Statement of Reasons

The restrictions are to be introduced to alleviate the commuter parking problem in Scholars Walk associated with users of the near-by Langley train station and students attending East Berkshire College.

Prevention of obstructive parking at the junctions and bends in Scholars Walk will contribute to improved visibility and safety whilst also reducing the likelihood of personal injury crashes (PICs).

Implementation of the restrictions will in addition create a safer environment for pedestrians using the footway in Scholars Walk and address the issue of obstructive footway parking raised by local residents.
