that specified period.

#### Payment

36. No person shall cause or permit any vehicle to be parked in a pay and display parking place without arranging for the appropriate charge to be paid in accordance with the scale of current charges as specified at each pay and display ticket machine in accordance with schedules 2(A), 2(C), 4(E) and 4(F).

#### Means of payment

37. The charge referred to in the preceding Article shall be payable in the manner as specified by notice at or close to the parking place.
38. The person in charge of a vehicle, upon parking the vehicle in a pay and display parking place, shall immediately purchase a pay and display ticket from a pay and display ticket machine situated close to that parking place at the level of charge and for the period required in accordance with the scale of daily charges as specified at the pay and display ticket machine.

### Display of ticket

39. Where on payment of the charge a pay and display ticket has been obtained, the person in charge of the vehicle shall
- (i) display the pay and display ticket issued in the relevant position on the vehicle in respect of which it was issued, and
  - (ii) ensure that the pay and display ticket is continuously displayed during the entire period that the vehicle is parked in the parking place.
40. When a vehicle is accompanied by a trailer, the trailer must be parked in a parking bay and a charge must be paid for the trailer equivalent to the charge payable in respect of the vehicle.

### Validity of Pay and Display Tickets

41. A pay and display ticket is not transferable from one vehicle to another.
42. A pay and display ticket is valid only until the expiry of the period for which a charge has been paid.

### Expiry of parking period

43. The expiry of the period for which the charge has been paid shall be when the time shown on the clock of the issuing pay and display ticket machine is later than the time exhibited on the pay and display ticket displayed on the vehicle.
44. For the avoidance of doubt, the maximum specified period of parking applicable to a parking place shall take precedence over the times shown on a pay and display ticket in determining whether or not a contravention has taken place.

### No ticket displayed

45. If at any time while a vehicle is parked in a parking place no pay and display ticket is displayed on that vehicle in the relevant position, it shall be judged that the charge has not been paid.

### Ticket machine out of order

46. If at the time when a vehicle is parked during the permitted hours in a parking place and the nearest pay and display ticket machine is out of order, then a pay and display ticket shall be obtained from another pay and display ticket machine relative to that parking place (where provided).

### Restriction on removal of tickets

47. Where a ticket has been attached to a vehicle in accordance with the provisions of this Order no person, not being the driver of the vehicle, shall remove the ticket from the vehicle unless authorised to do so by the driver.

## **Specific exemptions in pay and display parking places**

### Pay and display machines out of order

48. If at the time when a vehicle is parked during the permitted hours in a pay and display parking place and all the ticket machines relative to that parking place are out of order, the driver of that vehicle shall be exempt from payment of the charge and display of ticket:

Provided that the maximum period of parking specified for that parking place at the pay and display ticket machine still applies.

## Permits

49. The driver of any vehicle displaying in the relevant position a permit valid for that pay and display parking place shall be exempt from payment of the parking charge, display of ticket and any time limit provided that the vehicle is being used in accordance with the conditions applying to the said permit.

## Disabled person's badge

50. The driver of any vehicle displaying in the relevant position a valid disabled persons badge shall be exempt from payment of the parking charge, display of ticket and any time limit provided that the vehicle is being used in accordance with the conditions applying to the said badge.

## **Disabled badge holder's parking places**

### Designation of disabled badge holder's parking places

51. The parts of roads identified as such on the Plans are hereby designated to be used subject to the following provisions of this Order as parking places for vehicles displaying a valid disabled person's badge and may be used subject to the provisions of this Order on such days and during such hours as are specified on the Plans.

### Display of disabled person's badge

52. No person shall cause or permit any vehicle to be parked in a disabled person's parking place during the permitted hours unless there is displayed on that vehicle in the relevant position a valid disabled person's badge.

### Maximum period of parking in a disabled person's parking place

53. Save as in an emergency, no person shall cause or permit any vehicle to remain in a disabled person's parking place for longer than any maximum period specified for that parking place in the Plans.

### **Permit only parking places**

#### Designation of permit holders only parking places

54. The parking places identified in the Plans as permit holder only or residents' permit holder only parking places are hereby designated as being restricted to use during the permitted hours by vehicles displaying a valid permit issued by the Council for that parking place.
55. No person shall cause or permit any vehicle to be parked in a permit holder only parking place during the permitted hours unless there is on display in the relevant position on that vehicle a permit issued by the Council valid for that time and that parking place.

### **Specific exemptions in permit only parking places**

#### Disabled person's badge

56. The driver of any vehicle displaying in the relevant position a valid disabled persons badge shall be exempt from the requirement to display a permit provided that the vehicle is being used in accordance with the conditions applying to the said badge.

### **Other parking places**

#### Motor cycle parking places

57. The parts of roads identified as such on the Plans are hereby designated to be used subject to the following provisions of this Order as parking places for motor cycles

and may be used subject to the provisions of this Order on such days and during such hours as are specified on the Plans.

58. No person shall cause or permit any vehicle to be parked in a motor cycle parking place during the permitted hours unless it is a motor cycle.

### **General conditions in respect of parking places**

#### Manner of standing in a parking place

59. Unless indicated otherwise by markings on the carriageway, each vehicle parked in a permitted or designated parking place in accordance with the foregoing provisions of this Order shall stand so that every part of the vehicle is within the limits of the parking place as marked on the carriageway.

#### Removal and alteration of position of a vehicle in a parking place

60. When a vehicle is left in a parking place in contravention of any of the provisions of the previous Articles, a person authorised in that behalf by the Council may remove the vehicle or arrange for it to be removed from that parking place.
61. Any person removing a vehicle by virtue of the previous Article may do so by towing or driving the vehicle or in such other manner as he may think necessary and may take such measures in relation to the vehicle as he / she may think necessary to enable him to remove it or alter its position, as the case may be.
62. When a person authorised by the Council removes or makes arrangements for the removal of a vehicle from a parking place, he / she shall make such arrangements as may be reasonably necessary for the safe custody of the vehicle.

63. When a vehicle is waiting in a parking place within the administrative area of Shrewsbury, in contravention of Article 59, a person authorised in that behalf by the Council may alter or cause to be altered the position of the vehicle in order that its position shall comply with that provision.

Movement of a vehicle in a parking place in an emergency

64. Any person duly authorised by the Council or a police officer may move or cause to be moved or remove or cause to be removed, in case of emergency, to any place he / she thinks fit, any vehicle parked in a parking place and shall provide for the safe custody of the vehicle.

Suspension of use of a parking place

65. Any person duly authorised by the Council, or a police officer may suspend the use of a parking place or any part thereof whenever such suspension is considered reasonably necessary:
- (a) for preventing obstruction of the streets on the occasion of any public procession, rejoicing or illumination or any other appropriate local authority, for preventing obstruction of the highway, or when the streets are thronged or liable to be obstructed, to close any parking place for the purpose of facilitating the movement of traffic,
  - (b) for the purpose of any building operation, demolition or excavation adjacent to the parking place, the maintenance, improvement or reconstruction of the highway or the cleansing of gullies in or adjacent to the parking place, the laying, erection, alteration or repair in or adjacent to the parking place or any sewer or of any main, pipe , or apparatus for the supply of gas, water or electricity or of any telecommunications system or the placing, maintenance or removal of any traffic sign;
  - (c) for the convenience or occupiers of premises adjacent to the parking place on any occasion of the removal of furniture to or from one office or dwelling-

- house adjacent to the parking place from or to a depositary, another office or dwelling-house; or
- (d) for the convenience of occupiers of premises adjacent to the parking place at times of weddings or funerals, or on other special occasions.

#### No parking in a suspended parking place

66. No person shall cause or permit a vehicle to park in a parking place or any part thereof during which such period as the Council or a police officer has suspended that parking place or part thereof and exhibits notice of such suspension on or near that parking place.

#### Specific restrictions on the use of vehicles in a parking place

67. In respect of the streets within the administrative area of Shrewsbury Town Centre River Loop during the permitted hours
- (a) no person shall use any parking place or any vehicle whilst it is in a parking place so as unreasonably to prevent access to any premises adjoining the side of road, or the use of the road by other persons, or so as to be a nuisance; and
- (b) the driver of a vehicle using a parking place shall stop the engine as soon as the vehicle is in position in the parking place, and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place.

#### General restrictions on the use of vehicles in a parking place

68. No person shall use any parking place or any vehicle whilst it is in a parking place during the permitted hours
- (a) to carry out any trade,
- (b) in connection with the sale or offering or exposing for sale any goods to any person in or near the parking place, or

- (c) in connection with the selling or offering for sale of their skill in handicraft or their services in any other capacity.

General exemptions to conditions of parking of a vehicle in a parking place

69. Notwithstanding for foregoing provisions of this Order any vehicle may be parked during the permitted hours in any part of a parking place or loading area if the use of that part has not been suspended and if:
- (a) the vehicle is parked for so long as may be necessary for the purpose of enabling any person to board or alight from a vehicle or load thereon or unload therefrom their personal luggage;
  - (b) the vehicle is parked owing to the driver being prevented from proceeding by circumstances beyond their control or to such parking being necessary in order to avoid an accident;
  - (c) the vehicle is being used for fire and rescue, ambulance or police purposes or is being used in the service of a local authority, water authority, sewerage authority or the Environment Agency or their contractors in pursuance of statutory powers or duties provided that in all the circumstances it is reasonably necessary in the exercise of such powers or in the performance of such duties for the vehicle to park in the place in which it is parked;
  - (d) the vehicle is parked for so long as may be necessary to enable it to be used in connection with the removal of any obstruction to traffic;
  - (e) the vehicle of the Royal Mail or other universal postal service provider (as defined in Section 4(3) and (4) of the Postal Services Act 2000) is parked for the purpose of delivering and/or collecting packets as defined in Section 125(1) of the Postal Services Act 2000;
  - (f) in any other case the vehicle is parked for the purpose of delivering or collecting goods or loading or unloading the vehicle,
  - (g) in respect of streets in the administrative areas of Broseley, Ludlow and Oswestry and Cliff Road and Love Lane in the administrative area of Bridgnorth and those streets specified within schedule 4 C of this Order being

- Shrewsbury Sutton Farm Match Day Residents Parking Zone, the vehicle to be used for the purpose of delivering or collecting cash or valuables; or
- (h) the vehicle is parked with the permission of the person suspending the use of the parking place or the part thereof.

Exemptions for vehicles displaying a valid disabled person's badge

70. Notwithstanding for foregoing provisions of this Order any vehicle displaying in the relevant position a valid disabled person's badge may be parked without payment of a daily charge or time limit during the permitted hours in any part of a parking place if the use of that part has not been suspended provided that the vehicle is parked in accordance with the terms and conditions of the said badge.

**SECTION 4 - CONDITIONS AS TO PERMITS AND CERTIFICATES**

**Entitlement to and application for permits**

Residents permits

71. Where applicable, any resident or any person as specified in the appropriate Schedule may apply to the Council for the issue of a residents permit in respect of a vehicle(s) of the class specified and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.

Visitor permits

72. Where specified in the appropriate Schedule, any resident may apply to the Council for the issue of a visitor permit for use by visitors to the resident and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.

73. Where specified in the appropriate Schedule, Ludlow Town Council may purchase an unlimited number of permits valid for one day for the Red Zone for the use of Market Traders on market days.

#### Classes of vehicles for which permits are applicable

74. For the avoidance of doubt, a permit is not necessary during event times for a motor cycle in the Sutton Farm Match Day Residents Parking Zone.
- 74A Use of the residents' parking spaces on Railway Street, Bridgnorth will be restricted to the following classes of vehicles: Passenger Vehicles, Light Goods Vehicles, and Motor Cycles.

#### Evidence in respect of application

75. The Council may at any time require an applicant for a residents or visitor permit to produce to an officer of the Council or authorised agent such evidence in respect of an application for a permit made to them as they may reasonably require to verify any particulars or information given to them or in respect of any permit issued by them as they may reasonably require to verify that the permit is valid.

### **Issue of permits**

#### Residents permits

76. Upon receipt of an application duly made under the provisions of this Order, the Council, upon being satisfied that the applicant is a resident and on payment of the relevant fee (if applicable), may issue to the applicant a residents permit for the parking of a vehicle during the permitted hours in a parking place to which such permit relates; provided that any limit on the number of permits per resident or per household specified in the appropriate Schedule is not exceeded.

### Visitor permits

77. In accordance with the appropriate Schedules, upon receipt of an application duly made under the provisions of this Order, the Council, upon being satisfied that the applicant satisfies the requirements and on receipt of any fee that the Council may from time to time determine, may issue to the applicant residents visitor permits for the parking of a vehicle during the permitted hours in a parking place to which such permit relates; provided that any limit on the number of permits specified in the respective Schedules is not exceeded.

### Use of permits

78. A permit shall only be valid for use during the permitted hours in a parking place on a road within the zone or area identified on the permit and specified on the Plans.

### Not guaranteed space

79. The issue of a permit does not guarantee a parking space.

### Surrender of permits

80. A permit holder may surrender such permit to the Council at any time and shall surrender such permit to the Council or authorised agent on the occurrence of any one of the surrender events.

### Withdrawal of permit

81. The Council may, by notice in writing served on the permit holder at the address shown by that person on the application for the permit or at any other address believed to be that person's residence or place of business, withdraw a permit if it appears to the Council that any one of the surrender events has occurred and the permit holder shall surrender the permit to the Council.

### Surrender events

82. Each of the following is a surrender event:
- (i) the permit applicant ceasing to be a resident;
  - (ii) the permit holder ceasing to be the owner of the vehicle in respect of which the permit was issued;
  - (iii) the vehicle in respect of which such permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified; or
  - (iv) the issue of a duplicate permit or visitor permit by the Council under the provisions of this Order.

### Validity of permit

83. A permit shall cease to be valid at the expiration of the period specified thereon or on the occurrence of any of the surrender events, whichever is the earlier.
84. Where a permit is issued to any person upon receipt of a cheque and the cheque is subsequently dishonoured, the permit shall cease to be of any effect and the Council shall by notice in writing served on the person to whom such permit or voucher was issued by sending the same to the permit holder at the address shown by that person on the application for the permit, or at any other address believed to be that person's place of abode, require that person to surrender the permit or voucher to the Council.
85. A permit shall cease to be valid if:
- (i) the details have been altered or defaced;
  - (ii) any additional details required as a condition of the permit are not exhibited;
- or
- (iii) the details cannot be easily read from outside the vehicle.

### Duplicate permits

86. If a permit is accidentally mutilated or defaced or the figures or particulars thereon have become illegible or the colour of the permit has become altered by fading or otherwise, the permit holder shall surrender it to the Council and apply to the Council for the issue of a replacement permit or voucher.
87. If a permit is lost or destroyed, the permit holder may apply to the Council for the issue of a duplicate permit.
88. On application under the provisions of this Order, the Council, being satisfied as to the circumstances as indicated, and on receipt of any fee that the Council may from time to time determine, shall issue a replacement or duplicate permit so marked and upon such issue the original permit or voucher shall become invalid.
89. All the provisions of this Order shall apply to a replacement or duplicate permit to the same extent as they applied to the original permit.

### Form of permit

90. A permit shall be in writing and shall include the following particulars:-
  - (i) with the exception of the Shrewsbury Sutton Farm Match Day Residents Parking residents permits, the registration mark(s) of the vehicle(s) in respect of which the permit has been issued:  
Provided that in exceptional circumstances at the absolute discretion of the Council the vehicle registration mark may be omitted;
  - (ii) the period during which, subject to the provisions pertaining to surrender or withdrawal, the permit shall remain valid;
  - (iii) an indication that the permit has been issued by the Council; and
  - (iv) a code or identification indicating the parking area for which the permit is valid.

### Refund of charge paid

91. A permit holder who surrenders a permit to the Council before the permit becomes valid or after the permit becomes valid may be entitled to a refund of a sum determined by reference to a policy agreed from time to time by the Council.
