**THE BOROUGH OF SLOUGH (AMENDMENT NO.10)(EXPERIMENTAL)
(WAITING RESTRICTIONS AND RESIDENTS' PARKING ORDER 2010) ORDER 2011**

STATEMENT OF REASONS

The local community in Chalvey has repeatedly told the Council, through correspondence and consultation, that traffic problems are a major concern in Chalvey, especially in Chalvey Road West. These problems include traffic congestion, road casualties, pollution and environmental concerns, and concerns that all these combine to degrade the quality of life of residents. In consultation with residents' groups, the Council has developed a package of measures, which may alleviate these problems: closure of Chalvey Road West in one or both directions, one-way operation of Ledgers Road, Ragstone Road and Chalvey Road East, reversal of the one-way operation of Martin Road, and parking controls in various locations to compliment these measures. The reason for promoting these measures, on an experimental basis, is to enable the Council to test different combinations of the measures, in consultation with the local community, to be able to assess and decide whether a combination of the measures would be a good permanent solution to the long standing problems. The reason for promoting the measures as separate orders is to enable the Council to respond flexibly to feedback from the community and the impact of the measures on the wider network.
