39 (1) SAVE as provided in Article 7 nothing in Parts B or E, or in Articles 29 to 32 inclusive in Part F, of this Order shall render it unlawful to cause or permit a vehicle to wait in any restricted road or in any parking place for so long as may be necessary to enable goods to be loaded onto or unloaded from the vehicle.

(2) Notwithstanding anything paragraph (1), the driver of a vehicle waiting for the purposes of delivering or collecting goods or merchandise or loading or unloading the vehicle shall move the vehicle on the instruction of a police constable in uniform whenever such moving may be reasonably

PART G
EXEMPTIONS FROM PROHIBITIONS AND RESTRICTIONS

necessary for the purpose of preventing obstruction.

GENERAL EXEMPTION FROM PROHIBITIONS AND RESTRICTIONS

40 Nothing in Articles 3 or 4 of Part B, or in Part E, or in Articles 29 to 32 inclusive in Part F, of this Order shall render it unlawful to cause or permit a vehicle to wait in any restricted road, or in any part of a parking place if the use of that parking place has not been suspended, for so long as may be necessary -

- (a) to enable a person to board or alight from the vehicle or to load thereon or to unload therefrom personal luggage;
- (b) to enable the vehicle to be used in connection with the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository;
- (c) to enable the vehicle if it cannot conveniently be used for such purpose in any other road, to be used in connection with any of the following operations, namely
 - (i) the removal of any obstruction to traffic;
 - (ii) the maintenance, improvement or reconstruction of the road, of any of the said lengths of road; or
 - (iii) the laying, erection, alteration or repair in or near any of the said lengths or sides of road of any sewer or any main, pipe, or apparatus for the supply of gas, water, electricity or telecommunications.
- (d) to enable the vehicle, if it cannot conveniently be used for such purpose in any other road, to be used in the service of a local authority or a water authority in pursuance of statutory powers or duties;
- (e) to enable the vehicle to be used for the purpose of delivering or collecting postal packets as defined in Section 87 of the Post Office Act, 1953;
- (f) to enable the vehicle to take in petrol, oil, water or air from any garage situated on or adjacent to any of the said lengths of road.
- (g) to enable the vehicle to wait at or near to any premises situated on or adjacent to any of the said lengths or sides of road for so long as waiting by that vehicle is reasonably necessary in connection with any wedding or funeral;
- (h) if the vehicle is waiting owing to the driver being required by law to stop; or being prevented from proceeding by circumstances beyond his control or in order to avoid an accident.
- (i) to enable the vehicle to be used for a purpose authorised and described on a permit issued by the Highway Manager on behalf of the Council provided such permit is displayed on the vehicle in the appropriate position.

DISABLED PERSONS' VEHICLES

41 Nothing in Articles 3 or 4 of Part B of this Order shall render it unlawful to cause or permit a disabled persons vehicle which displays in the relevant position a disabled persons badge and a parking disc (on which the driver, or other person in charge of the vehicle, has marked the time at

which the period of waiting began) to wait in any of the roads, lengths of road or sides of road referred to in any of the said Articles for a period not exceeding 3 hours (not being a period separated by an interval of less than one hour from a previous period of waiting by the same vehicle that length of road)

PROVIDED ALWAYS that no such vehicle shall so wait in any of the lengths of restricted road described in columns 2 and 3 of an item in the Table to Article 7 at the times specified in the corresponding column 5 of that Table.

- 42 Nothing in Part E of this Order, or in Article 29 or 30 of Part F of this Order, shall render it unlawful to cause or permit a disabled persons' vehicle which displays in the relevant position a disabled persons' badge to wait without limit of time in any of the parking places referred to in the said Part E, or Articles 29 or 30 of Part (g).

PART H

Conduct of Parking Places

SUSPENSION OF PARKING PLACES

43 (1) The Council may, by Notice or by Order, suspend the use of any parking place or any part thereof

- (a) if it is satisfied that use of that parking place should be restricted or prohibited by reason that works are being or are proposed to be executed on or near the road, or by reason of the likelihood of danger to the public or of serious damage to the highway, or
- (b) in order to prevent or mitigate congestion or obstruction of traffic, or danger to or from traffic, in consequence of extraordinary circumstances; or
- (c) for preventing obstruction of the streets on the occasion of any public procession, rejoicing or illumination or when the streets are thronged or liable to be obstructed.

subject to such conditions or exceptions as they consider necessary.

(2) A constable, or a person acting under the instructions (whether general or specific) of the chief officer of police, may suspend the use of a parking place or any part thereof for not more than seven days in order to prevent or mitigate congestion or obstruction of traffic, or danger to or from traffic, in consequence of extraordinary circumstances.

PROVIDED ALWAYS that any person suspending the use of a parking place in accordance with the provisions of this Article shall place or cause to be placed in or adjacent to that parking place or the part thereof the use of which is suspended such traffic signs as are necessary to indicate that waiting by vehicles is prohibited.

MISCELLANEOUS CONDITIONS

44 A driver of a vehicle shall not use a parking place

- (a) so as unreasonably to prevent access to any premises adjoining a road or the use of a road by other persons or so as to be a nuisance;
- (b) when such parking place has been closed in accordance with the provisions of the preceding Article of this Order.

45 A driver of a motor vehicle using a parking place shall stop the engine as soon as the vehicle is in position in the parking place and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place.

46 No person shall

- (a) sell, offer or exhibit for sale or hire any vehicle while it is in a parking place, or
- (b) use a vehicle, while it is in a parking place, in connection with the sale of any article to persons in or near the parking place or in connection with the selling or offering for hire of his skills in handicraft or services in any capacity.

PROVIDED ALWAYS that this Article shall not be deemed to prohibit persons employed in connection with a licensed public service vehicle or a licensed taxi operation from plying for hire or

accepting passengers for hire in accordance with any regulation or condition under which the service is required by law to operate.

- 47 While it is in a parking place no vehicle shall receive any work of construction, cleaning, maintenance or repair except such as may be necessary to enable the vehicle to be moved from the parking place.

MOVEMENT AND REMOVAL OF VEHICLES

- 48 (1) When a vehicle is left in a parking place in contravention of or non-compliance with any of the provisions of this Order a police constable or a person authorised in that behalf by the Council may remove the vehicle or arrange for it to be removed from that parking place.

(2) In case of an emergency a police constable or a person authorised in that behalf by the Council may alter the position of that vehicle in the parking place; or remove the vehicle or arrange for it to be removed from that parking place to any place he thinks fit.

- 49 Any person altering the position of a vehicle in, or removing a vehicle from, a parking place by virtue of the last preceding Article of this Order may do so by towing or driving the vehicle or in such other manner as he may think necessary and may take such measures in relation to the vehicle as he may think necessary to enable him to remove it or alter its position, as the case may be.

SAFE CUSTODY OF VEHICLES REMOVED FROM PARKING PLACES

- 50 When a police constable or a person authorised by the Council removes or makes arrangements for the removal of a vehicle from a parking place by virtue of Article 48 of this Order he shall make such arrangements as may be reasonably necessary for the safe custody of the vehicle

PART I

Parking Charges and Method of Payment

PARKING CHARGES

51 (1) The parking charge and the parking period for a vehicle left in a designated parking place referred to in the Schedule or Part of the Schedule referred to in an item in the second column of the Table shall be determined by reference to the corresponding items in the third and fourth columns of the Table.

TABLE(Article 51)

		increasing in units of £2.00 pence for each additional sixty minutes of parking time up to a maximum of	
		£16.00	ten hours

(2) No parking period for a designated parking place referred to in an item in the second column of the Table above shall exceed the maximum length of time mentioned in the corresponding item in the fourth column.

TICKET MACHINES TO BE INSTALLED AT PARKING PLACES

52 (1) There shall be a ticket machine on or in the vicinity of each parking place referred to in the Fourth Schedule.

(2) No parking charge shall be payable in respect of any vehicle waiting in a designated parking place during the chargeable hours if

(a) at the time the vehicle was left in that parking place there was on the ticket machine relating to that parking place a notice placed by any person duly authorised by the Council indicating that the ticket machine relating to that parking place is out of order; and

(b) there is no other ticket machine available to be used for that parking place; and

(c) the vehicle is removed within one hour of the ticket machine defect being rectified.

PROVIDED ALWAYS that if any such vehicle is not removed within that period the parking charge shall be treated as having been incurred and paid at the time when the vehicle was left in the parking place and all the provisions of this Order shall apply accordingly.

PAYMENT OF PARKING CHARGE

53 (1) The parking charge shall be payable on the leaving of the vehicle in a parking place referred to in the Fourth Schedule by the insertion in the ticket machine relating to the parking place in which the vehicle is left of coins to the value of the parking charge.

(2) Payment of the parking charge for any vehicle left during the chargeable hours in a parking place referred to in the Fourth Schedule shall be indicated by the issue by the ticket machine relating to that parking place of a numbered parking ticket indicating the amount of parking charge which has been paid, and by the exhibition of that parking ticket on the vehicle in the relevant position.

(3) No parking charge shall be payable in respect of any vehicle waiting in a designated parking place during the chargeable hours in accordance with the provisions of Part G of this Order.

INDICATION OF EXPIRY OF PARKING PERIOD

54 The expiry of the parking period for which the parking charge has been paid for a vehicle left in a parking place referred to in the Fourth Schedule shall be indicated when there is exhibited on the vehicle a parking ticket issued by the ticket machine relating to the parking place in which the vehicle is left showing the day and time of payment of the charge, and the time shown on the clock on the said ticket machine is more than the duration of the parking period later than the time shown on that parking ticket.

INDICATIONS BY TICKET MACHINES AND PARKING TICKETS AS EVIDENCE

55 If at any time when a vehicle is left in a parking place during the permitted hours the clock on the ticket machine relating to the parking place in which the vehicle is left and on the parking ticket exhibited on the vehicle give the indication given in the preceding Article, it shall be presumed

PART I
PARKING CHARGES

unless the contrary is proved that the parking charge has been duly paid, and the parking period for which payment was made by the parking charge has already expired.

INSERTION OF ADDITIONAL COINS

56 (1) No person shall insert in the ticket machine relating to the parking place in which the vehicle is left any coins additional to those inserted by way of payment of the parking charge in respect of that vehicle.

(2) No person shall display on any vehicle left in a parking place referred to in the Fourth Schedule during the chargeable hours any parking ticket subsequent to the parking ticket that was displayed at the time the vehicle was first left in the parking place unless the provisions of Article 19(3) have first been complied with.

PART J

Provisions Relating to Parking Permits.

APPLICATIONS FOR PERMITS

60 On receipt of any application duly made under the foregoing provisions of this part of the Order and of the appropriate remittance the Council, upon being satisfied that the applicant is the owner of a permitted class of vehicle as described in an item in column 4 of the Table to Article 59 and meets the qualification requirement described in column 3 of the corresponding item or is a hotel proprietor may issue to the applicant one a Parking Permit for the leaving in a parking place in the Zone indicated on the permit of the vehicle to which such Parking Permit relates by the owner of such vehicle or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward.

CHARGES FOR RESIDENTS PERMITS

61 "appropriate remittance" means a remittance of the sum indicated in an item in column 5 of the Table to Article 59 appropriate to the type of permit for which application is being made and shall be for the twelve month period commencing on the first day the permit year for a Permit in respect of Designated Parking Places referred to in Part 2 of the Fifth Schedule to this Order; and

"permit year" means a period of 12 calendar months commencing on the first day of April in any year.

PROVIDED ALWAYS that for any permit issued after the first day of the permit year a sum equal to one quarter of the annual remittance will be excused for each complete period of three calendar months of that permit year which has elapsed.

PROVIDED ALSO that for any permit surrendered a sum equal to one quarter of the annual remittance shall be refunded for each complete period of three calendar months of that permit year which is remaining.

VERIFICATION OF PARTICULARS

- 62 The Council may at any time require an applicant for a Parking Permit or a permit holder to produce to an Officer of the Council such evidence in respect of that application or any Parking Permit issued by them as they may reasonably require to verify any particulars or information given to them or that the permit is valid.

NUMBERS OF PERMITS TO BE ISSUED

- 63 The Council shall not be required to issue for any zone a greater number of Parking Permits than the number of designated parking spaces available in that zone;

PROVIDED ALWAYS, however, that it shall be entirely within the Council's discretion in such circumstances whether or not additional Parking Permits beyond the number of designated parking spaces available may be issued;

PROVIDED ALSO that it shall be entirely within the Council's discretion to restrict such additional Parking Permits to be issued on an annual and non-renewable basis.

TRANSFER OF PERMIT ON CHANGE OF VEHICLE

- 64 (1) A Residents' or a Business Parking Permit shall be available for use only on the vehicle in respect of which it is issued but in the event of the permit holder disposing of such vehicle he shall be entitled to have the Parking Permit issued for the remainder of the twelve month period in respect of any substitute vehicle and the Council, upon being satisfied as to the change of vehicles shall upon payment of a fee of £20 and the surrender of the current permit issue a replacement permit and upon such issue the current permit shall become invalid.

(2) A Hotel Parking Permit is issued to the holder and is valid for any vehicle using the relevant parking place with the consent of the holder.

RESTRICTION ON NUMBER OF RESIDENTS' PERMITS TO BE HELD

- 65 No Resident or household shall be entitled to more than one Residents' Parking Permit.

PROVIDED ALWAYS that it shall be entirely within the Council's discretion to issue on an annual and non-renewable basis additional Residents' Parking Permits beyond the number referred to in this Article if it appears to the Council that all persons likely to require a Residents' Parking Permit have had sufficient opportunity of making application under the terms of Article 59, and that the total number of Parking Permits which may be issued for the parking zone in question has not been exceeded.

TERMINATION OF RIGHTS

- 66 The Council shall be entitled to terminate all rights granted by the Parking Permit if at any time there is any contravention of any of the provisions concerning Parking Permits contained in this Order and in such circumstances the permit holder shall not be entitled to any refund whatsoever of any amount paid in respect of such Parking Permit WITHOUT PREJUDICE to any other rights of the Council against the permit holder in respect of the breach of condition giving rise to the termination of the rights granted by that Parking Permit.

SURRENDER, WITHDRAWAL AND VALIDITY OF PARKING PERMITS

- 67 (1) A Parking Permit shall not be assigned or transferred to any other person except as hereinafter provided but a permit holder may surrender a permit to the Council at any time and shall surrender

PART J
PROVISIONS RELATING TO PARKING PERMITS

a permit on the occurrence of any one of the events set out in paragraph (3) of this Article.

(2) The Council may, by notice in writing served on the permit holder by sending the same by the recorded delivery service to the permit holder at the address shown by that person on the application for the permit or at any other address believed to be that person's place of abode, withdraw a permit if it appears to the Council that any one of the events set out in paragraphs (3) (a), (b) or (c) of this Article has occurred and the permit holder shall surrender the permit to the Council within 48 hours of the receipt to the aforementioned notice.

(3) The events referred to in the foregoing provisions of this Article are:-

(a) the parking permit holder

(i) being a Residents' Parking Permit holder ceasing to be a resident in the Parking Zone as described in Part 1 of the Fifth Schedule to this Order for which the Residents' Parking Permit in question was issued;

(ii) being a Business Parking Permit holder ceasing to meet the qualification requirement appropriate to that type of permit as described in column 3 of the Table to Article 61 for which the Business Parking Permit in question was issued;

(b) the parking permit holder ceasing to be the owner of the vehicle in respect of which the parking permit was issued;

(c) the vehicle in respect of which the parking permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in an item in column 4 of the Table to Article 59 appropriate to the type of permit held.

(d) the issue of a revised permit or a duplicate permit by the council under the provisions of the next following Article of this Order;

(e) the permit ceasing to be valid pursuant to the provisions of paragraph (4) of this Article.

(f) the withdrawal of such permit by the Council under paragraph (2) of this Article;

(4) Without prejudice to the foregoing provisions of this Article, a permit shall cease to be valid at the expiration of the period specified thereon or on the occurrence of any one of the events set out in paragraph (3) of this Article, whichever is earlier.

(5) Nothing in the foregoing provisions of this Article shall affect the validity of or require the surrender of or enable the Council to withdraw the permit or not renew it on the grounds that the event set out in paragraph (3) (b) of this Article has occurred if the permit holder has duly applied to the Council for the permit to be amended pursuant to Article 64 of this Order.

ISSUE OF DUPLICATE PERMITS

68 (1) If a permit is mutilated or accidentally defaced or the figures or particulars thereon have become illegible or the colour of the permit has become altered by fading or otherwise, the permit holder shall either surrender it to the Council or apply to the Council for the issue to him of a duplicate permit and the Council, upon the receipt of the permit, shall issue a duplicate permit so marked and upon such issue the permit which it duplicates shall become invalid.

(2) If a permit is lost or destroyed the permit holder may apply to the Council for the issue of a duplicate and the Council, upon being satisfied as to the loss or destruction shall upon payment of a fee of £20 issue a duplicate permit so marked and upon such issue the permit which it duplicates shall become invalid.

(3) The provisions of this Order shall apply to a duplicate permit and an application therefor as if it were a permit or as the case may be an application therefor.

PART K

VISITORS PARKING PERMITS

VISITORS PARKING PERMITS

69 Any resident may apply to the Council for the issue of one or more books of Visitors' Parking Permits for a vehicle or vehicles of the classes described in the Table to Article 59 of this Order and belonging to a person or persons visiting that resident and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied and shall be accompanied by the appropriate remittance.

70 "appropriate remittance" means

(a) a remittance for the sum of £3.00 for each permit applied for when an application is for less than 20 permits to be issued at any one time, or

(b) a remittance for the sum of £2.40 for each permit applied for when an application is for 20 or more permits to be issued at any one time.

71 On receipt of any application duly made under the foregoing provisions of this part of the Order and of the remittance specified the previous Article the Council, upon being satisfied that the applicant is a resident shall issue to the applicant one or more Visitors' Parking Permits for the leaving of a vehicle belonging to or being used by a person visiting that resident in a parking space in any parking place in the Parking Zone to which such Visitors' Parking Permit relates.

PROVIDED ALWAYS that the Council may, at its absolute discretion limit the number of Visitors' Parking Permits that are issued at any one time in respect of a particular household and may require the production and surrender of used Visitors' Parking Permits before issuing a further permit or permits.

72 The Council may at any time require an applicant for a Visitors' Parking Permit to produce to an officer of the Council such evidence in respect of that application as they may reasonably require to verify any particulars or information given to them.

73 A Visitors' Parking Permit shall be valid on a particular day as if it were a Residents' Parking Permit issued by the Council pursuant to Part J of this Order if and only if on the face of the permit there is indicated as required the day, date and month of the occasion upon which the permit is being used and the face of the permit has been inscribed with the registration mark of the vehicle and no other writing or remark.

PART L
