THE BOROUGH OF SLOUGH
WAITING RESTRICTIONS AND RESIDENTS' PARKING ORDER 2006
(AMENDMENT No. 9) Order 2009

STATEMENT OF REASONS

The Council has received complaints that existing traffic calming measures in Cumberland Avenue and Northern Road have failed to reduce traffic speeds and that the current length of 'at any time' waiting restrictions severely reduce the amount of on-street parking available to residents.

Consequently it is proposed to remove the existing traffic calming measures, a combination of speed cushions and chicanes, and replace them with ten pairs of speed cushions. The existing speed cushions in Northern Road along the side of No. 320 Stoke Poges Lane will be retained. It is hoped that this revised layout will contribute to a reduction in vehicle speeds and improve road safety for the benefit of local residents.

As a result of the above amendments the extent of the existing 'at any time' waiting restrictions will be reduced. However, to prevent obstructive parking it proposed to install "at any time" waiting restrictions for approximately 10 metres either side of each of the ten pairs of speed cushions.
