THE BOROUGH OF SLOUGH
WAITING RESTRICTIONS AND RESIDENTS' PARKING
ORDER 2006 (AMENDMENT No.1) 2007

STATEMENT OF REASONS

Following complaints from residents regarding obstructive parking and parking by non-residents and having considered the responses received following extensive consultation with residents and other interested parties, Slough Borough Council proposes to vary existing waiting restrictions by removing those which are considered to be out of keeping with current parking habits and introducing more stringent waiting restrictions on lengths of some roads in the interests of road safety. It is also proposed to extend existing residents' parking facilities where appropriate, introduce additional residents' parking facilities in some roads and pay and display parking where it is considered necessary to regulate the length of parking by non-residents in mainly residential areas.
